A FRIEND

The 1973-74 school year has come to an end. The Bobcat Staff has attempted to record little events and big moments that have made up our school year, hoping to present you with a memorial that will be treasured by you.

The staff would like to express their sincere appreciation to each student and each faculty member for their help and cooperation in the assembling of this annual.

We hope you will enjoy this annual as much as we enjoyed publishing it.
