Director of Curriculum

Students,

School does not guarantee your success in life. It seeks to help you prepare yourself for successful living. What you do and become are largely a matter of your determination and your application of your ability.

Happiness is the goal of everyone. I sincerely hope that you achieve this goal. *C.M. Stover*

School Board Meeting

Producing the 1949-50 ATHENIAN has been hard work, but we enjoyed it. We want to state again that we sincerely regret any errors or omissions in the yearbook — they were unintentional.

We hope you like the 1949-50 ATHENIAN.

Beautiful . . . Practical and ALL ELECTRIC

Here's the kind of kitchen young moderns call a *dream* kitchen. Of course, it's electric! . . . with all the magic appliances that mean maximum cleanliness, beauty, speed, efficiency, and a minimum of drudgery!

An electric range for fast, accurate cooking with the automatic features that mean more leisure for you!

An electric refrigerator with generous space for fresh and frozen foods—and engineered to operate at far less cost than older models!

An electric sink . . . with automatic dishwasher and disposal unit to eliminate your two most irksome tasks: dishwashing and disposal of food wastes.

Yes, kitchen work is a snap . . . when it's done at the snap of a switch! So now that graduation is here, and you've begun to think about a kitchen of your own, just remember —

Wonderful Electric appliances make meal-making and hospitality a pleasure!
