## Foreword

As you go through the pages of this book we hope it will recall many pleasant memories and maybe a few funny ones. We have done our utmost to make this the best annual ever published here, and hope you'll think we have succeeded.

We wish to extend our appreciation to all who have in anyway helped to compile this book.

# FACULTY

## *Superintendent's Message*

It is a privilege and pleasure to serve as administrator in your school. I say, "your school," because it belongs to the community and I am here to help make it as good a school as possible. I know that the success of the school depends upon the co-operation of the trustees, the faculty, the student body, and the parents. You have certainly been wonderful in that respect, so a sincere and hearty "Thank you" to all.
