Foreword

The annual staff has tried to include every individual and organization of Athens High School in this book. However, the necessity of having classes in eight different buildings on three campuses since the loss of our main building by fire on November 4, 1954, has presented us with many problems.

This wide separation of students has made taking pictures and securing information rather difficult. We assure you that possible errors or omissions are unintentional.

We hope you enjoy now, as well as in later life, this record of incidents and friendships of your 1955-'56 school year.

The first class to graduate in the new building
was the class of 1956.

COMMENCEMENT

OUR PATRONS

The business firms and individuals who bought space in the following pages provided the money needed in addition to that from the sale of this book to make its publication possible.

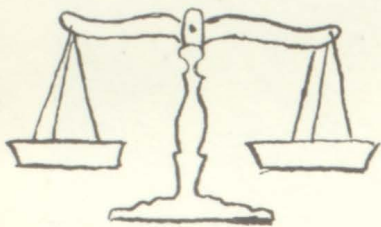

Please show them your appreciation by patronizing them.

Nearly all advertisements, as well as all art work and lettering in the remainder of this annual, were designed, drawn, and hand lettered by staff members — Barbara Wouiverton, Patty Hiy, and shardyn Watson.

OF A FRIEND
Compliments

A Girl's very
best Friend .. her

Electric
Range!

Diamonds may dazzle, but I wouldn't trade my electric range for anything! A flick of the switch and high speed cooking units are ready for use — or I can put the food in, set the controls, and forget it! Clean, cool electric cooking keeps the kitchen fresh and shiny.

Electric cooking is economical, too! Cooks with current off more than half the time ... costs less than 1¢ per person a meal. Yes, for turning out tasty meals with no trouble, an electric range is a girl's best friend.

Be Modern ... Cook Electric!
