BETA CLUB EXPERIENCED CHANGE

There were a handful of dedicated students at Cross Roads which strove for excellence to become members of the Beta Club.

This year the Beta Club experienced some changes. Like all changes, some were bad and some good. The most dramatic change, and saddest, was the departure of Mrs. Cockrell. Mrs. Cockrell was the Beta Club sponsor for the past four years. During this moment of grief, the Beta's welcomed the newest member of their little family, Mrs. Liles. Mrs. Liles accepted the role as Beta Club sponsor for Mrs. Cockrell. Following with Beta tradition, members welcomed Mrs. Liles with open arms.

Beta Club holds special memories for all its members. Even those who have graduated and gone on to remember those moments as some of the greatest things about high school. This year also went down in Beta memory as a year to remember.

VARSITY BOYS

Werrr Baaack! Basically the same team that was 10-18 last year is back in playoffs with a 22-8 record. Some may ask, "What motivated such a big turnaround?"

The answer is simple: hard work, the desire to be back, and fearless leadership.

These were the factors that resurrected the mighty Bobcats, and they are now here to dominate the future.

TOP LEFT: Matt going for two points. FAR LEFT: Cory with a lay-up. LEFT: Matt rebounding. BOTTOM LEFT: Ronnie and Kenny trying to get the ball. BOTTOM: Clay makes a lay-up.

The '91-92 Lady Cats were the talk of Henderson County this year as they scratched their way to a 28-3 season and 4-0 district record. Godley posed no threat to the Lady Cats as they disposed of them 56-29 to earn their Bi-District Championship. And even though they were injury stricken in the Area game, these ladies played their hearts out before falling to Dublin 51-44. We are genuinely proud of these young ladies and their accomplishments. They have represented our school and community well. We will miss our lone graduating senior, Larra Marshall, but next year our Lady Cats look to be unstoppable.

KINDERGARTEN

We all seem to miss STORY TIME. Just in case you don't remember, this is when you all sit in the floor, and the teacher reads you a story. (lower left picture)

Mrs. King and Students — Excited about networking

Teachers' main interest is students. Helping students learn and progress gives teachers a sense of satisfaction and pride.

This year networking on computers was new for elementary and junior high students. It provided a large resource of materials for students in varied subject areas.

DON'T DRINK AND DRIVE

Mrs. Stone sent this as a reminder: Be careful. Please don't drink and drive.

Just a short message from your annual staff:

We would like to congratulate you for making it through Elementary, Junior High and especially High School. We are really proud that you have made it through this part of the school year with no deaths, and we hope you come back to visit.

It's okay, Holly, no one's in it.
