# THE TIGER

Edited by  
THE SENIOR CLASS

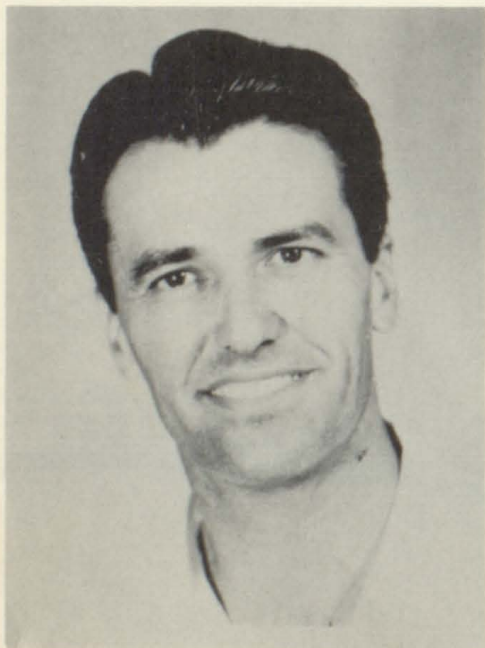

CHANDLER HIGH SCHOOL  
1955-1956

To Mr. N. C. Larkin for his understanding ways, his interest in all of the students, and his ready wit which has made many troubles have a sunny side, we, the Yearbook Staff, proudly dedicate this edition of the Tiger.

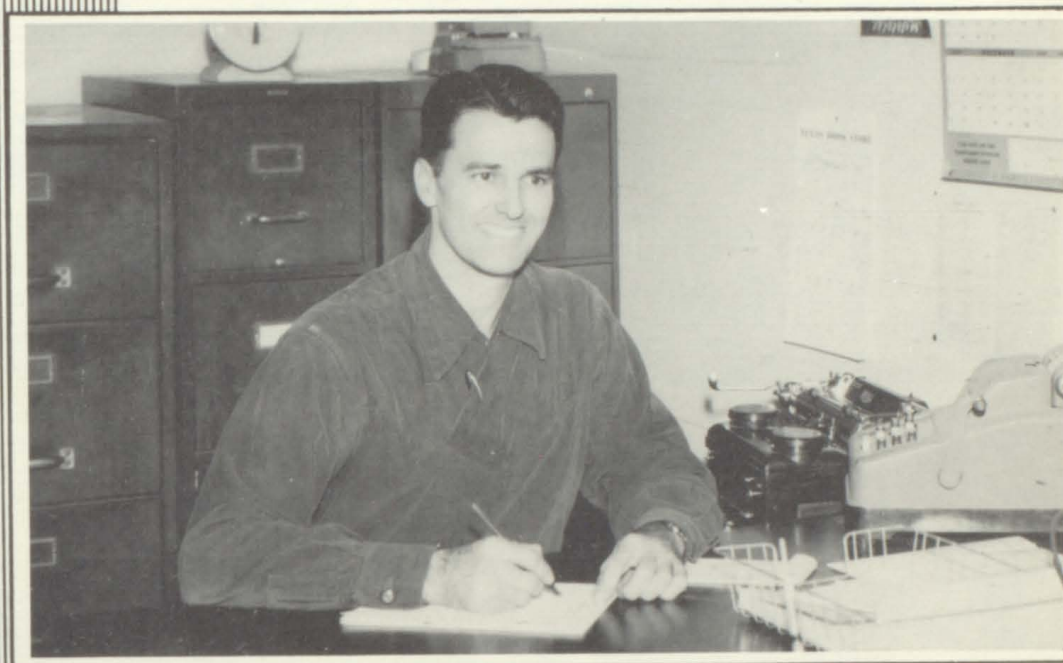

## DEDICATION

To Mr. Marshall E. Brown for his untiring efforts as coach and superintendent of our school, and for his sense of fair play and sportsmanship, which he displays to his athletic teams and to the entire student body as well, we, the Yearbook Staff of 1956, are proud to dedicate this edition of the Tiger.

## TO THE SENIORS

Due to the cooperation and fine spirit of the entire student body I can truthfully say, "This has been the best of all my years in the public schools of Texas." You have responded admirably to the fact that "We must have better schools." When each does his part to reach a goal, it is no problem at all. I believe you have done your part this year, and that you will be "well-rewarded" in the years ahead.

As you grow in knowledge, experience, and wisdom, each succeeding year should be better than the last. It is our hope that you will always do your part to make it that way.

Best wishes,  
Marshall E. Brown

Dear Faculty,

We would like to express our gratitude to you. Your patience and understanding have meant much to us in our school years. We shall always have pleasant memories of our association with you.

Sincerely,

THE SENIORS

My dear Miss Dorothy

Maybe I don't think real hard, I can write something, at least I could say you are good English teacher, a fine person who has meant a lot to me and someone I enjoy knowing but I won't. No - but I will say you're not just good and fine, you're the best.

Love you,  
Milly

Dear Mrs. Dorothy

I think you know without me telling you that I think you're a wonderful person. I never thought of you just as a teacher but also as a good friend. I'll always remember what I learned from you.

Love,  
Milly

Dear Miss Dorothy

I have enjoyed being in your class this year. You're my favorite teacher. I think you're the best of all. You're friendly and you're helpful. You will find many other good people some day.
