*What Is A Hornet . . .*

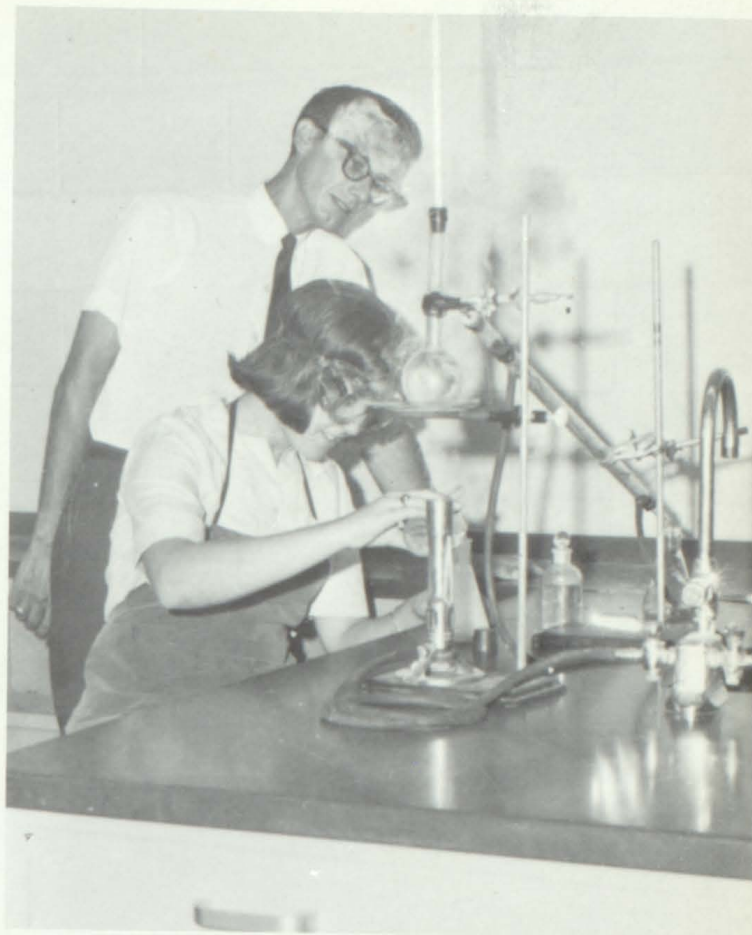

When it's time to buckle down, a Hornet is always ready to do his share... and work diligently to achieve his goals. A Hornet is aware of the need to pull his own weight . . . but, he also recognizes the fact that teamwork is essential. This spirit of cooperation and fellowship spurs the A.H.S. students, faculty, and administration to greater heights in their never-ending search for higher places.

In the Hornet tradition, being a Hornet also means having fun . . . buzzing off energy for the sake of sheer enjoyment . . . relaxing and enjoying Hornet Hive activities with strong enthusiasm!

In addition, Hornets at play are a lively group, giving free rein to high spirits and enjoying enthusiastic participation.

Mr. Mitchell shows Betsy Oliveria that experimentation enhances the quest for understanding.

Everyone enjoys the Mardi Gras atmosphere of the Junior-Senior Prom.

# A Hornet Is . . .

...boosting foot-  
ball team to  
victory.

...receiving senior band jackets.

...enjoying state  
fair.

...displaying  
musical and  
marching  
abilities.

...showing lots of spirit with torch march.

...taking part in social events.

...having fun while learning in  
academics.

...signing yearbooks at Dairy Queen.

# *ADMINISTRATION AND FACULTY*

Constant training makes winners of Hornets and top flyers of strong will. The administrative personnel strive constantly to provide a perfect climate for learning through a high-flying program. The first-rate faculty offers guidance and instruction in academic endeavors. This faithful guiding, backed by an outstanding school district, makes Hornetland a hive for growth, for gaining strength, and for achievement.

## Superintendent Administers Program

Mr. J. R. Lowe, Superintendent of the Athens Public Schools, is the executive officer of the board of education and is charged with the responsibility of administering the school program in accordance with the policies formulated by the board.

Mr. Lowe received his Bachelor of Science Degree from East Texas University in 1932, his Master of Science Degree from the same school in 1942. He did graduate work at the University of Texas in 1952.

He was employed as Superintendent of Athens Public Schools in June, 1946.

TOP: Mr. Lowe consults his agenda before beginning another busy day.

MIDDLE: Mr. Lowe talks with Mr. Brown, Mrs. Barron, Mrs. Ellis, Mrs. Young, and Mrs. Hutchinson at the NHS Banquet.

BOTTOM: Mrs. Killingworth, secretary, takes letter dictated by Mr. Lowe.

Mr. Lowe makes beneficial use of large Texas map.

## Board of Education Issues Policies

Board members are pictured with Mr. Lowe as business meeting is in progress: Willis Moore, Robert Fields, Mr. Lowe, Arthur Hawn, Dwight Jones, Frank Dorsey, Bill Caldwell, and Bill Erwin.

The control of schools is vested, by law, in the Board of Education. The board functions as a policy-making, legislative, and appraisal body and conducts its business only in official open meetings. Members are elected to office for three year terms.

Mrs. LaRue Killingworth acts as secretary in helping Mr. Hawn and Mr. Fields complete business.

Mr. Moore, Mr. Fields, and Dr. Jones discuss an administrative problem with Mr. Lowe.

Mr. Hawn, Mr. Caldwell, Mr. Dorsey, and Mr. Erwin talk with Mr. Fulton concerning the budget for next year.

Mrs. Ford hands telephone to Mr. Fluker to discuss Title I business with caller.

Mr. Fluker leaves Administration Building to deliver curriculum materials to teachers.

Mr. Norman checks a phase of the district's cafeteria operation

## *Administrators With Many Responsibilities*

Mr. G. E. Fluker, director of curriculum and federal programs, has the responsibility of supervising and improving the instruction in the schools of the system and of administering the various federal programs. His educational resume includes: B.A., Baylor University; M.A., University of Texas; and several extension courses.

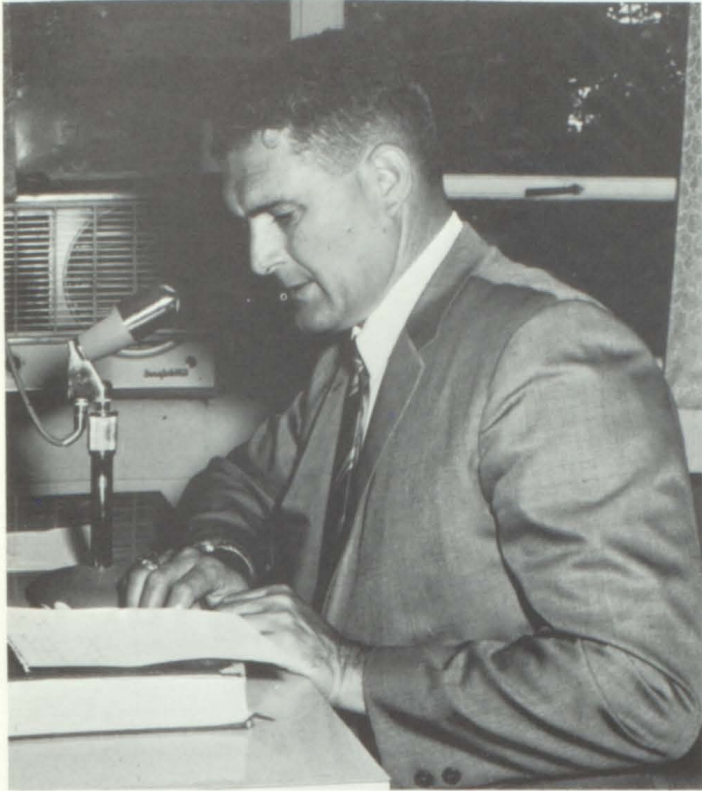

Mr. A. Clyde Norman, administrative assistant, has many and varied responsibilities. He is the athletic business manager, supervisor of textbooks, director of standardized testing for district, director of school census, and general supervisor of school cafeterias. He received his B.S. Degree from West Texas State and M.Ed. Degree from University of Texas.

Mr. Norman calls to confirm football ticket reservations.

## *He Maps The Way*

Mr. Brown makes the morning announcements.

Thomas L. "Tom" Brown, Athens High School Principal, has the responsibility of administering the high school program according to the policies formulated by the Board of Education of the Athens Independent School District.

Mr. Brown received his Bachelor of Science Degree from East Texas State University in 1947, and he received his Master of Science Degree from the same university in 1949. Since that time he has done post graduate study at East Texas and Texas A&M University.

Mr. Brown served as principal of the Athens Junior High School from 1961 through 1963. He undertook his vital role of high school principal in 1963.

Mr. Brown speaks at the annual National Honor Society Banquet.

Mr. Brown is seen at the F.T.A. Faculty Tea with his wife, Mary, and son, Wayne.

During one of our pep rallies, Mr. Brown talks to the student body.

## Administrators Aid Students

The smooth and efficient operation of AHS is due in part to the efforts of our assistant principal and counselor. Together they guide the student body through the mechanics of school.

Sponsoring the S. Coun., cheerleaders, Proj. Club, and co-sponsoring NHS are only a few jobs that our asst. prin., Miss Stella Floy Pace, maintains in encouraging school spirit and pride. Among her other duties are supervising Halloween Carnival, homeroom activities, clubs, morning devotionals, monthly publishing of calendar of events; scheduling of assemblies; assisting Mr. Brown; and holding innumerable conferences.

Sponsoring the FTA is one of the many activities that our counselor, Mrs. La Moine Young, carries on with great efficiency. The counseling program includes three broad fields - educational, vocational, and personal guidance. College preparation is an important facet as the scheduling of college classes and course plans are worked out. The testing program includes achievement, mental maturity, interest, aptitude, and National Merit tests. The counseling service is available to all students who attend Athens High School.

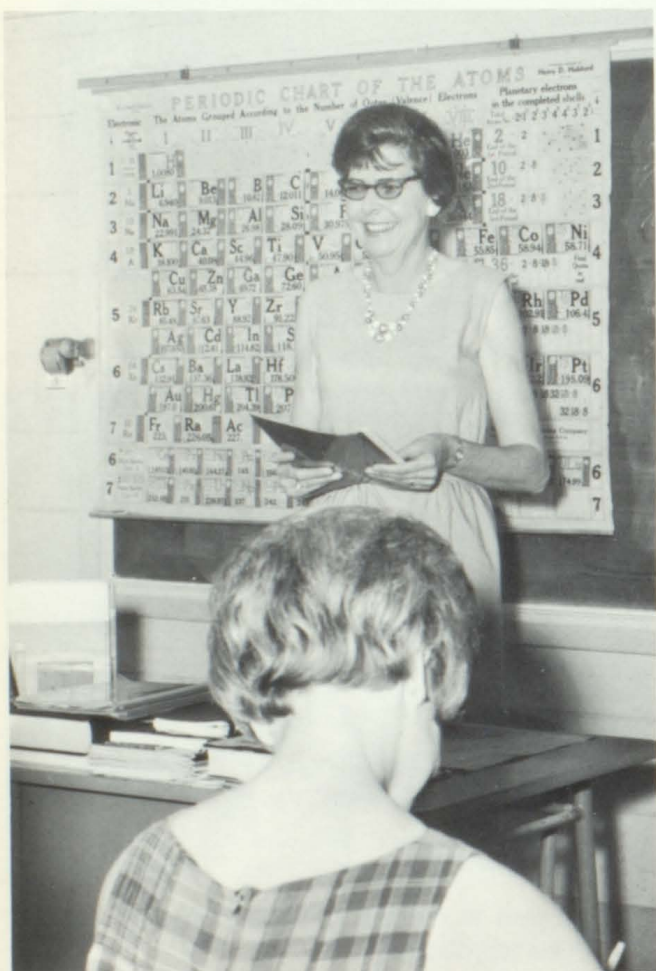

In their daily duties these administrators exemplify Carlyle's words, "Every noble work is at first impossible." Their perseverance is appreciated by students and teachers.

Miss Pace places a call to confirm an order made with Balfour.

Miss Pace checks a note and issues a blue slip to Addie Pierce.

Mrs. Young gives testing instructions to group of students in Mr. Mitchell's class-room.

Mrs. Young counsels with Linda Slaton, sophomore.

## Secretary: Essence of Organization

Mrs. Mattie Hutcheson, school secretary, is one of the busiest people in our school. Besides being responsible for answering the telephone and relaying messages, she is also responsible for the posting of attendance, filling out enrollment and withdrawal sheets, making monthly and annual attendance reports, keeping permanent record cards and posting grades on them, bookroom duties, collecting for and paying out of the 40 different activity accounts and making monthly statements for each, running off mimeographed materials, transfer and census of students, keeping students' schedule cards up to date, filing, and the averaging of grades.

Mrs. Hutcheson sorts out and counts money to be deposited at end of day.

Running off the mimeographed day's announcements is one of Mrs. Hutcheson's duties.

Assisting Mrs. Sanders, Mrs. Clay gives hearing test to Peggy Trammell.

Addie Pierce has her weight measured by Mrs. Sanders during the annual student check-ups.

## Nurse Gives Health Tests

The school nurse functions in a different way than does the nurse in a hospital or doctor's office. Her job is to encourage good health of all students in grades 1 through 12.

The high school students this year were all tested for hearing, vision, height and weight. The local dentist did a dental survey on all high school students

in connection with the school health program. Parents were informed of any dental, hearing, or vision problem.

The office assisted with some health hygiene teaching in home economics and girl's physical education classes. In addition to this, there was the usual run of minor first aids.

#### SOCIAL STUDIES PREPARE STUDENTS FOR CITIZENSHIP

The primary goal of the Social Studies Department is to prepare students for American citizenship.

We recognize that young Americans must develop a desirable set of values that will enable them to fulfill their responsibilities as citizens in a democracy.

It is the intention of this department to give the student a broad knowledge and understanding of the rights and responsibilities of man and his institutions of government. This is done through units of study in local, state, and federal government and courses in American history and world history. We endeavor to give the student basic information which will enable him independently to expand his store of knowledge and use discriminating judgment in applying it.

"We want Weaver for President!" (Ann Cundieff)

Government

Debate as staged by Mrs.  
Perry's history class.

Mrs. Jackson is dazed by second  
period's overwhelming enthusiasm.

Government students pretend to be working on their assign-  
ment.

"And just what do  
you think you're  
doing?"

"Study hall is terribly interesting, Mrs. Tanner, but..."

## Well-rounded Programs

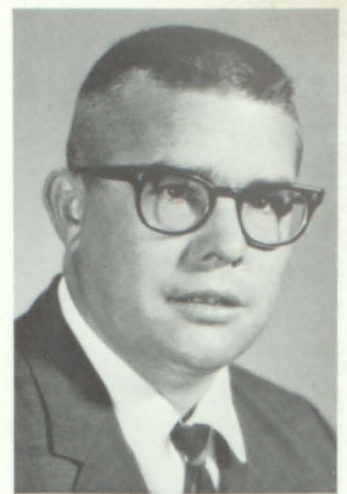

The science and mathematics curriculum in Athens High School are well-rounded programs. The offerings are detailed enough to give any student, so desiring, a firm background for college. At the same time, the noncollege-bound student can get a good working knowledge of the subjects.

The curriculum in recent years has changed to keep up with current advancements and with the students' needs.

The schools of Athens are very fortunate to have a young, well-qualified, and energetic staff in these departments.

Mr. Tinney demonstrates the devouring of bones to his attentive students.

It takes two to teach Algebra, as witnessed by these pupils.

## Business Education for Interested Students

The Business Education program has a two-fold purpose:

For all students - to contribute to general understanding of business, leading to a better knowledge of the American economic system and common business practices.

For some students - to provide knowledge and skills for initial employment, and a background which will enable them to prepare for future advancement.

At present, the Business Education Department of Athens High School offers five sections of Typewriting I, which are taught by Mrs. Pollard; two sections of bookkeeping, one of shorthand, and one of Typewriting II, which are taught by Mrs. Underdown.

DOROTHY POLLARD

Mrs. White talks to Dawson Geddie concerning an oral assignment.

Mr. Benton poses with I. L. Speech contestants (Ann Cundieff - Sue Whatley).

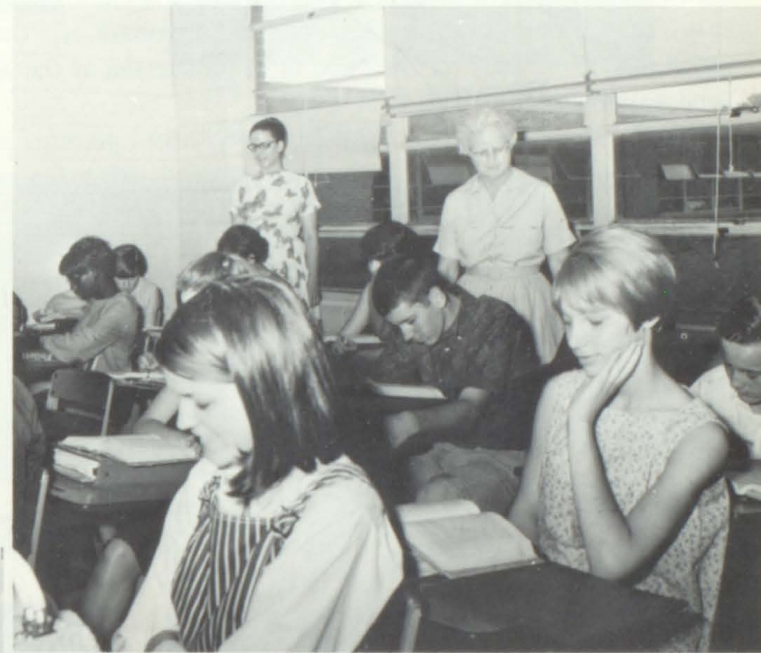

Mrs. Edwards poses with senior students portraying Canterbury Tales characters.

## *English Classes Promote Proficiency*

The English Dept. of AHS desires to promote proficiency in the written and spoken English of the student. When literature is being stressed, the student is encouraged to learn not only facts but also practical, aesthetic, and moral values. Also, he practices all the skills of writing, particularly expository.

When linguistics is being stressed, the student reviews the traditional values of syntax, punctuation, spelling, and capitalization, but he is also introduced to the inductive approach to writing. Among other types of writing the research theme is especially treated. All of this is approached through a constant application of the appropriate level of English usage.

Miss George and Miss Tunnell supervise classroom reading of English I literature.

Mrs. Ellis and Miss Pool discuss with English III class the highpoints of American literature study.

MAMIE DOWNING  
Choir

TOMMY DOWNING  
Band

## *Music Courses Add Enrichment*

The "Pride of the Hornets" Band provides halftime enjoyment at each football game and is the largest spirit building organization in high school. Besides being a football band it is known throughout East Texas as one of the leading concert organizations. One of the highlights of the year for the band is its production of the Annual Band Follies for the citizens of Athens.

The choral department at Athens High School presents programs to many civic clubs throughout the year. The choir's main projects during the year are its Christmas program and Spring Concert. As a young, growing department it offers an outlet to all students interested in vocal music.

Mrs. Downing's choral class rehearse for a civic club program.

Athens's own international group.

Mr. Downing is suprised with birthday party given by band students.

Stage band performs on Band Follies.

## French, Spanish Offered At AHS

The foreign language department in Athens High School is composed of French I and II and Spanish I and II. Both of these are offered as elective courses to any student wishing to acquaint himself with the culture offered by a foreign language.

In teaching a foreign language at AHS primary emphasis is placed on the modern oral approach. Students are taught to speak foreign languages and to understand and appreciate foreign cultures in the hope that they will be future ambassadors who search for better co-existence between men.

Mrs. Vermillian checks one of library's invoices.

Mrs. Cody discusses use of audio aids to three French I students.

Mrs. Andrews helps library assistants check book cards and fine lists.

## Library Functions As Resource Center

The school library is a service agency, a teaching agency, a materials center, and a reading center. It functions to assist the students in preparing assignments as well as broadening the fields of extracurricular interests. Student assistants are selected to do the routine work of the library clerk will have time to assist the students in the effective use of the library.

DORIS ANDREWS  
Library Clerk

MARTHA VERMILLIAN  
Librarian 23

The 1966-67 Industrial Arts Department in AHS offers two courses of mechanical drawing. The students who take Mechanical Drawing I are taught the values of lettering neatly and working neatly with mechanical drawing tools. The second year students follow through with the values already taught in first year drawing and begin work on the construction of house plans. The courses are detailed enough to give any desiring student a firm background for college, and at the same time the non-college bound student can get a good working knowledge of the subject. A student after completing two years of mechanical drawing can lay out and draw a complete set of house plans and have a working knowledge of how to read blue prints.

## *AHS Offers Varied Electives*

AHS offers as electives Distributive Education and Industrial Cooperative Training. In these courses the students take their required subjects and one class in the vocational course in the mornings and are placed on training jobs in the afternoon. These students receive both classroom instruction and on-the-job training in a field that they are interested in and at the same time receive school credit and some financial reward.

These courses are open to junior and senior students who are 16 years of age or over. Many of these students go into jobs related to their training, but many continue their education in college after graduation and find these courses benefit them as much or more than some other elective that they might have taken in AHS.

TERRY CARTER

# Vocational Education Prepares For Responsibilities

JOHNNIE HILL  
Homemaking I-II

The controlling purpose of vocation education is "to fit for useful employment"; hence, it follows that the controlling purpose of vocational education in home economics, as provided for by the vocational education acts, is to prepare for the responsibilities and activities involved in homemaking and in achieving family well-being. The general objective of vocational education in home economics is to provide instruction which will enable families to improve the quality of their family life through the more effective development and utilization of human and material resources. This program is designed to provide for instruction in all of the aspects of home living and homemaking.

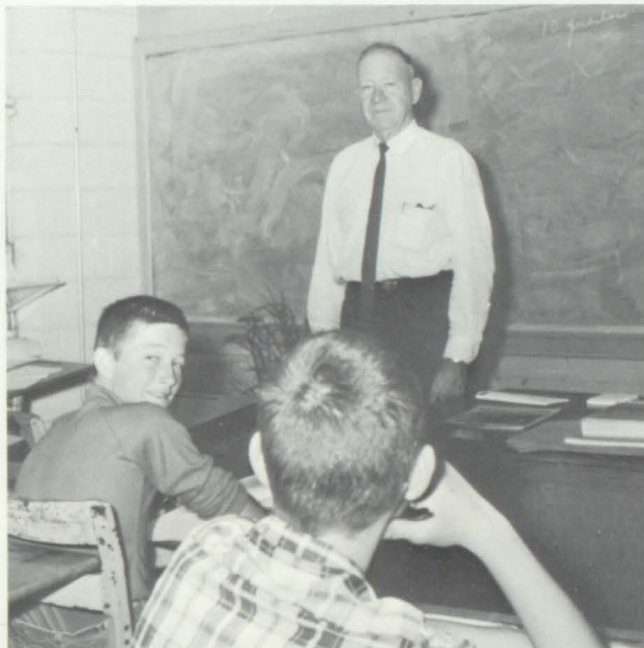

Vocational agriculture is designed to supplement training opportunities for boys who are progressing toward the goal of establishing a farming business. Through vocational agriculture activities the cooperative spirit is fostered and individual talent is discovered and developed. Here is a school of experience in the art of working together for a common good. Students have a splendid opportunity to learn how to deal effectively with themselves as well as with others.

NELL LANGDON

## *Vocational Rehabilitation in the Public Schools of Athens*

In the 1964-65 school year a high school vocational unit for Special Education students, between the ages of 16 and 21, began in the Athens Public School system.

In April 1966, a cooperative agreement was signed by the Athens Public Schools, Vocational Rehabilitation, and Texas Education Agency thereby permitting Athens High School to issue a Vocational High School Diploma. In May 1966, Athens High School issued its first vocational diplomas to 3 Special Education graduates.

Mr. Pirtle inspects a student's progress.

Mrs. Hounsell explains the student's homework assignment.

Mrs. Pirtle poses candidly for the camera.

## *Cafeteria Staff*

Mrs. Duncan, Mrs. Trimble (dietician), and Mrs. Reaves (dietician) talk with student after kitchen clean-up.

Mrs. Mosley and Mrs. Forrester prepare sandwiches for snack bar.

Mr. Hall, Mr. Holiman, Mr. Mosley, and Mr. Carmicheal prepare to enter the cafeteria to begin another busy day.

## *Maintenance Staff*

Mr. Frentress and Mr. Harris confer with Mr. Muckleroy at the school store during a lax moment.

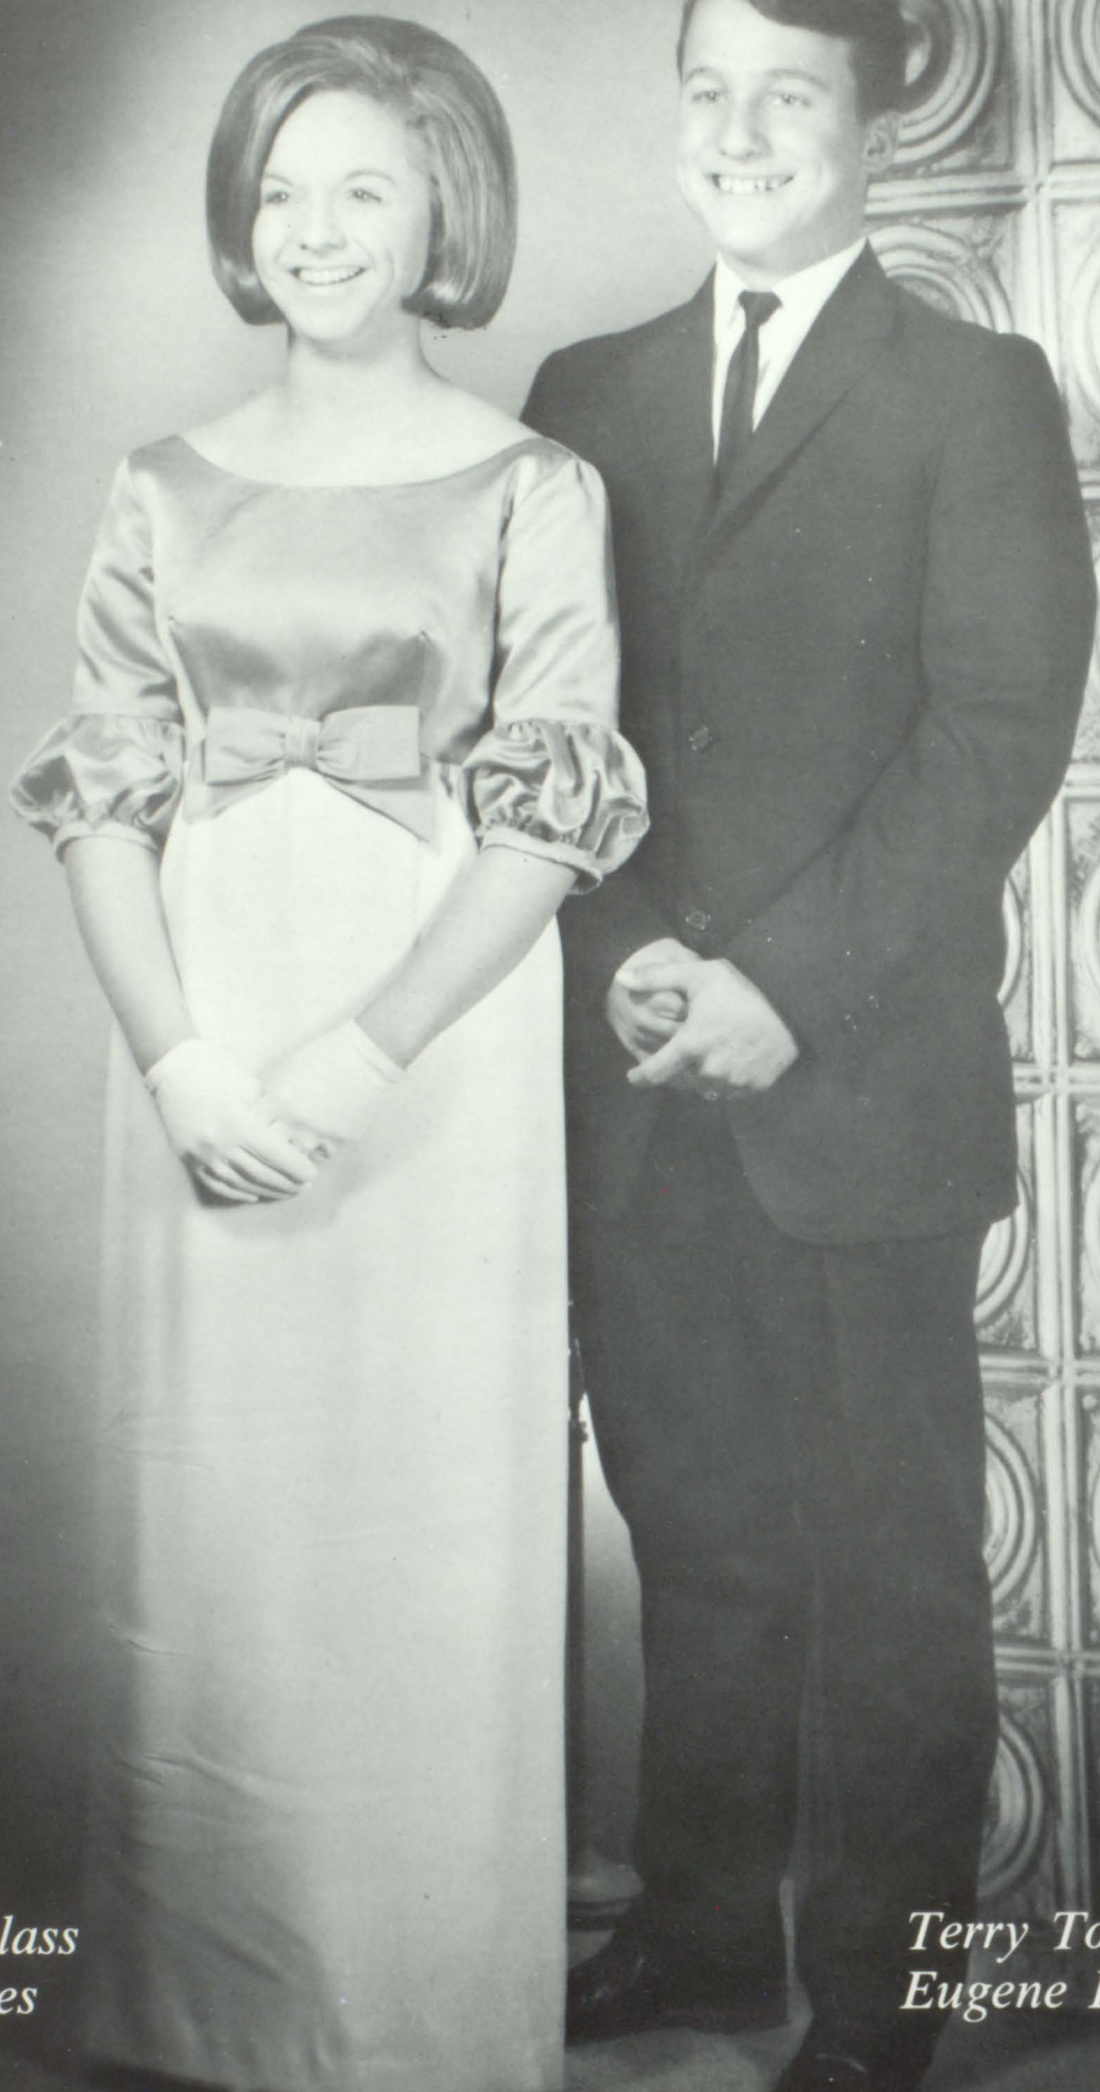

# CLASSES

Every Hornet has the "class" he needs to be a winner . . . and at Athens there are four separate, but equally important, classes of distinction . . . in flight from spirited Freshmen and Sophomores to outstanding Juniors and Seniors . . . Although we are all banded together in a spirit of pride and fellowship, each individual class displays its own sting of initiative and ability in contributing to the development and growth of A.H.S.

## *In Memoriam*

To the community, the accidental death of Ted Buford was a severe shock; to his family, a tragic loss; and to Athens High's undergraduates and alumni, a somber mishap.

There are pleasant recollections for those who knew him. His tall stature, his jet-black hair, his engaging smile blended into an attractive appearance, from which emanated a winsome personality and a friendly spirit.

"Those that we loved so long and see  
no more,  
Loved and still love--not dead, but  
gone before."

# *HONORS*

Hornets have outstanding personalities as well as climbing talents that breeze from English to Sports, Music to Science. It's these qualities that are honored and recognized for they give a Hornet his individual hive of accomplishments.

*Mr. and Miss A.H.S.  
Betty Boswell Mike Rutledge*

Betty has achieved many honors during her high school career. She represents the school as a whole, being outstanding in academic as well as being active in extracurricular activities.

She was elected secretary of the Student Council this year after being an active member for the three previous years. She has belonged to the F. H. A. for four years and has served as pianist.

In the field of academics, Betty has been a member of the National Honor Society for two years and served as secretary this year. She was an honor graduate this year, being the recipient of the National Honor Society Scholarship to Henderson County Junior College.

The honored position of Drum Major of the "Pride of the Hornets" Band has been filled well by Betty for the past two years. She was chosen to serve as majorette the two previous years. She was elected Football Sweetheart this year and was a nominee the past two years. During her sophomore and junior years, she was elected Sophomore Favorite, Halloween Queen, Most Popular, and Junior Usher. During her freshman year she was runner-up for Most Beautiful. She was a nominee for F. F. A. Sweetheart the past two years.

One of her most challenging activities has been co-editing the 1967 ATHENIAN.

## *Outstanding Students Chosen Mr. and Miss AHS*

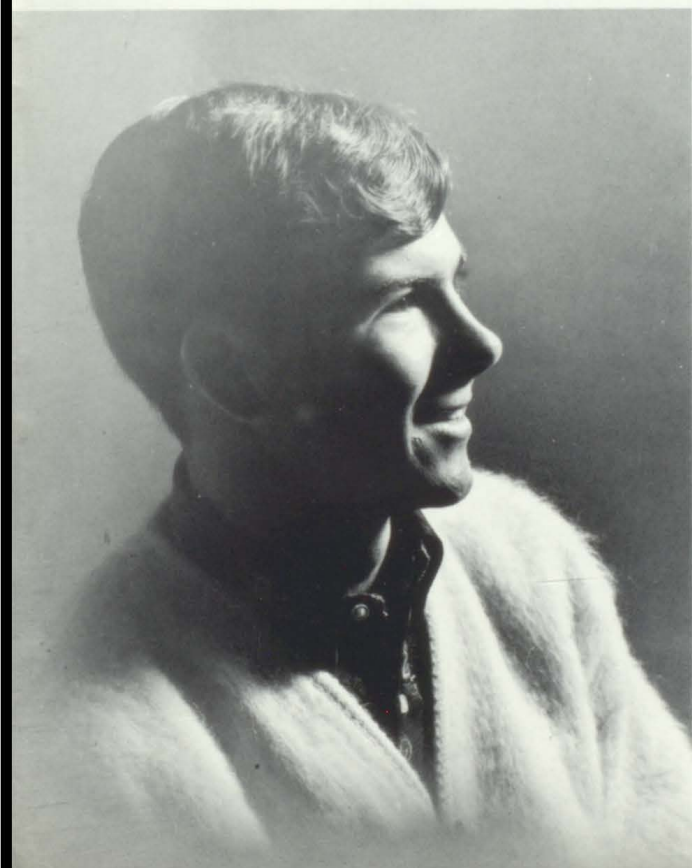

Mike has also received many honors during his high school years. He is very representative of AHS in the academic field, and he takes an active interest in extracurricular activities.

Serving as vice-president of the Student Council this year followed four years of active membership. During his freshman year he served as President of Jr. High Student Body, and he served as parliamentarian of the Student Council his junior year.

In the field of academic endeavor, Mike has earned many honors. He was chosen as outstanding student in biology and highest ranking boy his sophomore year. He received the American History Award his junior year. He has been a member of the National Honor Society for the past two years and was co-recipient of the Danforth Award this year. He was named Valedictorian of his graduating class this year.

Mike served as Junior Usher last year. He was elected Optimist Boy of the Month (February) and Young Texan of the Month (December) during his sophomore and senior years' respectively.

In the field of sports, Mike is a four-year letterman in football and baseball. He also lettered in basketball during his high school years.

Fred is congratulated by opponent after winning the district tennis title.

*Frederico Dickie*

## *South American Culture: A Gift To AHS*

Frederico Dickie came to Athens this year as an exchange student from Brazil. He immediately became a vital part of the school life at Athens High School and a friend to all students.

He participated on the district tennis team advancing as far as the regional finals. He was elected a Senior Superlative - Most Talented - by his fellow classmates. Just before graduation he received the trophies for the Sportsmanship Award and the Tennis Award.

Fred will return to Brazil in August, but he has made quite a lasting impression on those who knew him this year.

When asked to comment for us on his experiences this year, Fred said, "Oh, I won't have room to say all I'd like to. When I get back to Brazil I'm going to write a long letter to the school and community expressing all that this year has meant to me."

Fred (far right) portrays the Friar in Chaucer's *Canterbury Tales* in this "learning-by-doing" classroom scene.

# ORGANIZATIONS

Hornets at A.H.S. have set high goals and shown a great deal of school pride in getting organized . . . The wide variety of clubs and organizational activities, covering many different horizons of interest, allows each Hornet to follow the course of his choice . . . and provides us all with an outlet for pleasure and worthwhile achievement at A.H.S.

The Student Council, which is a miniature government in action, is one of the most important groups functioning at Athens High School. The purpose of this organization is a constant endeavor to provide a solid, harmonious relationship between students and faculty, and also among the students themselves.

This year the Student Council has undertaken a number of various projects and activities. Their work included gathering Christmas food for underprivileged families and sponsoring a paid assembly.

Briefly, the Student Council leads the student body in activities and strives to promote a feeling of pride in Athens High School.

The National Honor Society promotes scholarship, character, leadership, and service. The members of this organization are examples of

the four characteristics of the society. The A. H. S. Library is a perfect gathering place.

## *N.H.S. Members Display Superior Qualities*

N. H. S. members confer before the start of the banquet. Wonder what they are discussing?

Students displaying such qualities as superior scholarship, enthusiasm, loyal citizenship, and the desire to serve one's school faithfully are eligible for membership in the National Honor Society.

The members of the National Honor Society, have, this year, given a fifty-dollar scholarship to a deserving senior in Athens High School.

This responsible and dependable group shall continue to be an inspiration to both faculty and students. As a whole, the National Honor Society exemplifies the Hornet enthusiasm of the entire student body of Athens High School.

## *Christian Student Union*

The Christian Student Union provides Christian fellowship in a scholastic atmosphere. The members of this club represent prime examples of Christians.

... *"to build and to serve . . ."*

Basically, the Key Club is a school and community service organization with the motto ". . . to build and to serve." Sponsored by the Kiwanis Club from the Athens area, the Key Club attempts to build the character and enthusiasm necessary for leadership. The members also serve the school and community in every way possible. This year they sponsored and sold book covers. They also promoted a cancer drive in this area.

## Athenian

The leadership of the Co-Editors--Betty Boswell and Dianne Stone--and the assistant editor, Karol Holmes, spurred the creation of the 1967 Athenian.

This is called work?

Everyone on the staff gave their undivided attention to the Co-Editors and Mrs. Newton as they said it was time to "get going." This volume convinces the fact that the Athenian Staff eventually got busy and found that, although, knee deep in photographs, copy sheets, typewriters, and fund raising campaigns, it could be very enjoyable to work on the staff.

As we now look back to the fond days of hectic hurrying and many panic sessions, we find that these activities were the high points of the school year.

We sincerely hope that you, the reader, will enjoy reliving a few moments of this year with the compliments of the Athenian Staff.

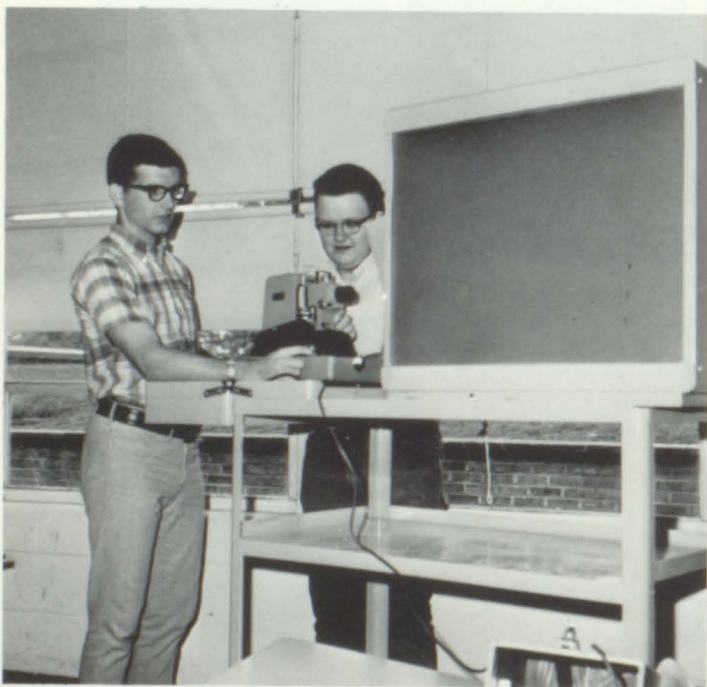

STANDING: D. Stone  
SITTING: C. Tidmore, C. Cooper, K. Holmes, K. Carson, W. Barnett.

PROJECTIONIST CLUB: left to right - Mike Murphy, Charlie Tidmore, Rob Tyner, Steve Foster, and Kim Caldwell (not pictured).

## *Projectionist's Aid Proves Invaluable*

Do Kim and Charlie really know how to operate the machine?

Miss Pace, assistant principal is the sponsor.

Camera and projection enthusiasts in the Projectionist Club learn the use and maintenance of the various types of projectors available at Athens High School.

During their free periods, members of the club aid the teachers in showing films to the various classes in the high school, a valuable service to the school community.

This club truly represents the Hornet spirit of fun and work.

## *Library Club*

These helpful students aid the librarians in many ways.

## *Students Assist in Library*

President - Yvonne Fincher  
Vice-President - Charlene Miller  
Secretary - Wendy Walker  
Treasurer - Tanis Cook

Efficient and capable students are used to keep the library in order. These student volunteers from study halls, help in all facets of library work. Circulating library materials, assisting those who need help in the library, shelving books, filing cards, setting up displays, helping label new books, mending worn ones, and taking inventory are only a few of the duties of these helpful students.

The A.H.S. Choir is an active organization. It represents a portion of the musical atmosphere of A.H.S.

### *A.H.S. Choir Participates in Many Activities —*

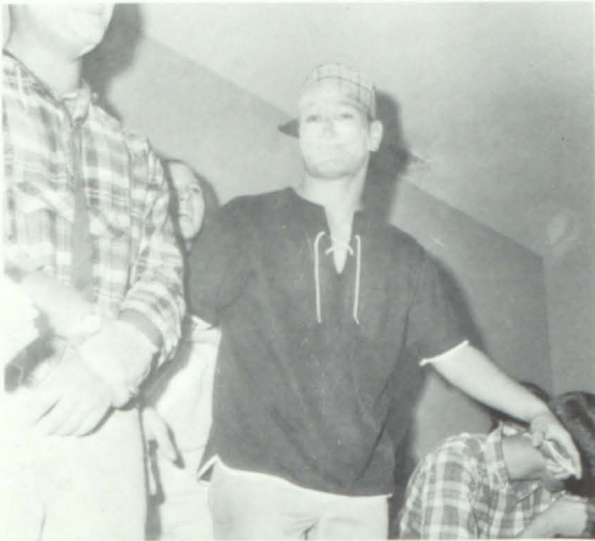

The Choir sings at the Christmas program.

From the first echo of harmony in Choir class to the beautiful hymns of Easter, the Choir has provided its audiences with many moods of music. The moving hymns and carols of Christmas and the sonorous anthems of Easter proved ample repertoire for the group. Assembly programs at Athens High School and programs for the different clubs in Athens offered additional variety in programs.

## *Young Life in Athens*

One of the skits put on at Young Life--  
"I've heard of Pieface, but this is very  
ridiculous."

Helping young lives find a direction for life in Christian truths--this is the goal of the Young Life organization. It is now in its 26th year and has been in Athens for two years. Though not affiliated with Athens High, the weekly Young Life meetings were well-publicized with many announcements and posters.

To further enjoy Young Life, many kids from our school plan to go to Frontier Ranch, a Young Life summer encampment, in Colorado.

This year's club meetings were filled with many wild skits and ended with a cold ski party at Lake Athens.

Wise words from our leader.

Members listen intently.

# *ATHLETICS*

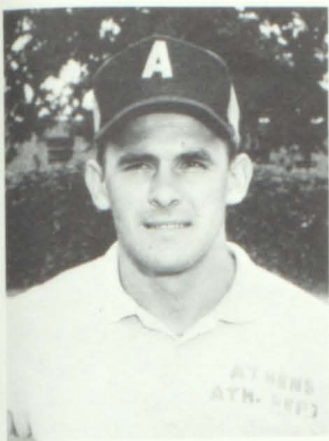

Sportsmanship is the keynote for a Hornet. It is ever present whether it be the winning of a tournament or the losing of that special game.

Dedicated coaches, willing team members, and constant supporters make for good sportsmanship that is ever present at Athens High.

## *Athens Shuts out Palestine 13-0*

A HARD MAN TO BRING DOWN

It took only two big, homerun plays to whip the Palestine Wildcats 13-0.

The designers of the scoring plays were Fullback Mike O'Shaughnessy and Ron Rogers, quarterback. Mike broke for 93 yards and a touchdown and Ron intercepted a Palestine pass and turned it into a 70 yard scoring run.

Palestine had a good defense but our ground attack was even better. At the second half we put the brakes on the Wildcats.

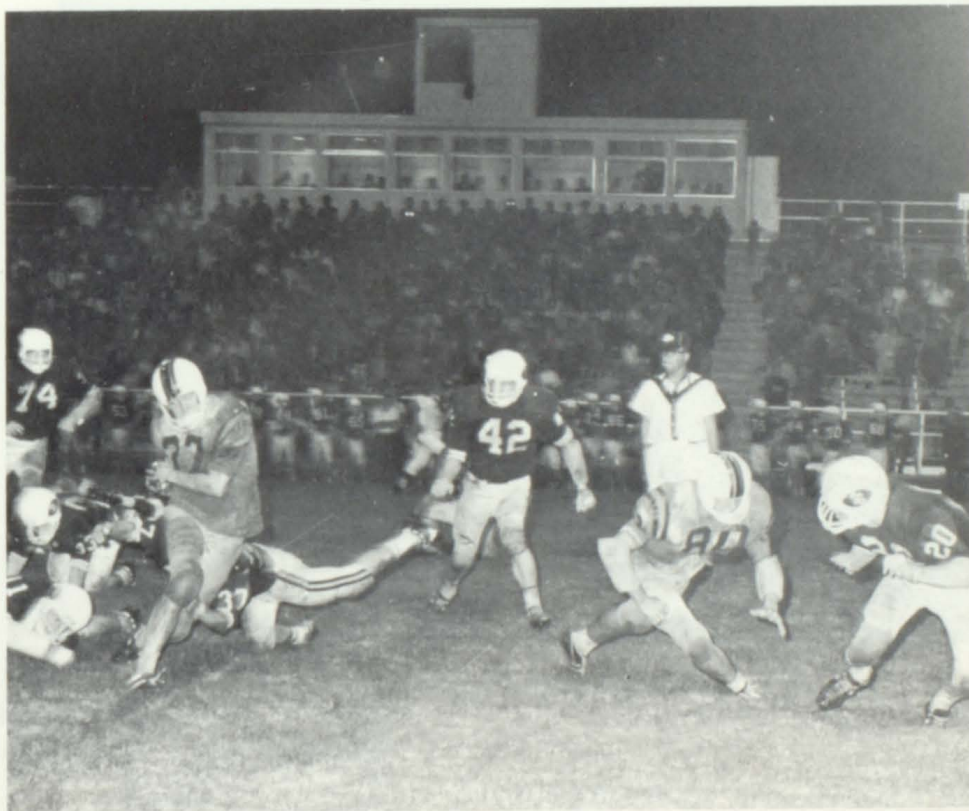

The Hornets gained all their total offense, 168 yards, on the ground while the Wildcats, against a vicious Horner defense, netted only 17. The remainder of their offense was in the air.

## *Hornets Edge by Sulphur Springs 3-0*

A fourth period field goal gave A. H. S. victory #2. "Hooker" Gillert kicked a 23-yd. field goal to put the Hornets ahead 3-0.

Fullback Mike O'Shaughnessy hammered out 64 yds. in 23 carries to lead the Athens ground attack.

The Hornets got outstanding plays both offensively and defensively from a host of ball players up front - Marlin Perkins, Mike Rutledge, James Jones, Charles Hawn, Jerry Johnson, Gary Craig, Gary McGregor, Charlie Johnson, "Punchy" Hamerick, Randy Langley, Jon Milstead, Carl Crayton, Steve Foster, and Larry Anding.

## *Athens Scalps Indians 25-14*

ROGERS RAMBLES

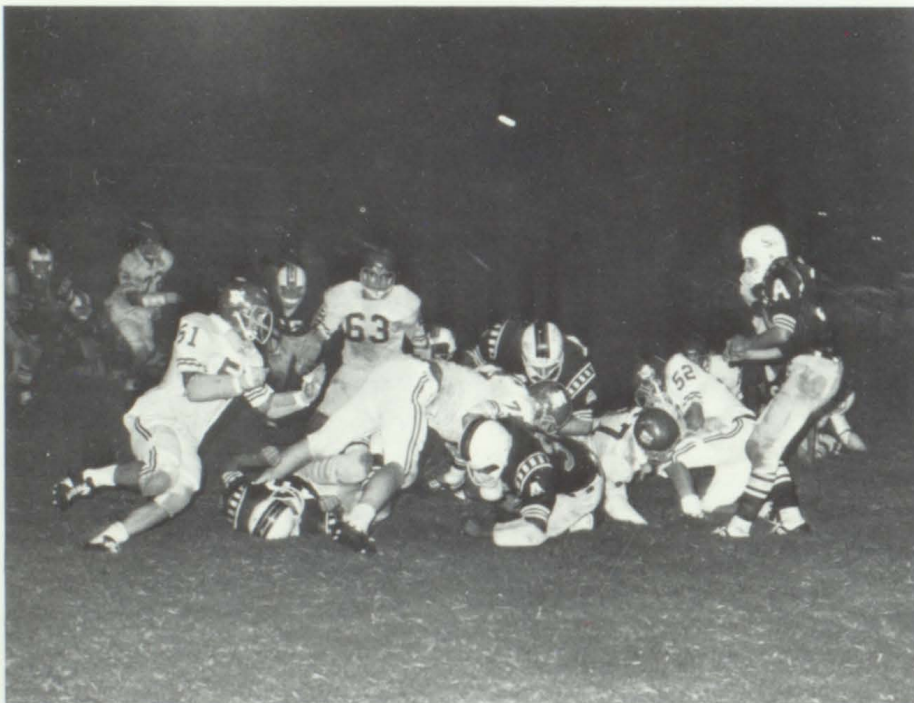

WILLIAMS SCAMPERS

Some 3,000 persons attended this ground-crushing attack on Jacksonville to see our Athens Hornets win 25-14.

Tommy Williams, tailback and wingback, carried the mail 35 times for 168 yards and scored one touchdown. Mike O'Shaughnessy, fullback, got the call 14 times and churned for 117 yards and two touchdowns. Bill Murphree, wingback, scored the other Athens' touchdown, and Mike "Hooker" Gillert kicked the only extra point.

## *Bulldogs Bite Hornets 13-6*

KILGORE JAMS UP THE PLAY

The fightin' Hornets, plagued by fumbles and a mysterious penalty or two, fell from the undefeated ranks here Friday night at the hands of an underdog, but fired up, Kilgore football team.

It was through the work of our fine defense that the score was not worse. Credited with most of the tackles were Mike O'Shaughnessy, Punchy Hamerick, Jerry Johnson, Charlie Hawn, Gary McGregor, Carl Crayton, James Jones, and Randy Langley.

A fine 62 yard drive, characteristic of the "never give up" spirit of our team, gave out on the Bulldog 4 yard line in the final seconds of the game.

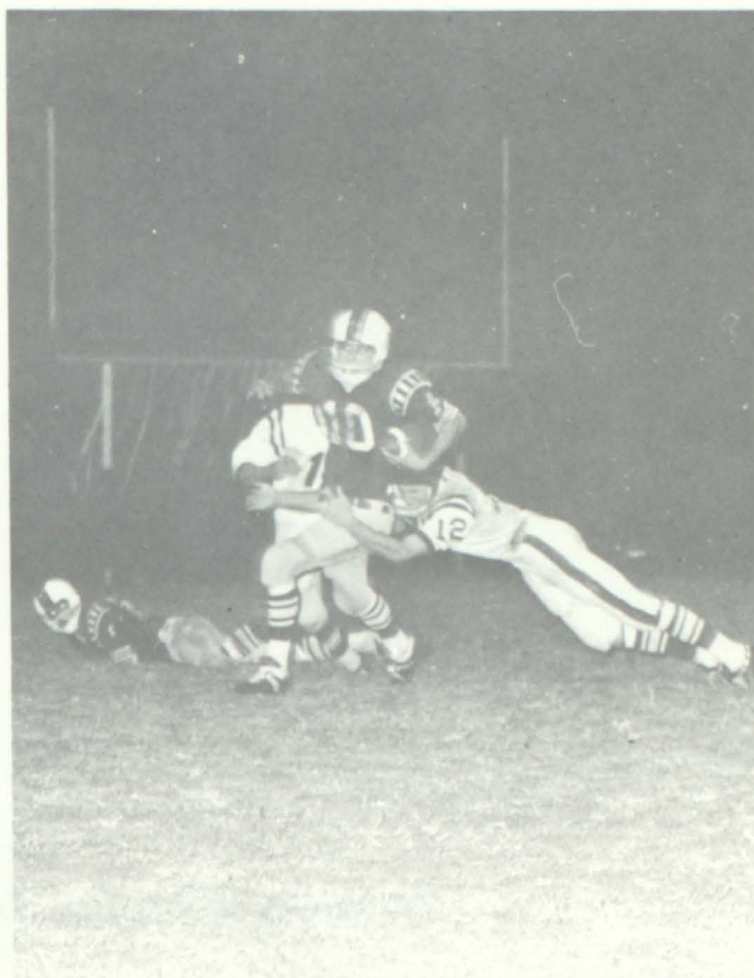

## *First District Win: Athens 27 Duncanville-4*

Showing more offensive life plus defensive aggressiveness than they have all year, our Hornets plastered the pitiful Panthers before an estimated 5,000 fans here Friday night.

Leading ground gainers were Tailback "Tomcat" Williams with 149 yards plus 2 touchdowns, and Fullback Mike O'Shaughnessy with 40 yards. Wingback Bill Murphree had one of his finest nights, running for 70 yards and 1 touchdown and scampered for another touchdown on an 87-yard kickoff return.

The entire offensive line is to be congratulated for their fine blocking. On defense the Duncanville runners seldom saw less than three Hornets coming at them.

FOOTBALL'S MAD SCRAMBLE

## *Athens Stomps Le Vega 27-0 In Second District Win*

Athens scored 12 points in the first period and added another touchdown and a two-point conversion in the second quarter, and then coasted home. It was so easy it was boring.

Tailback Tommy Williams carried the ball 21 times and picked up a whopping 232 yards. He scored one touchdown on a 54-yd. sizzler and set up another with a 58-yd. scamper.

Fullback Mike O'Shaughnessy scored three touchdowns, "Hooker" Gillert kicked one extra point, and "Punchy" Hamerick passed to Murphree for a two pointer.

44-YD. JOURNEY

## Hornets Win Over Lancaster 38-8

Using an awesome ground attack, the Fightin' Hornets made hamburger out of the Tigers of Lancaster to the tune of 38-8. Athens wracked up a total offense of 495 yards. 473 of which were the hard way, on the ground. Behind savage blocking, Tailback Tommy Williams picked up 213 yards in 18 carries, scoring 4 touchdowns and Fullback Mike O'Shaughnessy blasted out 171 yards in 22 carries and 2 touchdowns. "Hooker" Gillert kicked 2 extra points. Other gainers were Wingback Bill Murphree with 33 yards and Quarterback Ron Rogers with 29 yards.

Six points for the Hornets.

## Hornets Slip By Terrell Tigers 7-0

AND HE GOT AWAY!

WILLIAMS NAILED

The Athens Hornets whirled 99 yds. in 9 plays to score in the second quarter, and that drive proved to be the biggest one of the season as the fired-up Terrell Tigers fought to a standstill in a 7-0 thriller.

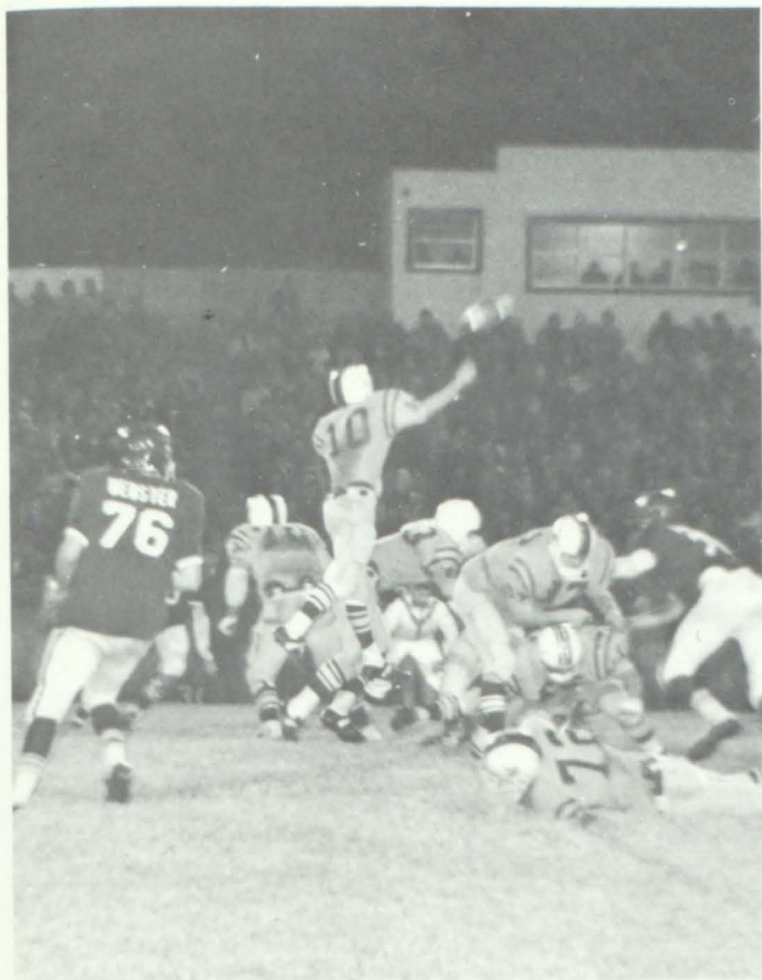

Billed as an offensive show, the game turned into a defensive duel and there were brilliant performances on the part of both teams.

In the second quarter, Bill Murphree took a pitchout and went wide around left end for the touchdown.

## *Ennis Takes Undefeated District Record 7-6 Victory*

The fired up Ennis Lions shocked the Athens Hornets 7-6 Friday night as they turned the Hornets' favorite weapons----a stubborn defense and a grounding ground game---against them.

The Hornets' ground game was held to 121 yards in 16 carries and O'Shaughnessy lugged the leather 15 times for 46 yards. Defensively, O'Shaughnessy, Hawn, McGregor, Jerry Johnson, Rutledge, and Hamerick were the leaders.

The Hornets' touchdown was scored by a determined Ron Rogers, who sprinted 19 yards in the fourth quarter. On the extra point try the snapback was fumbled.

ROGERS ON HIS LADDER.

## *Athens Scalps Indians With 20-8 Victory*

Finishing with a season mark of 8-2 and 5-1 in district play the Athens Hornets won a half of the 8-AAA district crown by defeating the Waxahachie Indians 20-8 here Friday night.

Athens' total offense of 314 yards all came on the ground with Fullback Mike O'Shaughnessy gaining 154 yards and Tailback Tom Williams rolling up 152 yards plus 3 touchdowns which sets a new rushing record of 1,201 yards for Williams. "Hooker" Gillert kicked 2 extra points.

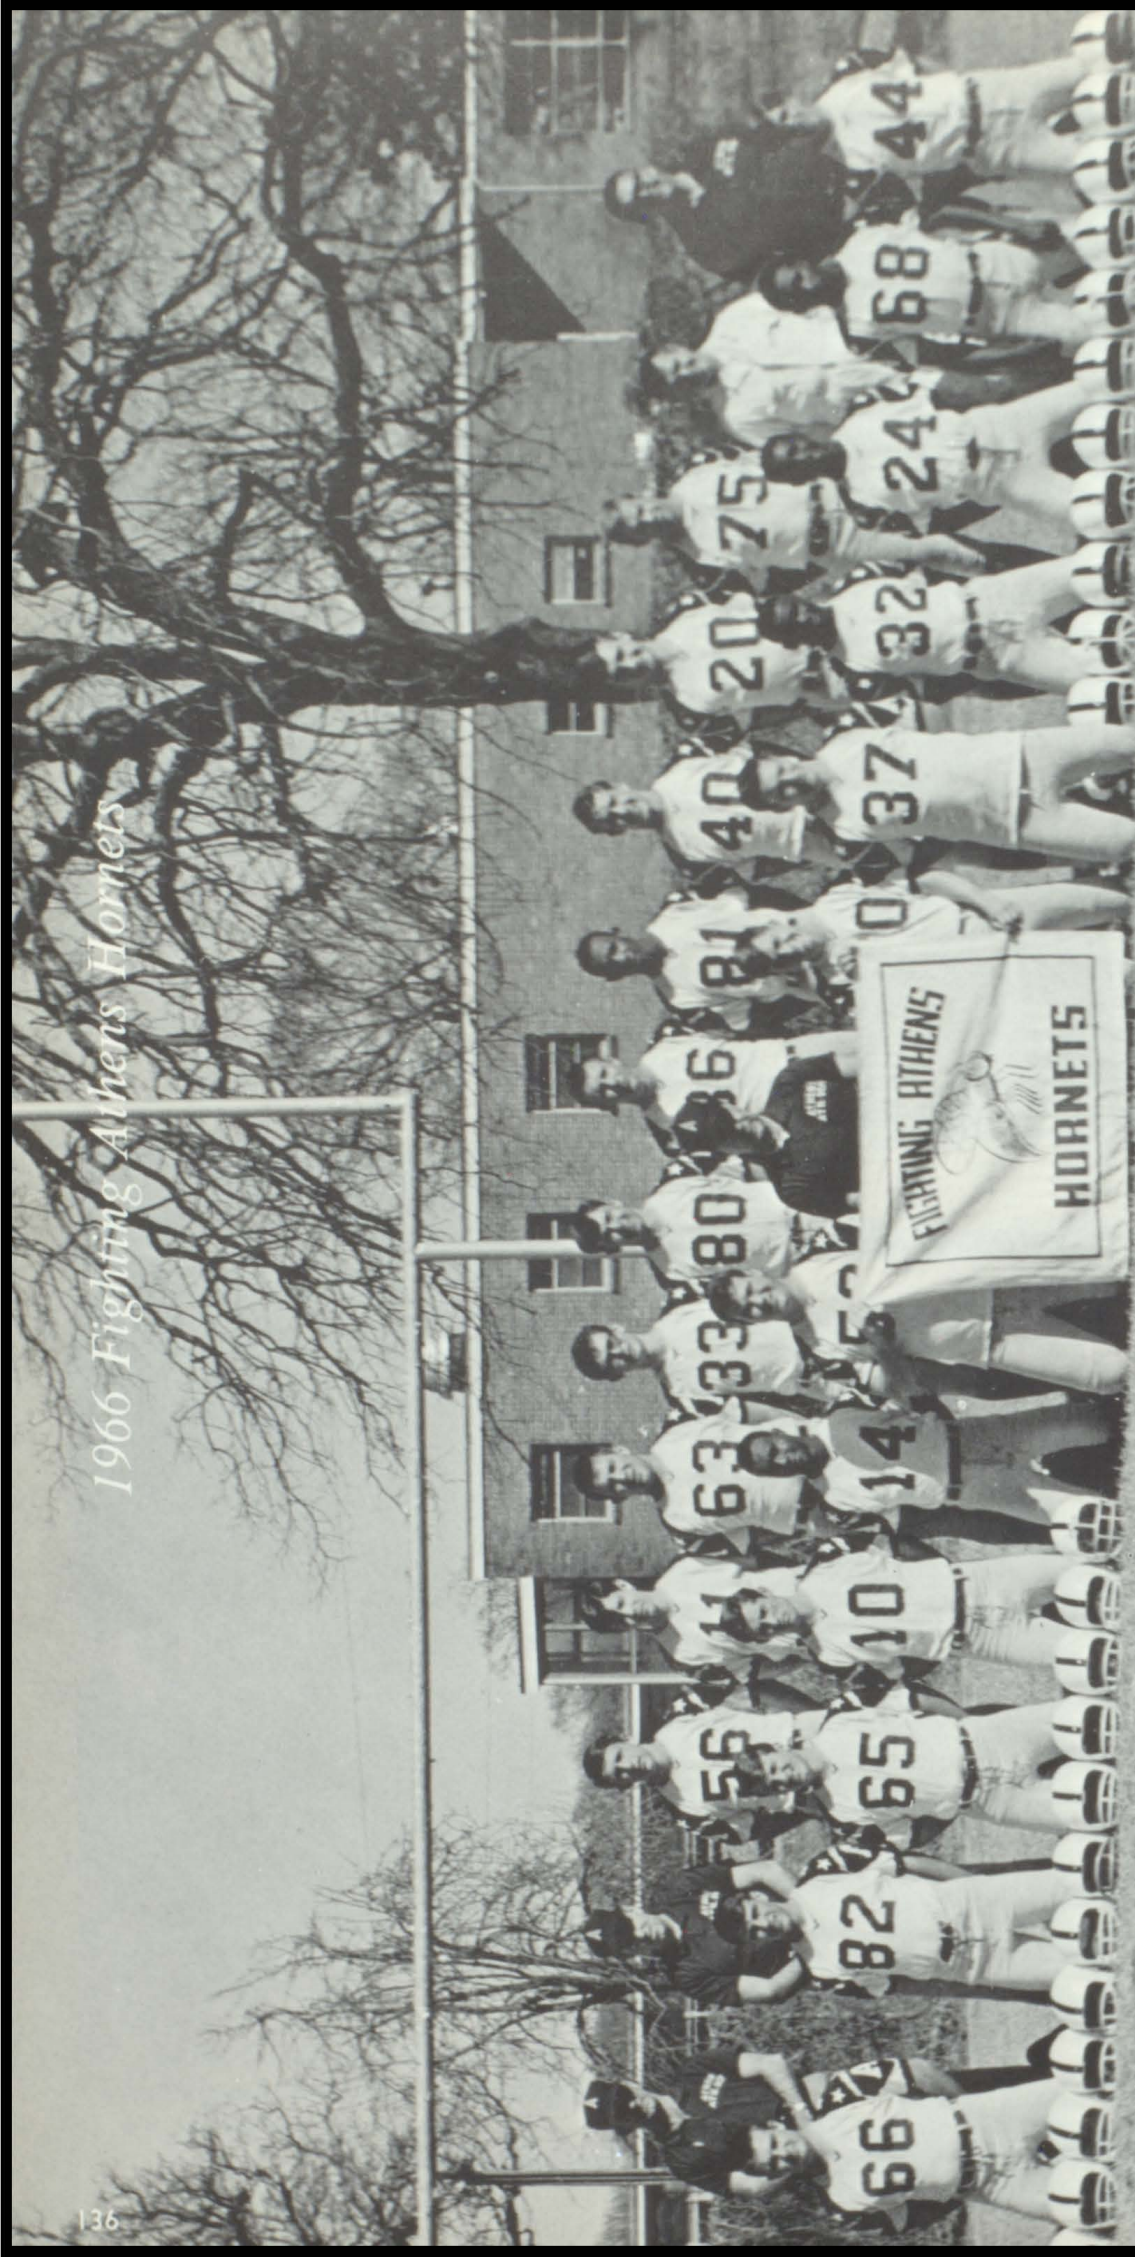

A determined Hornet defense held the Indians to only 196 total yards. Outstanding on defense were O'Shaughnessy, James Jones, Gary McGregor, Charles Hawn, Bill Murphree, and "Punchy" Hamerick.

GREAT BLOCKING, GREAT RUN

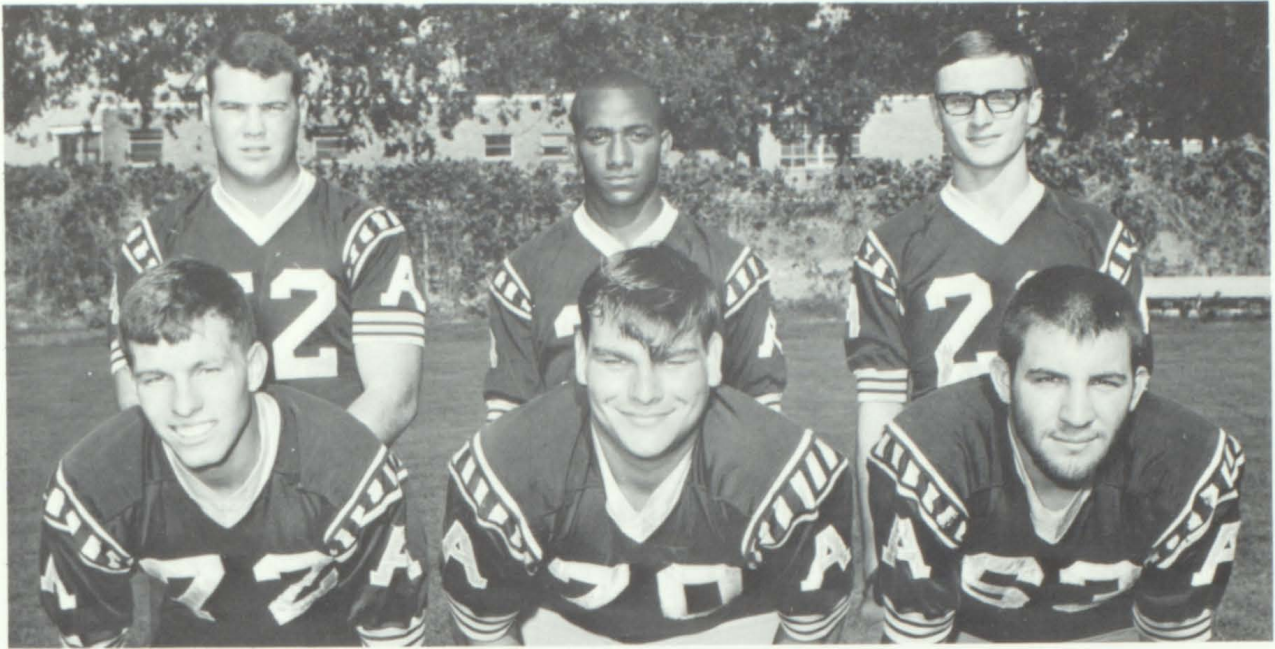

1966 Fighting Athens Hornets

8-AAA District Co-Champs

## *All District-All State Players*

## ENNIS

The hustling Athens Hornets fought off a strong bid by the aggressive Ennis Lions in the 4th quarter and went on to take a 63-54 victory in a District 8-AAA game played before an estimated 200 fans.

The Hornets hit for 41.9 per cent shooting effort against the Lions, connecting on 22 of 56 from the field. Randy Russell led the Hornets in scoring with 22 points, 18 of which came on shots from the field. "Sleepy" Brookins came in second with 18 points.

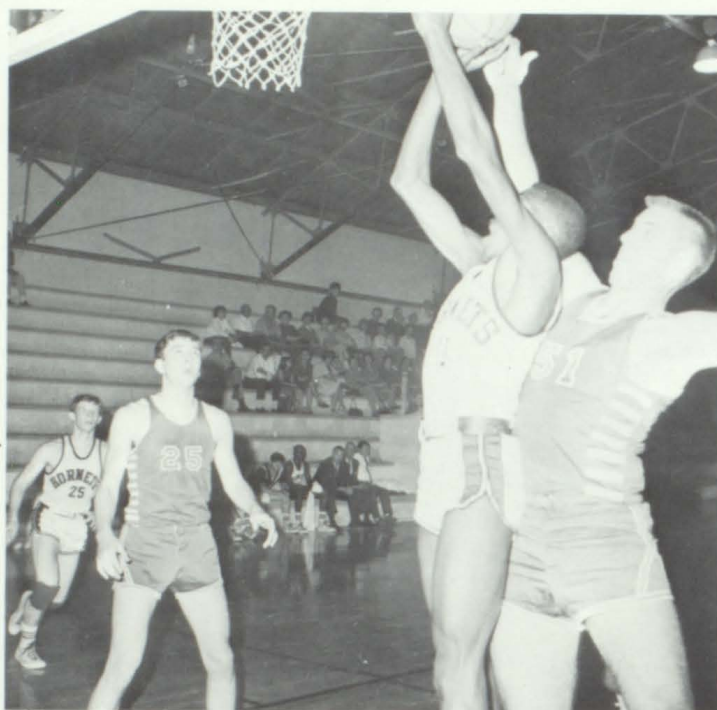

## ENNIS

Gary Fincher of Ennis led his team in a third-period rally to win the game 57-53. This victory knocked the Hornets out of the 8-AAA race. This loss left the fighting Athens Hornets with a record of 2-3 in District and 11-9 on the season.

Randy Russell brought in 20 points with Carl Dunklin sinking only 8.

## DUNCANVILLE

The Athens Hornets fell to the D'ville Panthers 64-46. The Panthers' superior height enabled them to dominate the boards most of the night. If a game could be wrapped up in one word that word is rebounds. Carl Dunklin was Athens' leading rebounder for the game. Randy Russell was Athens' leading scorer.

## TERRELL

Athens wrecks Terrell Tigers in District 8-AAA basketball with a 85-50 score. Randy Russell turned in a fantastic performance by scoring 34 points. Russell made his connections from all points on the court and connected for an amazing 15 of 19 goals attempted.

"Sleepy" Brookins came in second with 18 points. Charles Chambers was close behind with 11 points.

## TERRELL

Turning in a tremendous shooting effort from 15 to 25 feet away, the Terrell Tigers brought down the Athens Hornets 78-65 in a District 8-AAA game played on the Tiger court. William Brookins and Randy Russell led Athens in scoring with 29 and 24 points.

The Tigers and Hornets battled on equal terms until about mid-way of the first period. The Tigers were out front 42-38 in the final period.

## LANCASTER

The Hornets bowed down to the Lancaster Tigers in a nip and tuck game played on Lancaster's court. The lack of height hurt the Hornets more than anything else. With the loss of Charlie Johnson in the La Vega game, Athens had trouble stopping the taller Tigers. Randy Russell experienced one of his best nights of the year as he hit 14 field goals and 5 free throws for his 33 points.

## LANCASTER

An aggressive, determined band of Athens Hornets carried the fight to the highly regarded Lancaster Tigers every step of the way, but the invaders edged by 81-79 in a District 8-AAA game that was one of the biggest thrillers of the year. The Hornets used the full court press against Lancaster the entire game in an effort to offset the Tigers' skyscrapers. The Hornets remained close and they came in to overtime. With 4 seconds left on the clock they worked the ball to mid-court. The game ended with Lancaster having only a 2 point margin over Athens.

## WAXAHACHIE

The Hornets staged a rally come-back late in the fourth quarter, but the rally came a little too late. The Waxahachie Indians downed the Hornets 69-60.

Athens was hurt when one of its leading players, Carl Dunklin, fouled out. After this, Sleepy Brookins took over the high scoring position with 14 points.

## WAXAHACHIE

The Waxahachie Indians crushed the Hornets with a 72-43 victory, gaining them the District 8-AAA title. Athens stayed with the Indians until the third period when the Indians went on the warpath.

The Indians put in 25 points for the Hornets' 11 in the third quarter and 17 for 10 in the fourth. Randy Russell gunned in 7 field goals and 7 free throws for a total of 21 points.

## LA VEGA

The Hornets came alive in the second half to win 59-51 against La Vega. La Vega dominated the boards in the first half. It wasn't until the third period that Athens began to get the rebounds and move the score to a safe margin.

Charlie Johnson played an important part in keeping the Hornets in the game. He was high scorer with 19 points. Randy Russell came in with 11 points.

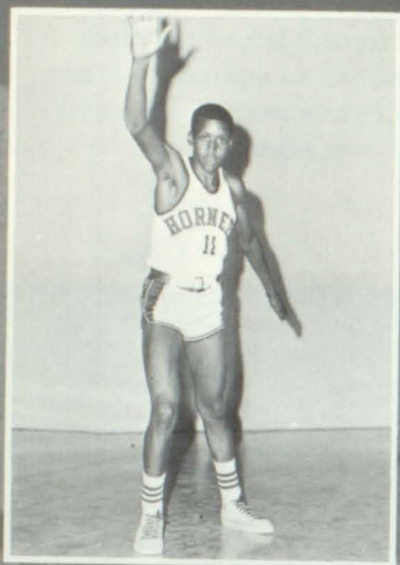

## LA VEGA

The Athens Hornets brought home a victory from Bellmead with a 60-50 victory over the La Vega Pirates in a District 8-AAA game. The Hornets led all the way, jumping off to a 4-0 lead in the opening minute of play. With 4 minutes left in the game, La Vega came within 6 points of Athens, but the Hornets soon extended their margin to 10 points.

## Basketball Junior Varsity

The Athens Junior Varsity Basketball team had a good year. Most of their losses can be attributed to games scheduled with varsity teams. Coach Ralph Sholars says that all of the boys have good potential and some will play a lot of varsity ball next year.

DARRELL DENMAN is 5' 10" tall and, although he lacks a great amount of speed, is an exceptional jumper.

BILLY HAMRICK is 5' 11" tall and what he lacks in speed and shooting is overly compensated for by his excellent defensive ability.

STEVE LANDIS stands 5' 11" and makes up for his lack of speed with his brilliant shooting.

REGGIE REGESTER is 6' 1" tall and makes a great showing with his exceptional rebounding and defensive abilities which overshadow his shooting ability..

MIKE SAYLORS stands 5' 11" and compensates for lack of speed with his good size and remarkable shooting form and ability.

NICKY SHOLARS is 5' 6" tall and makes up for his small size by being an outstanding shooter and ball handler.

FRED SUMMRALL, standing 5' 8" tall, is most valuable as an outstanding rebounder.

Season's Record: 2-10

The members of the 1967 Hornet Baseball Team are FRONT ROW: John Jones, Michael O'Shaughnessy, Fred Summerall, Fred Short, Joe Ben Westbrook, Joe Warren, Ron Rogers - BACK ROW: Coach Sholars, Mike Saylors, Johnny Jones, Mike Rutledge, Bill Swink, William Denton, Charlie Tidmore, and Randy Russell.

Ron comes in for a score.

Johnny brings in another score for the Hornets.

Other infielders are Ron Rogers, Fred Summerall, Joe Warren, and Bill Swink.

The infielders are John Jones, Mike Rutledge, and Joe Ben Westbrook.

The three pitchers are Randy Russell, Mike Saylor, and Johnny Jones.

Manager Joe Hester lends a helping hand to the outfielders Johnny Jones, Charlie Tidmore, Randy Russell, Michael O'Shaughnessy, Fred Short, and William Denton.

Mike Rutledge gets runner out on first base.

Members of the 1967  
TRACK TEAM

FRONT ROW: Coach Riddles,  
Danny Dyer, Fred Summerall,  
John Teasdale, Marlin Perkins,  
Ron Rogers, Joel Stegall BACK  
ROW: Thomas Williams, Steve  
Foster, Randy Watts, James  
Jones, Richard Sanders Billy  
Murphree, and Mike Gillert.

# ACTIVITIES

Hornets lead a full and active life . . . From fall until spring, they're off and flying through the busy life of extracurricular activities at A.H.S. . . . The immense vitality and high spirits of this energetic group are clearly demonstrated in the amount of constructive effort unchained when they give free flight to their creative talents in the enjoyment of leisure time.

The student body is pictured here "rootin'" hard for their team at one of the pep rallies.

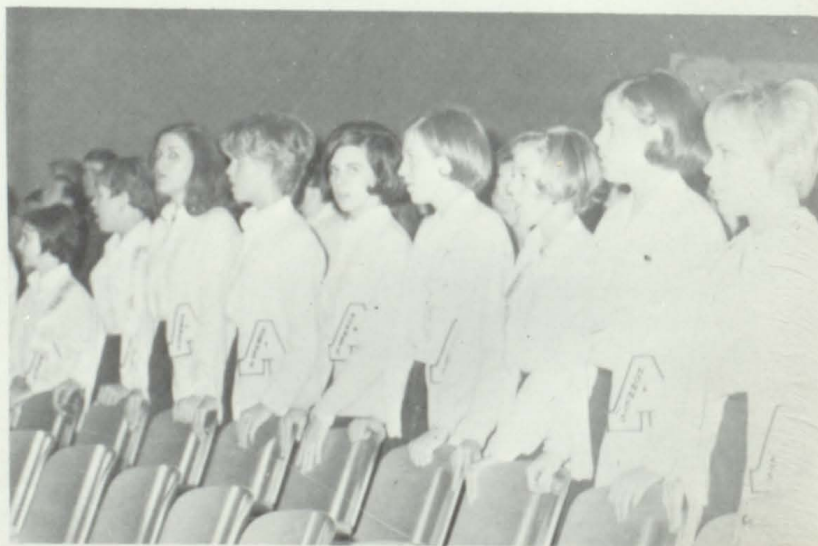

Rickey Swindle and John Wimberley, representing the senior band members, present Coach Hamrick with the victory torch before the Jacksonville game.

The spirit at A. H. S. was better this year than it ever has been. The whole student body and faculty came to the pep rallies to cheer our team.

At each pep rally the student body yelled louder than the time before. We owe the success of each pep rally to the cheerleaders, band, twirlers, and Hornettes.

Members of the Hornettes are shown in the true cheering spirit during this scene in the Terrell pep rally.

Cheerleaders - Lynda, Lanell, and Susan - support the team by urging everyone to come to the pep rally.

## *Pep Rallies Boost School Spirit*

The cold night finds these girls with high spirits and great enthusiasm.

Mr. Downing directs as the band plays at the pep rally.

Another pep rally is started off in the right way with the students of AHS cheering enthusiastically as the football boys and coaches file into the auditorium to their seats.

## *Band Follies*

These are saints?

Back line of what?

As I was saying...

What happened to the Lights, boys?

Que quiere!?

Darn Microphone!

"Hey, you in the cheap  
seats, COOL IT"!!

## *A.H.S. Presents Various Assemblies*

We had some fine assemblies this year. They ranged from scholastic, with the National Honor Society induction, to humorous, with the ventriloquist.

The student body enjoyed each one very much.

Here Bobo the magician shows Steve Richards and Dan Sharp how to make bottles disappear.

"Isn't he brave?" This reptile was shown at close range.

Members of the audience squirmed in their seats when this Boa was presented and discussed in a science assembly.

This ventriloquist presented a very humorous and enjoyable program.

Junior Princess, Ann Condieff, is presented in the Halloween Carnival court with her escort, Larry Anding.

Sophomore Princess, Dianne Gregg, was presented in the Halloween Carnival. Her escort, Bill Hamrick, is not pictured.

Seniors Susan Douglas and James Jones were crowned Queen and King of the Halloween Carnival during festivities that climaxed the fun-filled evening.

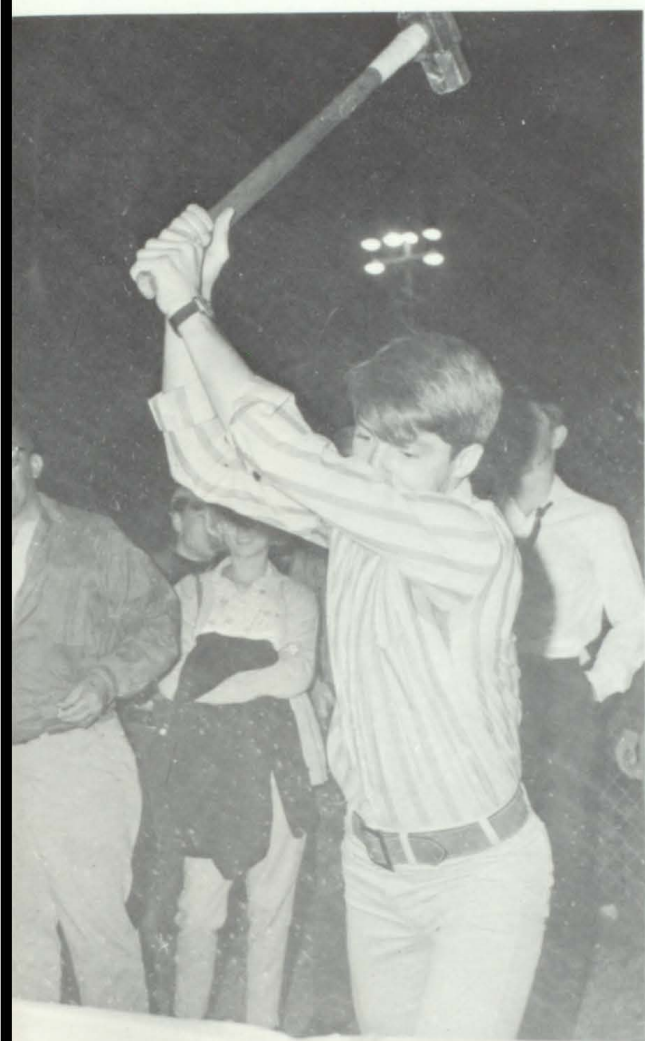

## *Coronation Climaxes Halloween Carnival*

Freshman Princess Shirley Daniel, escorted by Gary Foster, is presented in the court at the Halloween Carnival.

Susan O'Shaughnessy and Judy Rutledge watch unbelievably as the young dart throwers outdo the older ones at the dart game during the Halloween Carnival.

Coach Dressel seems to be waiting impatiently as he watches Bill Bethel strike a blow at the car bash during the gala evening of the Halloween Carnival.

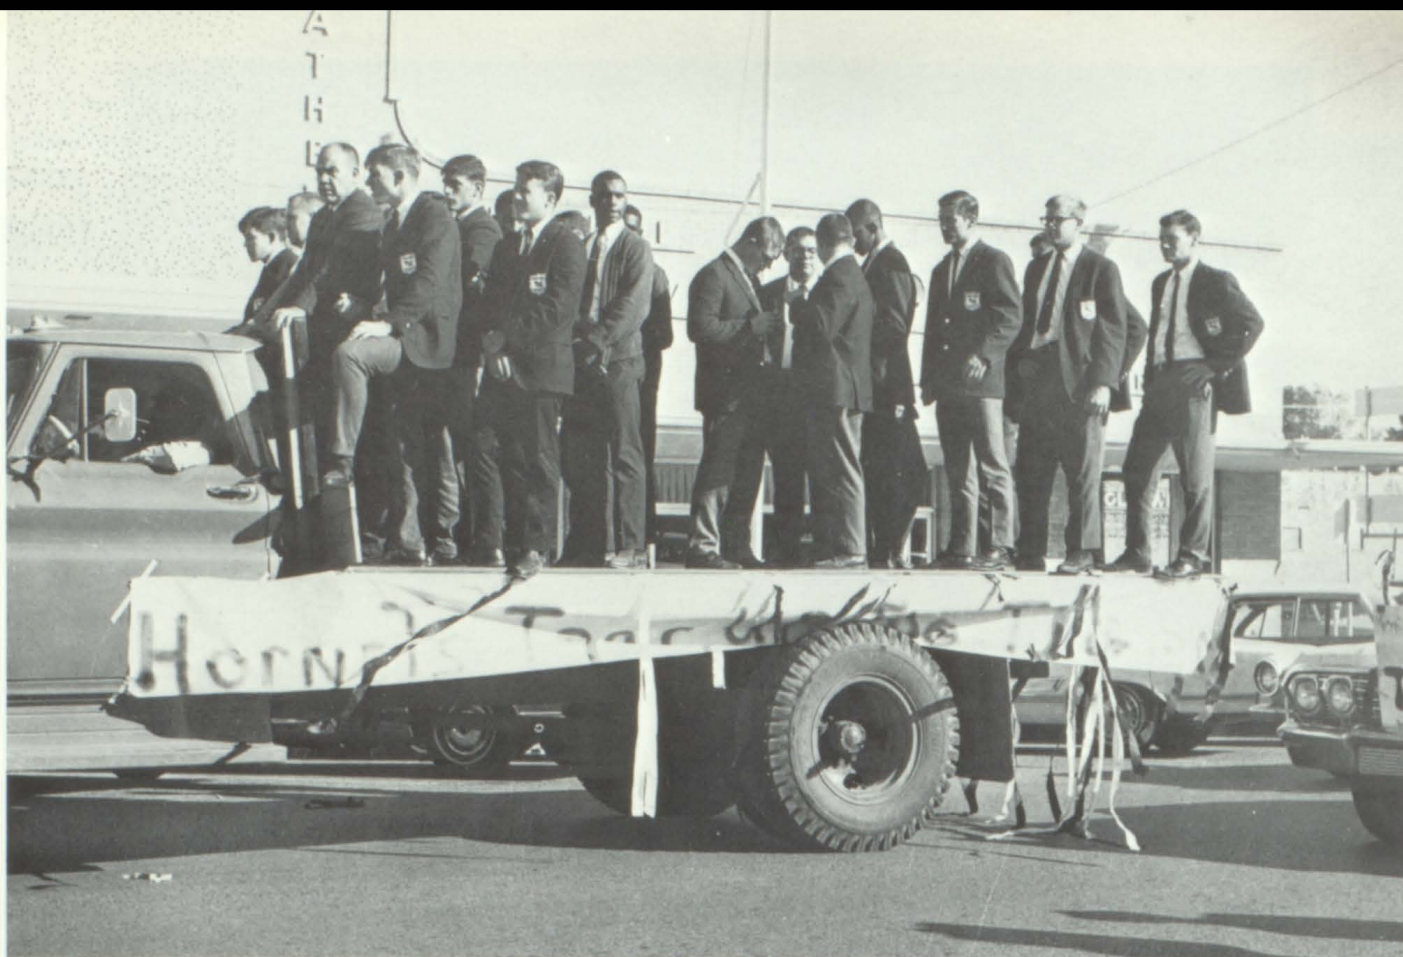

"Reverend" Fred Sumrall gives a word of whole-hearted approval to prospective candidates for marriage at the Halloween Carnival marriage bureau. Karen Wilbanks and Larry Weisinger witness.

Mrs. Ellis enjoys helping youngsters "fish" for a surprise at fish game booth.

Here the football boys are pictured as they rode in the Homecoming parade.

Both students and citizens are shown here cheering at the downtown pep rally.

The cheerleaders did a fine job at this pep rally.

"How's the hunting, boys?" Daton Thomas and Rickey Swindle sing THEIR HUNT song to build spirit before the Homecoming game.

## *Parade Boosts Homecoming Spirit*

Homecoming activities were kicked off with a downtown pep-rally and parade on October 28, 1967.

The crowning of Homecoming Queen, Betty Boswell, took place at Bruce Field just before the game. Nominees included Lanell Hays, Susan Douglas, Lynda Palmer, and Pat Richardson.

The Fighting Hornets met the Terrell Tigers for this game. The Hornets swept the field for a victory of 7-0.

Everyone enjoyed the reception in the cafeteria after the game. The entertainment was furnished by the "Livin' Ends."

The candidates for Homecoming Queen are pictured here after coming off the field. Betty Boswell was elected by the football boys as the 1966-67 Homecoming Queen.

Everyone enjoyed the dance in the cafeteria after the game.

The F.T.A. did their share in the Homecoming parade.

## *Mardi Gras Is Theme Of Junior-Senior Prom*

So far the people in this picture seem fairly fresh.

The Shantells furnished the entertainment for the evening.

Everyone who attended the prom enjoyed it thoroughly.

Juliaann Powell, Billy Ezernack, Beverly Cartwright, Joey Glider all look pretty beat by now.

The Junior Class gave the annual Junior-Senior Prom May 12, in the Student Union Building at Henderson County Junior College. The theme was "An the Mardi gras." Entertainment was furnished by the Shantells.

The decorating committee did a beautiful job carrying out the theme with balloons, streamers, and a huge dragon.

The 1967 Junior-Senior Prom was a great success. It was a prom that the seniors will always remember.

"Surprise! Surprise! Surprise!" Tommy Maxfield is an ARTIST?

Mrs. Underdown supervises while Janet Murry counts streamers.

Ken Downing seems to be comfortable.

"Just think of all the classes you're missing, Johnny."

"What is this?" Prissy Caldwell pins up the dragon.

## *Seniors Honored*

The following honor graduates were recognized at the Senior Day Assembly. BACK ROW-- Betsy Oliveria, Mike Rutledge, Connie Giles, Dianne Stone, Kay Goodgame, John Parrott, Gloria Hunter. FRONT ROW: Wendell Phillips, Nolan Jensen, Larry Bass, Linda Williams, Marilyn Walker, Deborah Burnett, Linda Basher

Activity Award Winners were presented with certificates at the Senior Day Assembly. FRONT ROW: James Jones, Karol Holmes, Yvonne Fincher, Larry Bass, Addie Pierce, Marilyn Walker, Dian Stanford, Janette Price, Randy Russell, Deborah Dillard, Wanda Barnett. MIDDLE ROW: Paula Newbill, Phillip Walker, Joanna Lewis, Betsy Oliveria, Mike Rutledge, Dianne Stone, Betty Boswell, Kay Goodgame, Janet Brown, Suzy Hallum, Tommy Gibbs, Patsy Westbrook, Gayla Gross, Kathy Calhoun. BACK ROW: Mike O'Shaughnessy, Charles Hawn, Garry McGregor, Eugene Buford, Jerry Johnson, Annabelle McGuffey, Susan Douglas, Lynda Palmer, Billy Murphree, Bill Newcomb.

## With Assembly

The graduating Seniors were honored by Athens High School in a Senior Day Assembly on May 18, 1967. The proceedings began with the processional which was then followed by the various Senior activities - Class Prophecy, Class Will, and Class History. During the assembly the award winners and the honor graduates were presented to the audience. The assembly ended with the playing of the recessional and a LOUD Senior yell.

"Walk, don't Run!" Senior Day started with glum faces.

## Senior Play and Cast

"Boys and Ghouls Together" was presented by the Senior Class of 1967 on May 17 at 8 p. m. in the AHS auditorium.

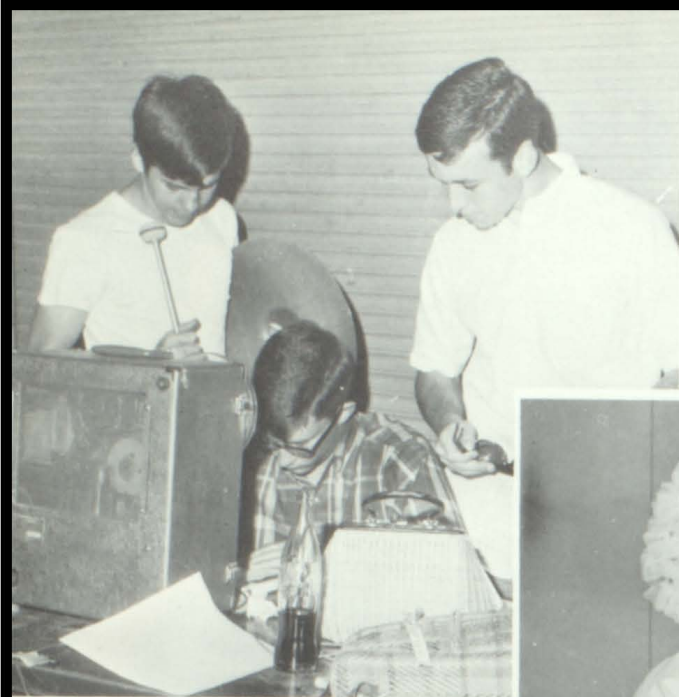

This ghoulish three-act comedy parodies the ghoulish family life of Count Dracula. Among the family's many eccentricities are found all manners of humorous and weird beliefs and actions.

The plot centers around the entire family's intense desire to get their beloved Dirga married to the supposedly rich Buddy Ford. During the progress of the play, all sorts of happenings occur. And, in the end, Dirga marries a magician known as the Marvelous Marvelini.

The Senior Play cast enjoyed their time off.

Tommy Sharpe is engrossed with the activities of two members of the sound effects crew, "Tim Beard and Mose Trimble.

"Oh, that tickles!" Janette Price and Bobbi Chaney demonstrate the art of applying make-up.

Kay Goodgame skillfully applies make-up to Patsy Westbrook.

## *Production of Senior Play*

James, the Butler, is heavy-handedly showing his disapproval at this shocking scene of modern advancement.

The plot thickens! Will he stay or will he go?

## *Baccalaureate*

The Baccalaureate service for the 1967 Seniors was held at the AHS auditorium on May 21 at 8 p.m.

The invocation, given by Rev. Curtis Mathis, was followed by a scriptural reading by Rev. Edwin Michael. Rev. Chad Murray's sermon centered around "Facing Youth's Goliaths." The sermon reviewed the past and previewed the future of the graduating Seniors.

Following the sermon, Rev. William Rogan delivered the benediction.

During the playing of the recessional, some of the Seniors began to realize that the following Friday would be Commencement and the end of 12 successful years.

The Seniors listen attentively at Baccalaureate.

These Seniors pose for the camera like natural "hams."

Each Senior anxiously awaits the BIG moment.

## *Seniors Receive Diplomas*

Approximately 166 members of the Senior Class of 1967 were graduated at the Commencement Exercises held at the Henderson County Junior College Gymnasium on May 26.

Connie Giles, second high-ranking Senior, delivered the salutatory address. The valedictory address was given by Mike Rutledge. Principal Mr.

Tom Brown presented awards to both Connie and Mike.

The Seniors were presented as candidates for graduation by Mr. Brown to Mr. J. R. Lowe, who then formally pronounced the Seniors to be graduates of AHS. Mr. W. A. Hawn gave out the diplomas.

After Commencement Exercises, Seniors headed for the Armory for a dance that lasted until 3:00 a.m., when breakfast was served.

# *ADVERTISING*

As Hornets fly high with initiative and ability, so do the business men and women of the community abound in versatile talents and services. These Hornet supporters are motivated with the American spirit of free enterprise and a strong will to bring about fair play.
