Upperclassmen, lowerclassmen, it didn't  
seem to matter.

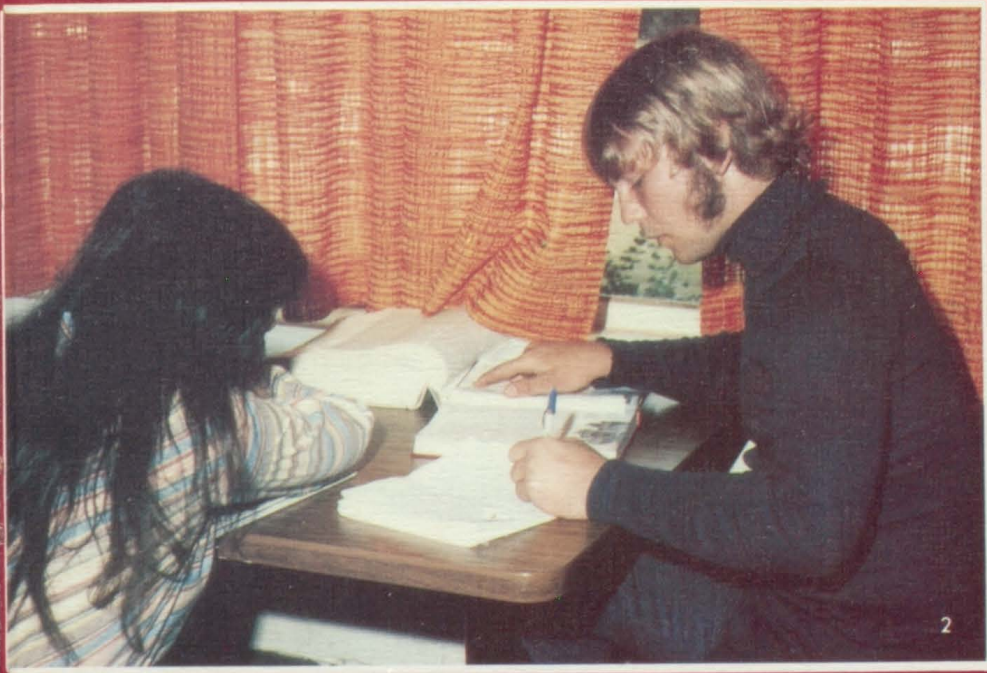

Students mingled, made friends, enjoyed  
each others' company.

Many interests, many backgrounds but all  
came under the same name - Hornets.

Carefree but caring . . .

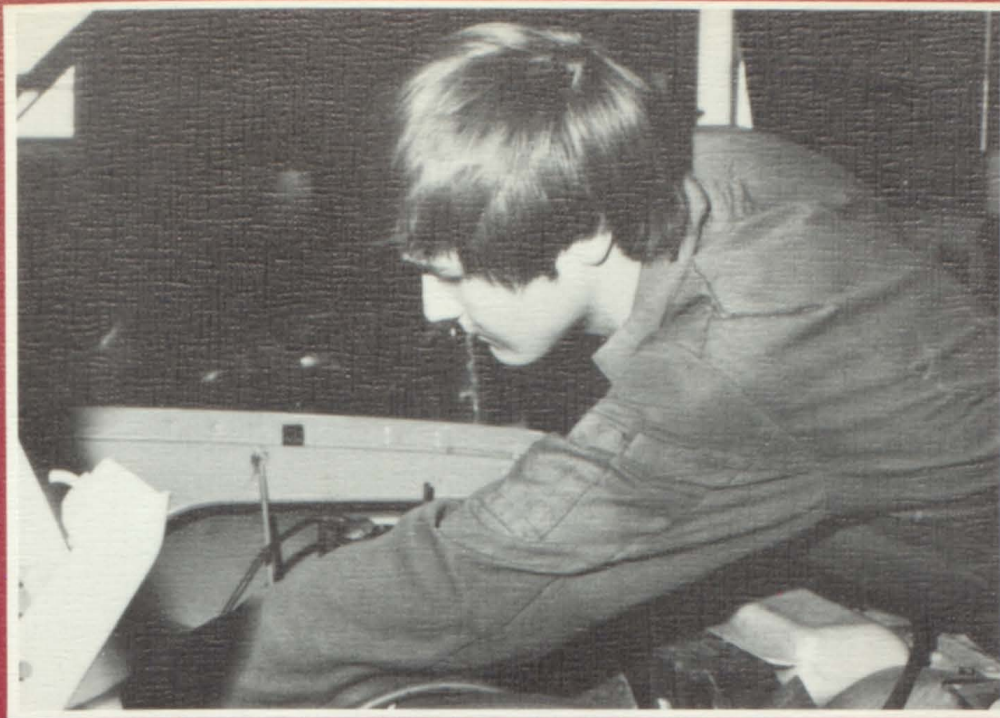

1. Stingerettes join the varsity squad in "Battle Cry." 2. Mary Ann Britton and Tony Tolbert visit while writing English research papers. 3. World History keeps the attention of sophomores. 4. The weigh-in gives classes a chance to compete.

AHS was many things to many  
people  
Not just learning, not just  
grades  
school provided activities,  
friendships, values.  
AHS gave us unity.

Carefree but caring . . .

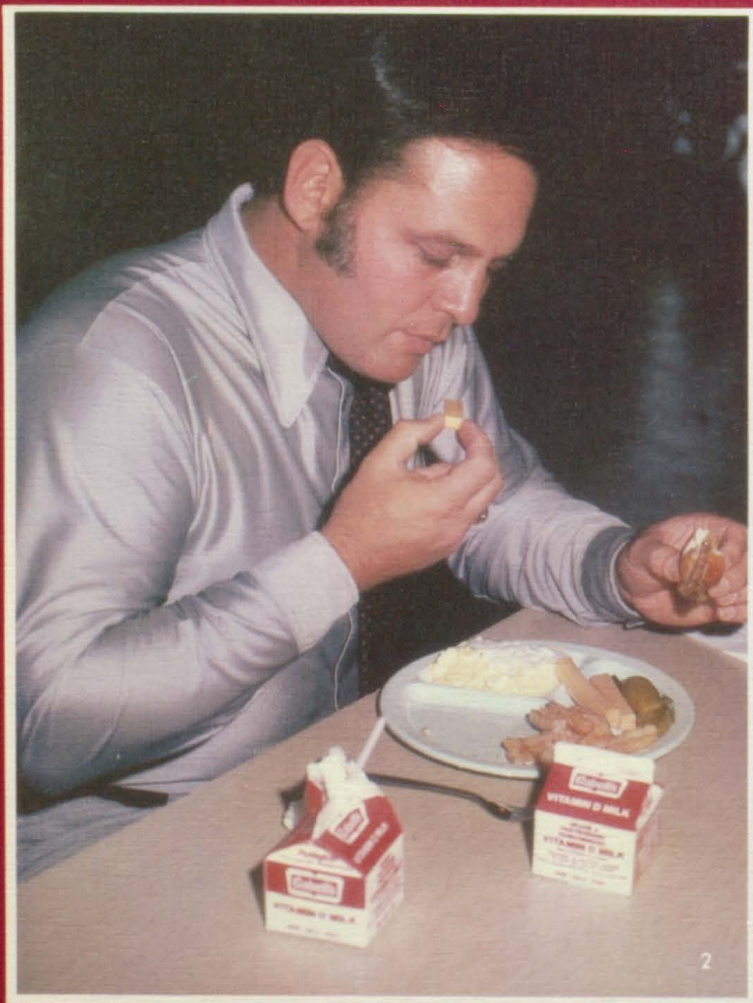

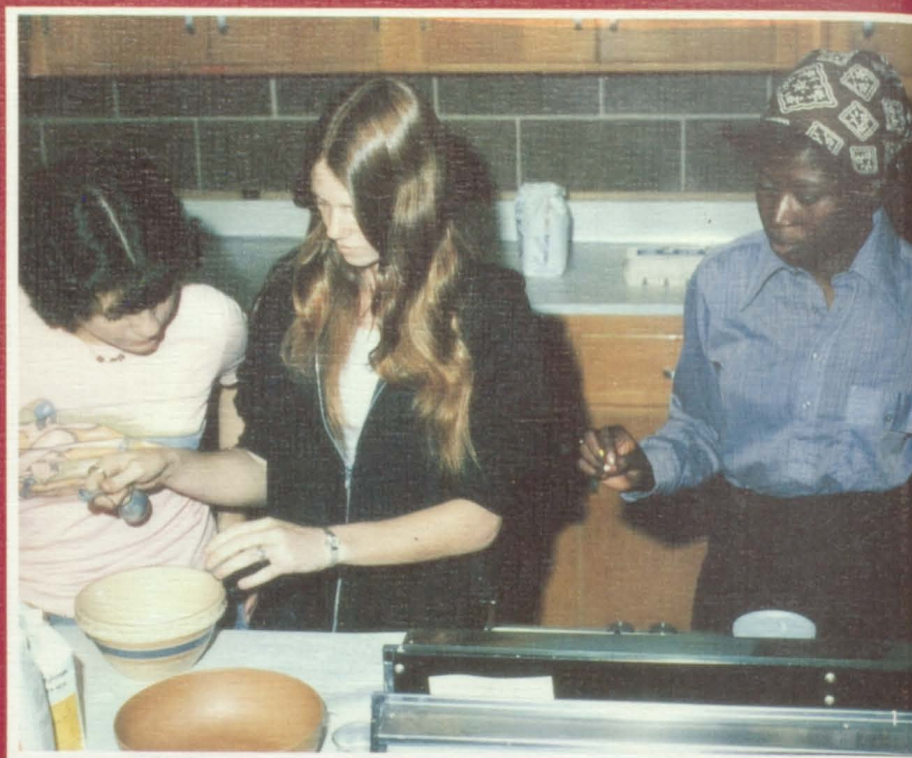

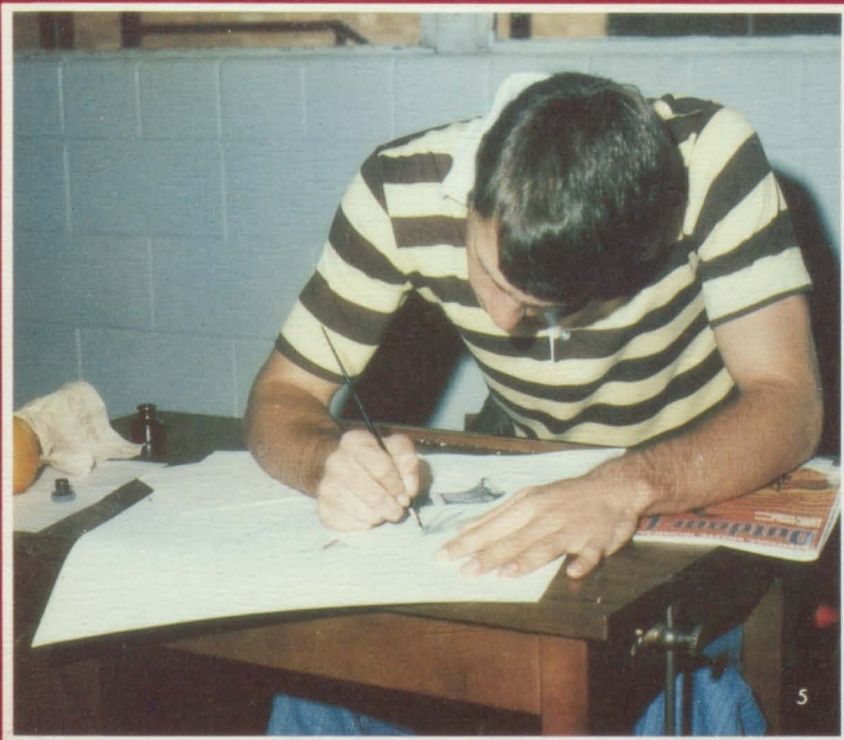

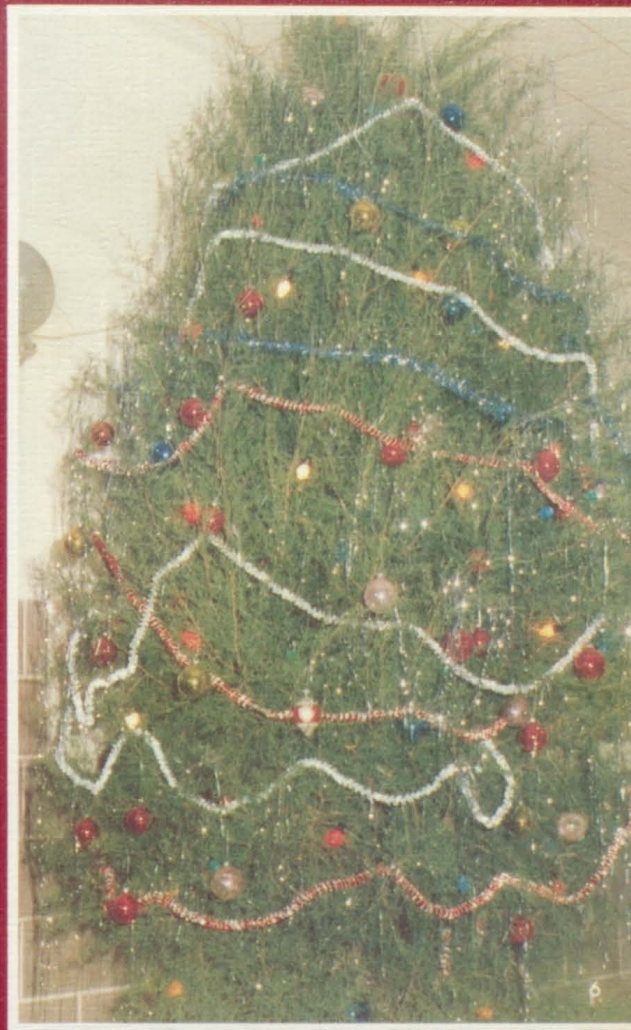

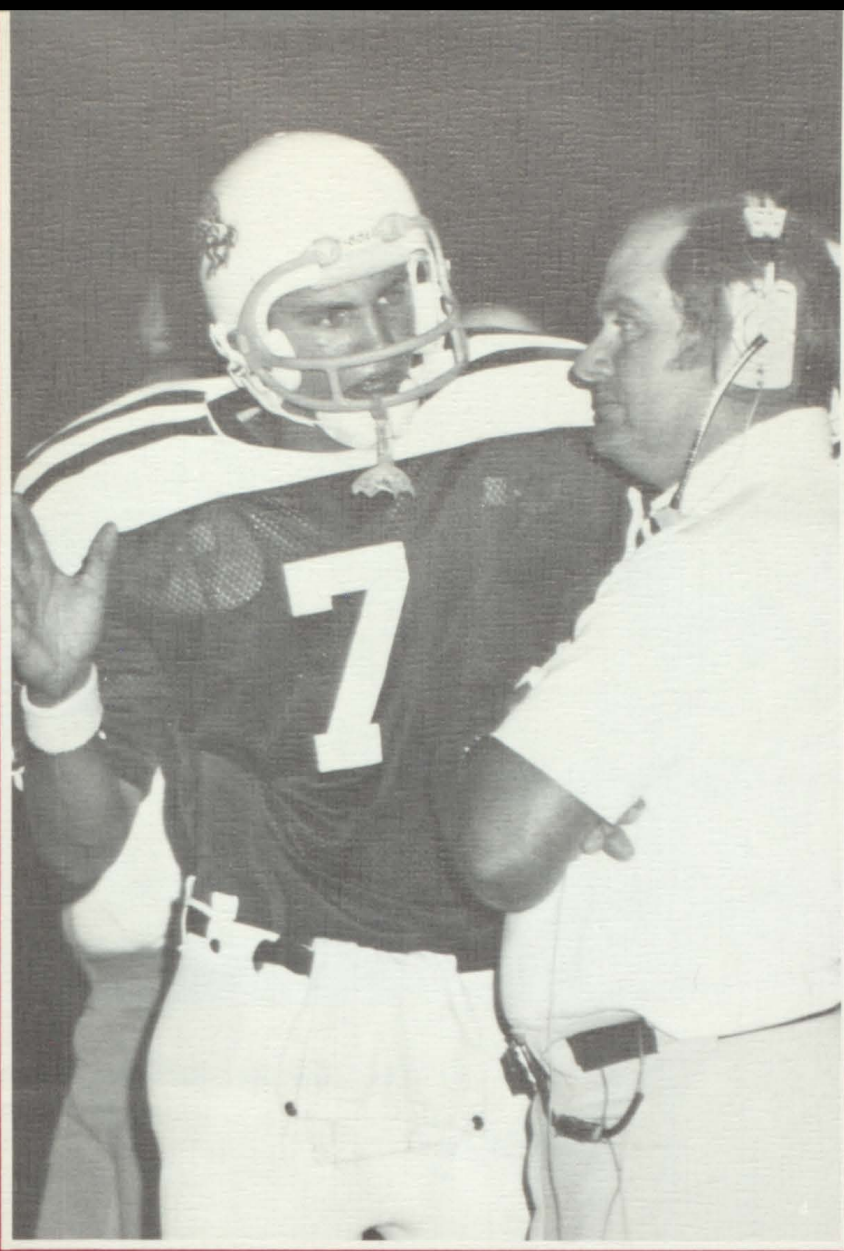

1. Joe Henderson, Drew Douglas and Marc Tidmore share a happy moment as the Hornets trounce Hallsville. 2. Ricky Hill, Johnny Vandiver, and Randy Reeves prepare an experiment in Chemistry Class. 3. Steve Mitchell checks the brake fluid in his car. 4. Stingerettes Sheri Wheeler, Mary Ann Britten, and LaDonna McLendon boogie to "Blow your Whistle."

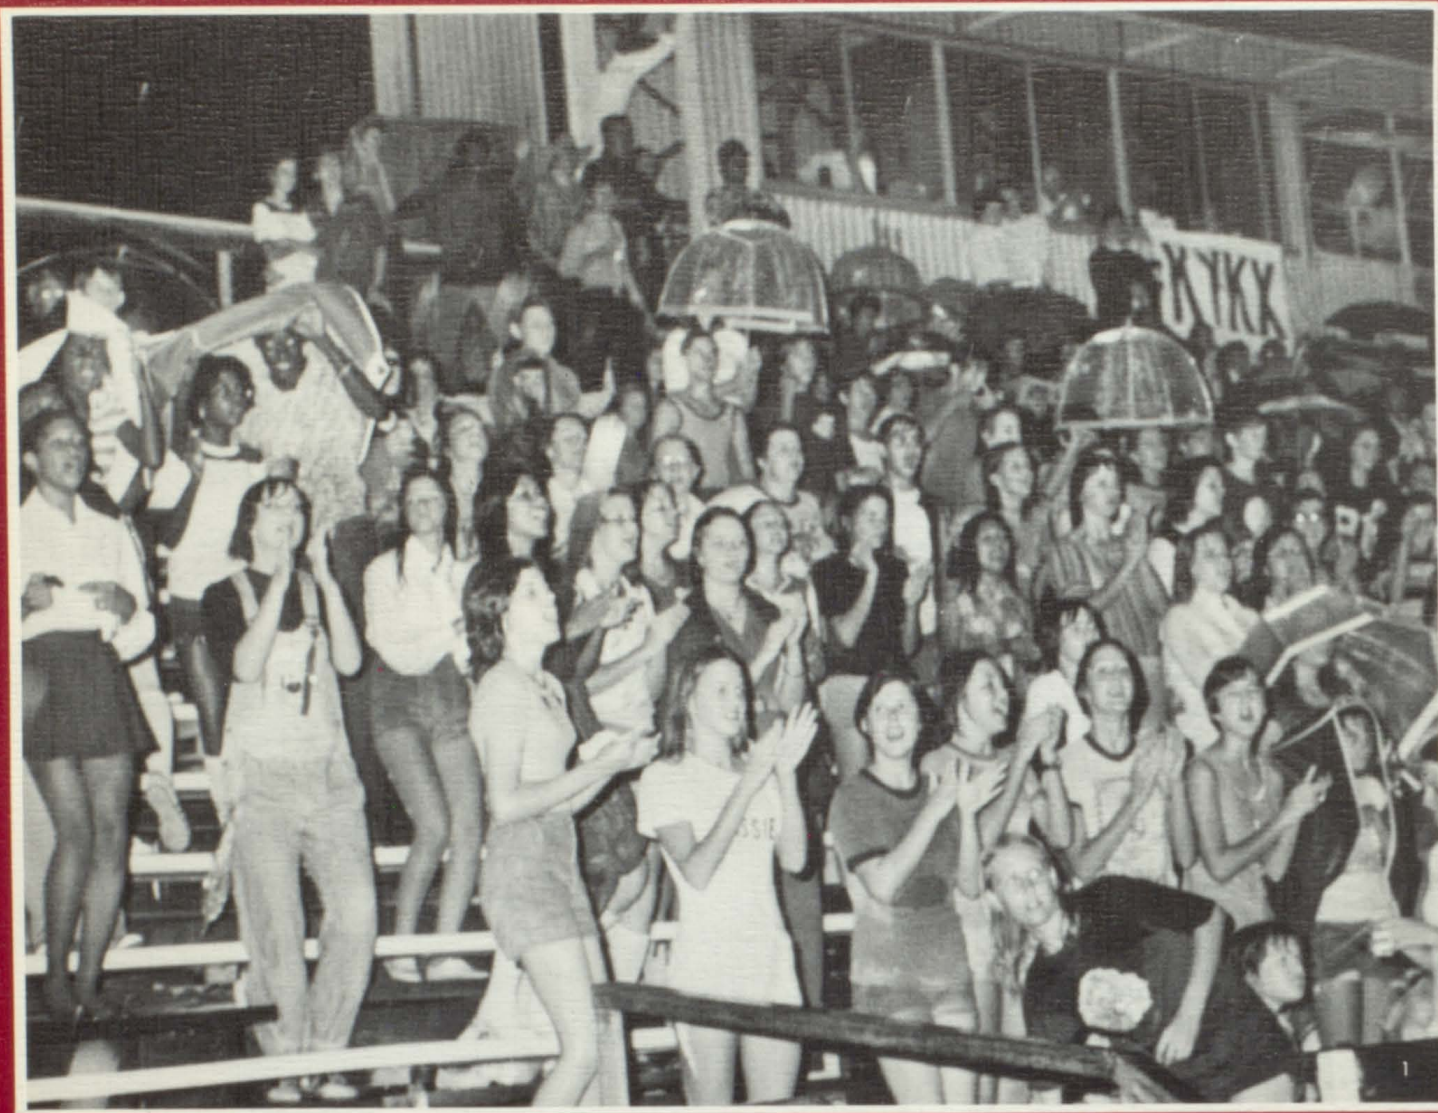

The year was a good one overall  
Not a record-setter, but an easy-going series of experiences.  
Students reflected that atmosphere in tolerance, concern, and mutual acceptance.

Carefree but caring . . .

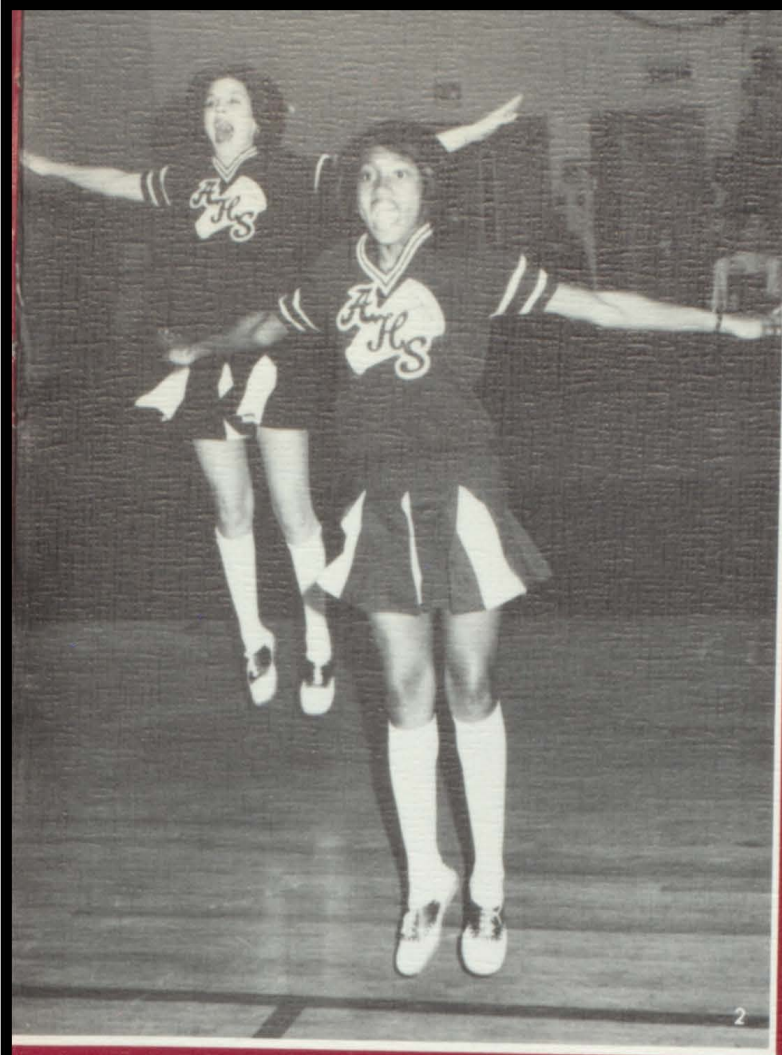

1. Micki Ricks, Lisa Bell and Gloria Johnson ponder a new recipe. 2. Friday hamburgers are a favorite of Mr. Bob Stolusky. 3. Money draws lots of attention as the weigh-in progresses. 4. "What to do" is considered by Ricky Hardin and Coach Paul Woodfin. 5. Jon Ramsey concentrates on a pen and ink drawing of a duck. 6. Christmas decorations were provided by the Student Council.

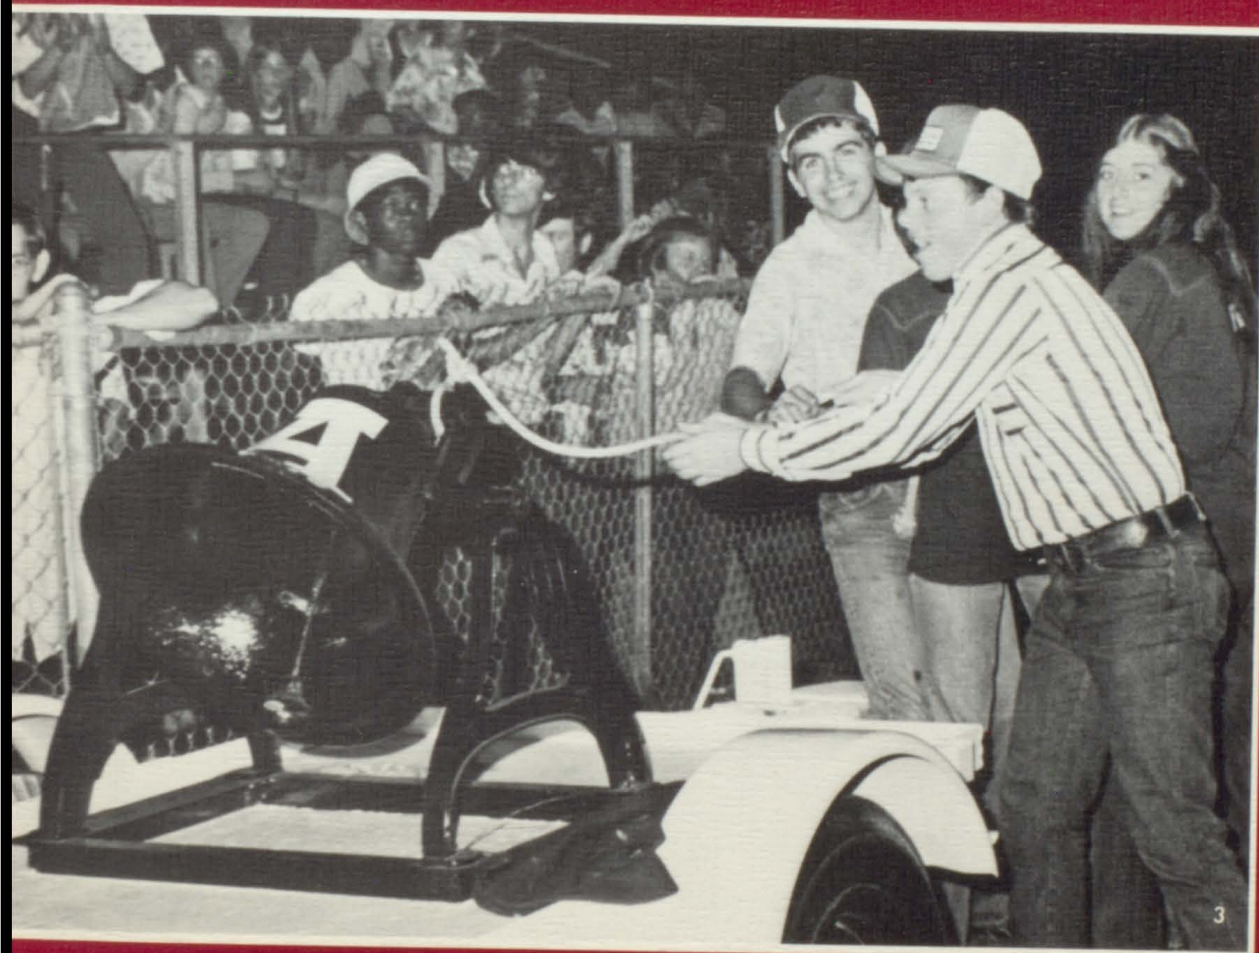

1. Devoted fans cheer on the Hornets in drenching rains at Pine Tree. 2. Diana Dunnington and Trish Tanner try to arouse some enthusiasm at the Palestine basketball game. 3. Kirt Kluth, Liz Humble, and Harold Hawkins ring the victory bell as the Hornets score.

As a whole, those who were here in  
1976-77 witnessed a  
Unity not always present in a student  
body.  
Cooperation, trust, sharing were  
common.  
Hostility, tension, self-centeredness  
were rare.

## *Student Life*

Despite newspaper accounts  
of student riots across  
the nation,  
Despite reports that  
teacher strikes closed  
other schools,  
AHS enjoyed an atmosphere  
of relaxed friendliness.  
Students played together,  
marched together,  
learned together,  
laughed together.

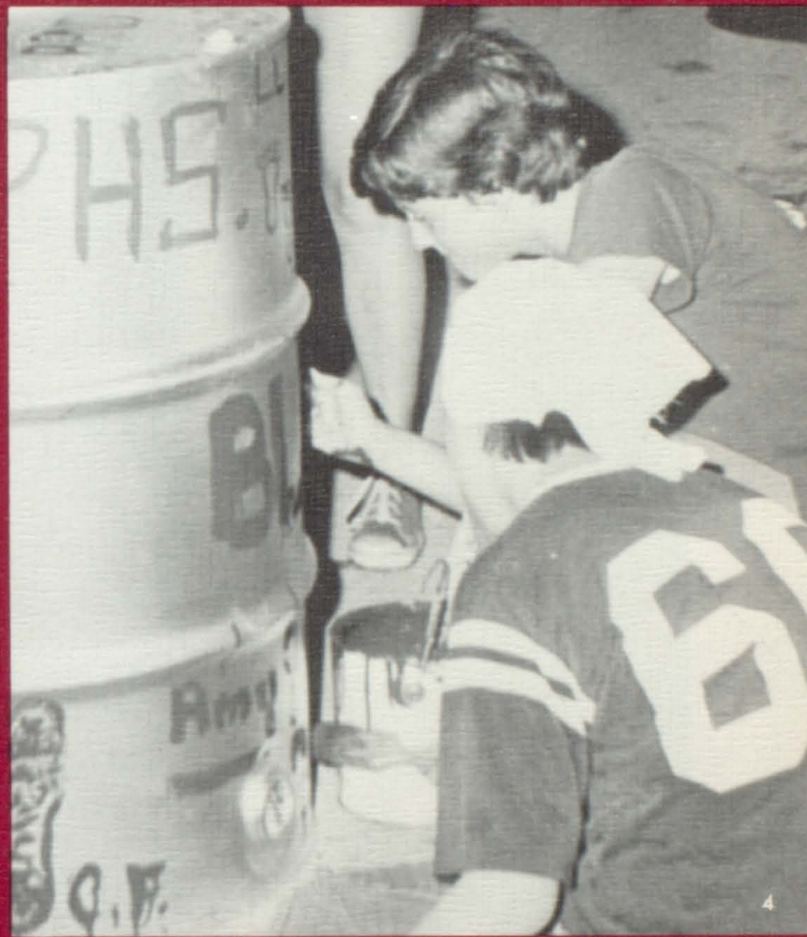

Carefree but caring . . .

1. Tacky Day inspired many extraordinary costumes. Joe Dan Perkins and Ronnie Ricks pose outside the Mechanical Drawing room to show off theirs. 2. Debra Turner plaits Freddie Paul's hair just before the end of fifth period class. 3. Dressed to keep warm at the bonfire pep rally, Anita Johnson and Mollie Houston join in a spirited yell. 4. As part of a band project, Louann Laird and other sophomores paint litter barrels to be used at Bruce Field.

Cheerleaders get a head start by sponsoring an afternoon pep rally during the first week of school. Dancing to "Boogie Fever" are Diana Dunnington, Reka Murphree, Kevin Elliott, Janet Dowell, Marla Allen and Kerry Harvey.

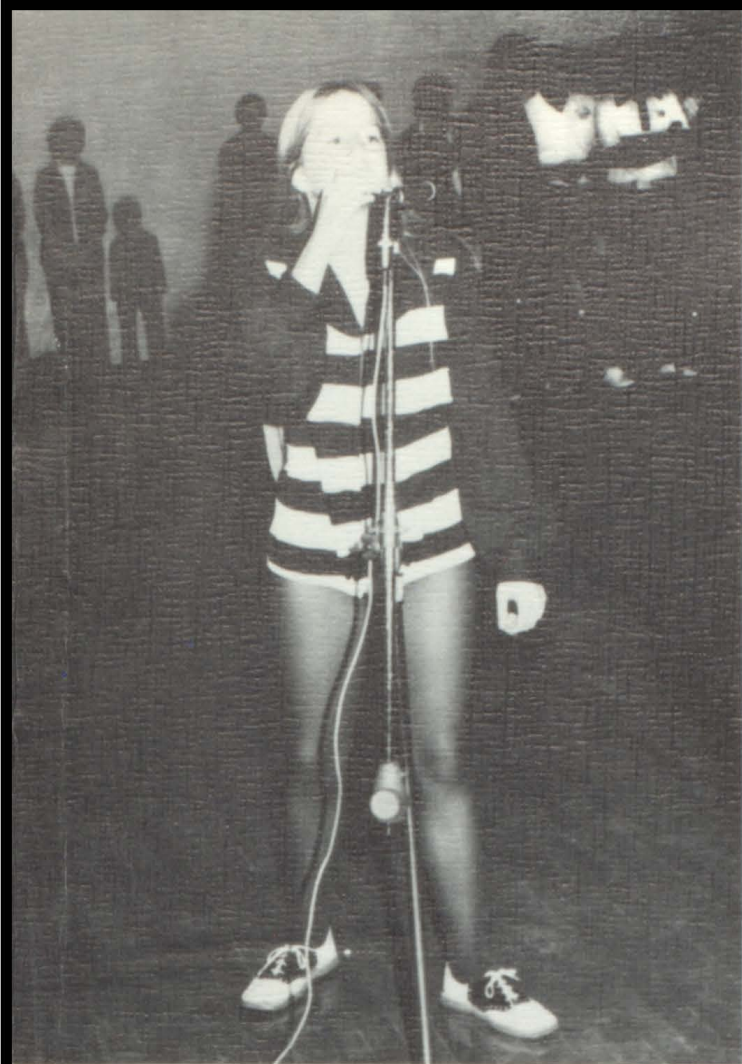

The junior class shows creativity along with spirit by waving signs to show enthusiasm.

## *Rallies Promote Spirit*

Colorful signs and the chanting of yells in the halls were two ways which the student body found to promote spirit. Although pep rallies were only scheduled for football season, spirit remained throughout basketball, baseball and spring sports.

A bon fire, victory march and afternoon pep rallies were also ways in which Hornet fans showed their enthusiasm.

Gail Paroline, RaDonna Womack, Dameta Brown, Nita Colley and other members of the band do their part of supporting the Hornets.

Hornets Ricky Hardin and Steve Gideon join in a yell with other Hornet supporters.

## Rain Dampens Homecoming

Homecoming spirit started early in the week with the "weigh-in" sponsored by the cheerleaders. Later in the week there was a bon fire pep rally, the lighting of the victory torch and an all-night walk around the courthouse by senior band members.

Friday afternoon's parade was canceled because of rain. However, the judges of the floats were sent to the different locations for the judging. The seniors were awarded \$30 for their first place entry.

At gametime bad weather persisted, and all pre-game activities were canceled. The bad weather seemed to have some effect on the game itself as the Hornets fell to the Palestine Wildcats 29-0.

Renita Crayton was named Homecoming Queen during post game activities in the HCJC ball room.

Gary Bristow and Jeff Williams provided recorded music for the dance.

Working to finish the junior float are Ellen Marsh and Jody Lemons. The float featured a large maroon Hornet and was awarded second place by the judges.

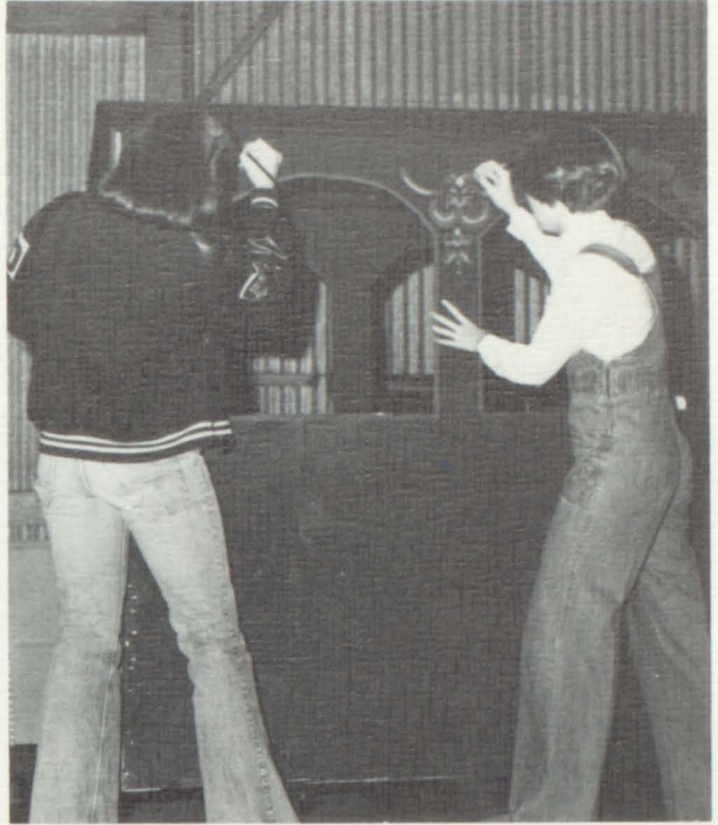

Participating in the bon fire pep rally are Hornets Freddie Paul, Kenneth Session and Roy Andrews. The rally was exuberant but did not produce a win the following night.

Band president Jim Johnson carries the victory torch to announce the beginning of the Homecoming festivities.

Putting finishing touches on the senior float are Reka Murphree and Cheryl Buchanan. The Senior class float won first place.

Silhouetted against the bonfire, cheerleaders Reka Murphree, Kerry Harvey, Kevin Elliott, and Trisha Tanner lead the student body and other Hornet supporters in a yell. The bonfire pep rally is a tradition at AHS.

## *Assemblies Break Monotony*

Students enjoyed time away from classes as they attended informative as well as entertaining assemblies.

Enjoyed by all was the two act play "Lizzie Borden of Fall River," presented by the Speech II class. The play was the first of its kind to be seen at AHS.

Other assemblies included two book reviews, sponsored by the library Club, NHS induction, Band Follies, cheerleader tryouts and the NHS movie, "Fall of House of Usher." The hit of the year was a variety music program by the Mesquite High School Chorale.

At top, students and fans encourage the Hornets as they take an 11 to 4 win over the Canton Eagles during the baseball assembly.

Singing a duet during the daytime show are Susan Ward and Cheri Foster. The girls sang "In Your Loving Arms."

Mike Reynolds, Kristen Mathes, Randy Reaves, Kevin Elliott and Janet Douglas pay no attention to Jon Ramsey as he babbles incoherently in the comedy skit "Doctor Jon."

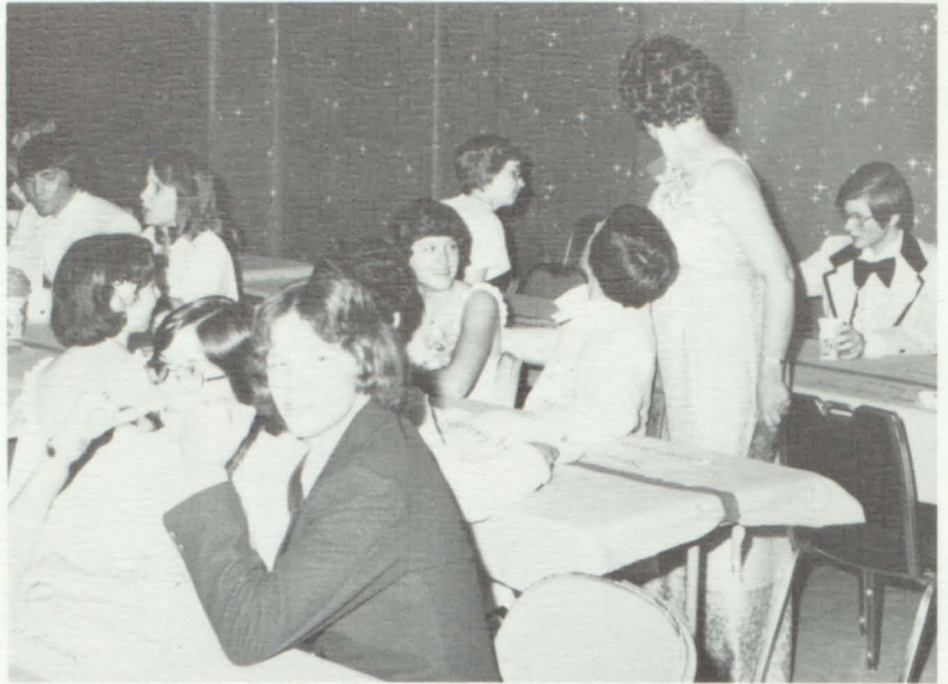

Eating, drinking, talking, and resting are just some of the other ways students found to occupy their time at the prom.

## *Prom Enchants Seniors*

The 1976-77 year was highlighted with the traditional prom on May 6. Juniors chose the theme "Stairway to Heaven." The HCJC ballroom was decorated to match the theme.

The juniors provided a change this year as they served fresh fruit and exotic punches during the dance instead of a continental breakfast afterwards.

Faculty and honored guests were greeted at the door by the junior ushers. Seniors and their dates enjoyed dancing to the sounds of "Whirl Wind."

After an exhausting time on the dance floor, seniors, juniors and their dates crowd around the refreshment table where fresh fruit and punch were served.

Cherie Foster and Donnie Wylie concentrate on the music as they dance to the tunes of "Whirl Wind."

Junior Ushers John Owens and Julie Adams take their turn on the dance floor at a busy night of preparing food and greeting guests.

Kevin Elliott and Ricky Hardin take advantage of a slower-than-usual song to rest while they dance.

Willie Royall and Lillie Henderson take time to pose during a dance which they obviously are enjoying.

## *Seniors Take On New Roles*

Seniors chose from among their class 118 students to represent them on Senior Government day. City and county officials set aside one day for the students to come in and take over their positions. They learned as well as experienced the responsibilities of some of the city and county officials.

The traditional departmental awards in English, History, Science, and Math, Art, Home Economics, Auto Mechanics and vocational classes were received by honored students.

Members of the basketball, baseball and track teams were recognized along with varsity cheerleaders and majorettes.

At left, not only were the seniors caught in the excitement but in some cases they were caught up in each other as is demonstrated by these two classmates.

## *Academics*

Nothing more serious than research papers, major tests, term projects.

For the most part, we did what was expected and progressed accordingly. A casual atmosphere prevailed, even in the classroom.

Learning, in most cases, was not painful.

Hornet defenders Elbridge Davis, Jon Ramsey, Joe Dan Perkins, and Marc Tidmore combine efforts to put the stops on a Hallsville Bobcat.

## ***Bobcats Burned, 17-0***

The season opener saw the Jacksonville Indians disgrace the Hornets 18-0. Jacksonville's first possession accounted for 6 by way of an 11 play, 67 yard drive. At the end of the second quarter the Indians were 6 points richer with a halftime lead of 12-0. Jacksonville nixed Athens' attempts to capitalize on eight Indian fumbles and put another six on the board. Athens threatened twice in the fourth on two fumble recoveries by Johnny Vandiver. Ken Session supplied the total offense of 75 yards, including four catches for 44 and 11 carries for 31.

The second game of the season established Athens in the win column as they defeated Hallvilles' Bobcats 17-0. Athens 329 yards total offense was impressive to Hallville's 94. Athens' first score resulted from a 34 yard field goal by Joe Dan Perkins. Later in the third, Steve Gideon blocked a Bobcat punt. Nine plays and 55 yards later Athens led 10-0.

A fourth quarter fumble recovery by Roy Andrews set up the Hornets' final touchdown drive. Again the magic number was nine with James Johnson scoring on the final play from five yards out.

## *Victories Elude Hornets*

Pine Tree overcame the Hornets in the second half to the tune of a 23-15 win. A Pine Tree fumble opened the door to Athens' first score by way of Ken Session. The Hornets later grabbed a 12-0 half time lead when quarterback Ricky Hardin took it in from the one.

The second half spelled doom for the Hornets, however. The Pirates scored on their first three possessions and finally on a safety. Athens' final score resulted from a 34 yd., field goal by Joe Dan Perkins.

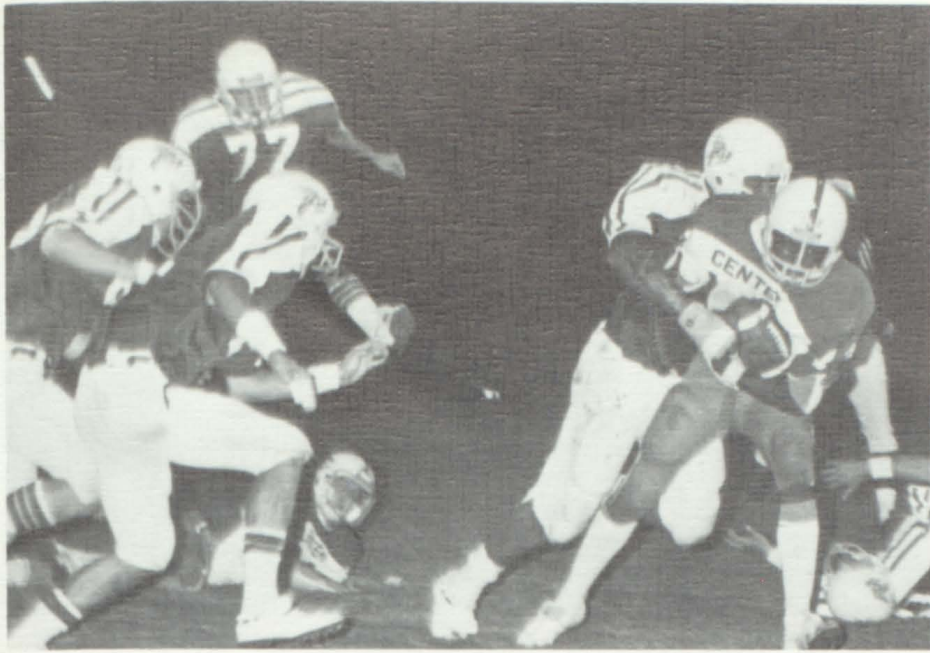

Jon Ramsey recovered a Henderson fumble on the second play of the game to set up Athens first score, an eleven yard run by Freddie Paul.

## Hornets Split Wins

With almost two minutes left in the first quarter the Hornets blasted 60 yards in 5 plays. Quarterback Ricky Hardin drove it in from the one. The 2-point try by the Hornets fell short leaving Athens behind 8-6. Kilgore's explosiveness gained them another TD on a 49 yard pass play. With 2:12 remaining in the half the Bulldogs led 15-6.

A 51 yard drive in the middle of the 3rd quarter gave the Hornets their final score. James Johnson accounted for 28 of the 51 yards and 6 of the 7 points. Joe Dan Perkins' PAT narrowed the gap to 15-13. Kilgore with about 8½ minutes left in the game, tacked on a final 7, for a 21-13 finale.

## *Battles Prove Futile*

Fumbles and pass interceptions helped Crockett to a 21-14 win over Athens. The Bulldogs' first six came as a result of a Hornet fumble in the first period. Crockett then picked off a Hornet pass and promptly moved downfield for 8 more.

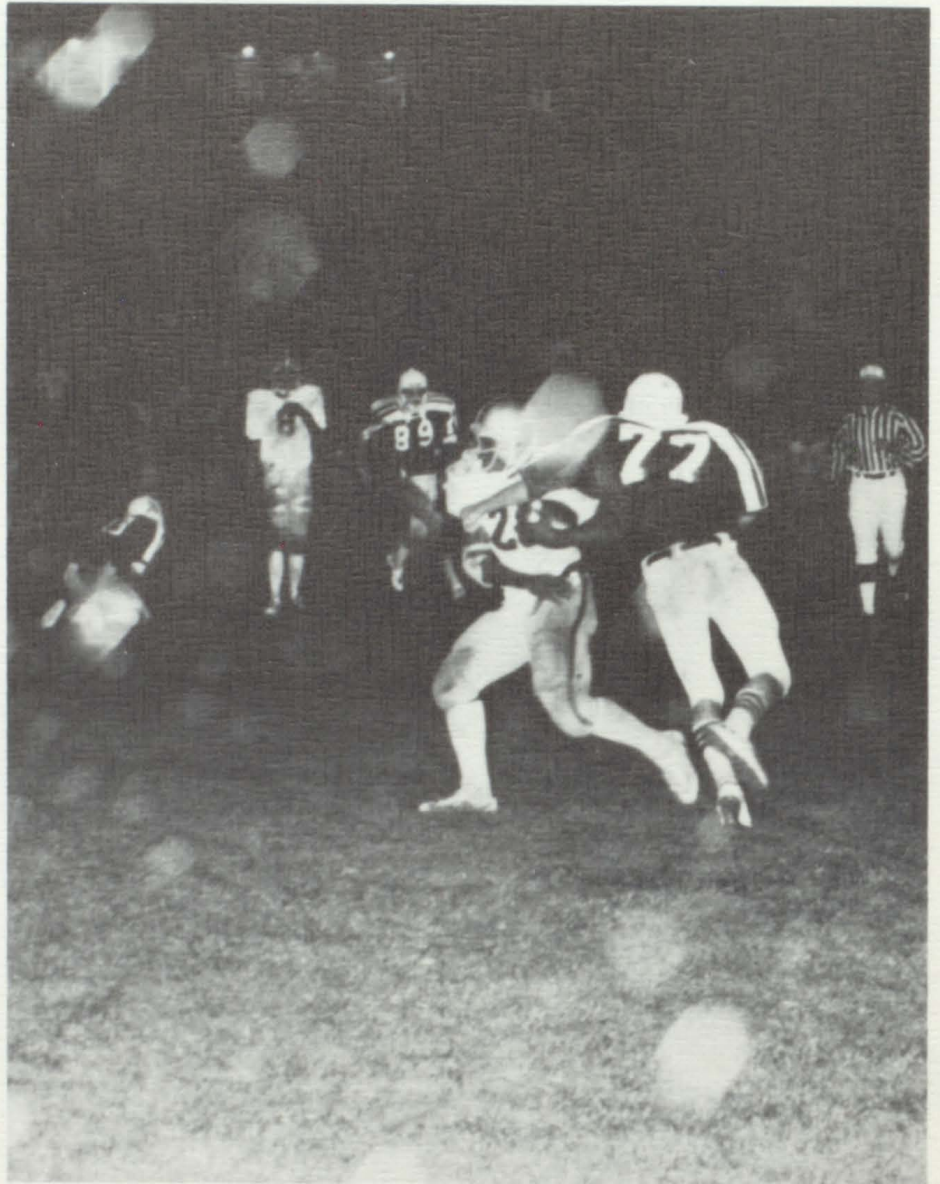

A Bulldog fumble was recovered by Trey Dyer 2 yards out of the endzone. Ken Session charged two yards to decrease the Bulldog lead to 14-6. Mike Leonard set up the Hornets' second score when he intercepted a pass. Session got the ball again and the score was tied 14-14.

Following a last ditch effort by the Hornets the Bulldogs needed only 3 plays to set the final score at 21-14.

Athens was unable to score at all and mustered a mere 53 yards total offense. Palestine scored on drives of 90, 4, 49 and 73 yards, running up 367 yards total offense and a 19-0 victory.

Although the score indicated otherwise, fine efforts were turned in by Hornet defenders Steve Andrews, Drew Douglas, Steve Gideon, Joe Dan Perkins, Daniel Williams and Steve Roberts. Also outstanding was Gary Bristow's punting which held a 47.1 yard average for the night.

Tailback Freddie Paul's efforts prove futile as he is greeted by a wall of Bulldogs.

Defender Jody Lemons (77) puts the brakes on a Palestine Wildcat.

Quarterback Ricky Hardin (7) tacks on yardage in the Hornet's 26-12 romp over the Chapel Hill Bulldogs.

A 23 yard strike from Ricky Hardin to Mike Leonard gave the Hornets their next score early in the third. Session and Hardin gave the Hornets their final points with each scoring 6 and 8 respectively. Session's 134 yards put him at the 1023 yard mark for the season with one game remaining.

The Hornets shone brightly in the season's final game defeating the Bulldogs of Carthage 31-14. An outstanding effort was turned in by the entire team, but Ken Session's was the most brilliant. Session rushed for three touchdowns and 270 yards setting a school rushing record of 1293 yards for the season. Also noticeable were quarterback Ricky Hardin's 79 yards of offense and one touchdown and Joe Dan Perkin's 32 yard field goal and four straight extra points.

# SAVING TIPS

## on electric air conditioning

Air conditioning provides lots of comfort during the summer months, but for many thousands of homeowners it is also the biggest factor in the cost of electricity. On the average, air conditioning accounts for about half of summertime electric bills.

Here are ways you can hold down the cost of air conditioning and still enjoy its comfort.

### Central Systems

1. Set thermostat on 78°, or higher, during the summer. Turn unit off if you'll be away from home several days.
2. Keep equipment at top operating efficiency. Have it checked seasonally by qualified serviceman.
3. Check filter every 30 days. Dirty filters cause equipment to use excessive electricity. If filter is permanent, clean by manufacturer's directions; if it's disposable, it should be replaced when dirty.
4. Keep furniture, draperies away from air outlets and returns. Clean grills often.
5. Close draperies and blinds to keep out direct sunlight.
6. Keep fireplace damper closed.
7. Proper home insulation keeps the heat out, cuts energy use. Insulation questions? Call TP&L.
8. Shade on roof and walls can reduce energy needed to cool. But trim trees, shrubs away from outside compressor unit. Keep it free of leaves, debris. If air flow is blocked, unit uses more energy.

9. Weatherstrip doors and windows; caulk cracks to prevent drafts and cool air loss.
10. Keep windows closed. Open outside doors as little as possible.

### Window Units

Follow above suggestions, plus these:

11. Buy units with *highest* "energy efficiency ratio" (EER). Uses less electricity to cool. If EER is not on sales tag, ask for it or figure it yourself. Divide "wattage" into "BTU" capacity. Both figures are on unit.
12. Place unit where it'll get as little direct sun as possible.
13. Aim air outlets at lower half of doorway to next room to allow warm air from that room to enter at the doortop for recooling, recirculation.
14. Never vent air conditioner into garage. Ventilation is usually too poor for top performance of your unit.

Conserve electricity and you help conserve one or more of the fuels needed to produce it. Conserve fuels and you help assure that there will be enough to meet essential needs for electricity in the future.

When you pass a TP&L office, warehouse, generating plant or other facility, you'll see that we've turned off all non-essential lighting. And, in as many other ways as possible, TP&L is reducing its own uses of electricity.

*If you would like additional information on conserving electricity, call the Customer Service Representative in the TP&L Office.*

## *Carter Elected President*

Democrat Jimmy Carter, former Governor of Georgia, was inaugurated President of the United States in January. The 39th President pardoned Vietnam draft evaders and cancelled funding of the B-1 bomber.

In Utah, Gary Gilmore was executed by firing squad, the first person to receive the death penalty in the U.S. since 1967.

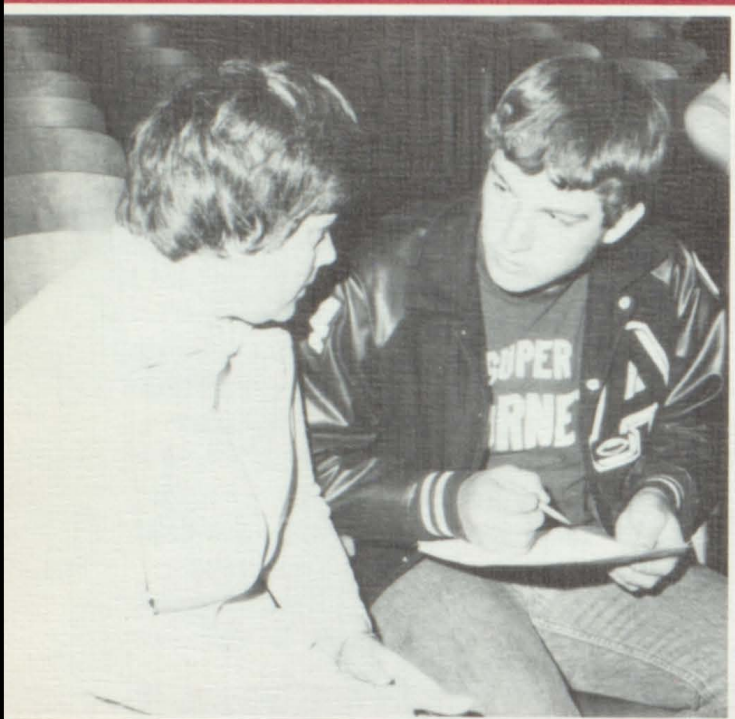

Watergate remained in the news, with former President Richard Nixon granting televised interviews with British journalist David Frost. Former Attorney General John Mitchell and Presidential Advisor Bob Haldeman began serving prison terms for their involvement in the scandal.

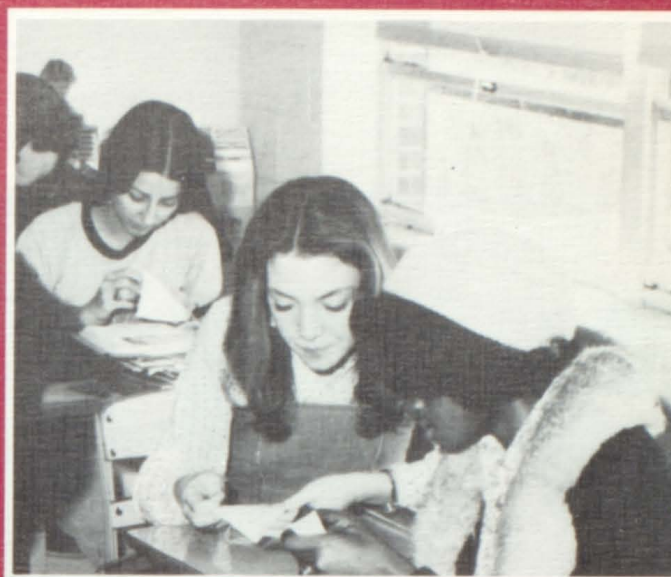

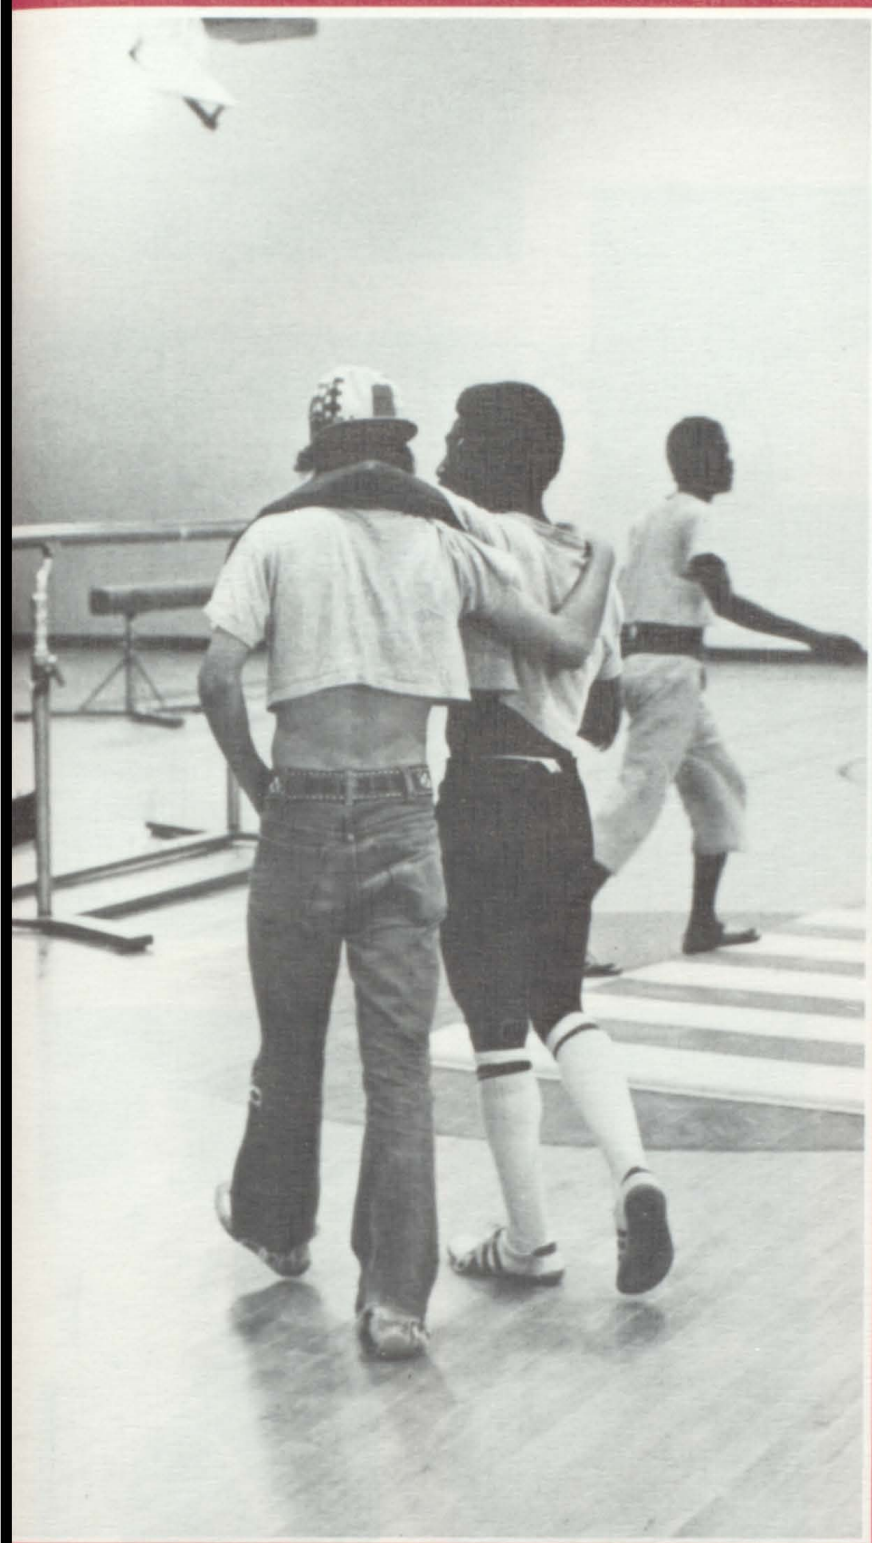

Great Britain celebrated the Silver Jubilee of Queen Elizabeth II, who has reigned since the death of King George VI in 1952.

In Spain voters opted for a return to democracy in their first free election in 41 years.

Texas Governor Dolph Briscoe called a special session for July, after the Legislature failed, in the regular session, to find a method to finance the educational system.

Oakland beat Minnesota in Super Bowl XI; the National Basketball championship went to the Portland Trailblazers; and Cincinnati took the World Series for the second straight year. In thoroughbred racing, Seattle Slew became the 10th colt in history to win the Triple Crown.

And so it ended, a year marked by  
More good times than bad,  
More friendliness than hostility,  
More appreciation than criticism,  
More unity than division.

Carefree but caring . . .
