WESLEY VON HARVEY

Wesley,

We were so proud of you. God gave you to us to love for such a short time. Sixteen years and 10 months went by so fast. You were not only our child, but our friend. Watching you grow and praying that you would become a responsible adult was a joy. I pray that even now God will allow you to look down and know how much we love you. Every single day, every time I pray, I'll Be Missing You!

COACH KNIGHT GIVING A PEP TALK.

Coaches Comments

"The ultimate victory in competition is derived from the inner satisfaction of knowing that you have done your best and that you have gotten the most out of what you had to give."

The '97 Bobcats played hard every night and battled their best despite adversity. I was always proud of the effort displayed on game nights.

Coach Knight

Our 1998 Baseball team was young and a little inexperienced. We only had two seniors this year. We played well at times and had a chance to win almost every game. We lost some tough games but gained some valuable experience. We look forward to next year with the desire to win a district championship. Our team would like to thank our seniors and wish them the best of luck.

Coach Esparza

The boys and girls golf team, overall had a pretty good year. The boys competed in five pre-district tournaments and the girls competed in one. The boys placed 1st in four of those and 3rd in one. The boys competed in the regional tournament and placed 6th. With hard work and dedication we will be competing in the state tournament next year.

My exchange year, here in Cross Roads. It has been one of my greatest ever! Everybody helped me to fit in, even there when I had problems with the language. I had a great experience, a lot of fun and made many friends that hopefully stay in touch with me.

I want to thank for all the support I was given and there are some people I especially want thank!

First of all my parents who encouraged and supported me to spend one year abroad! Furthermore special thanks to the Wilson's and Richardson's that took me in their home, shared their life with me and put up with me throughout the year. Thanks to Coach Hughes and Coach Rogers for teaching me some American basketball and being such good friends. Finally I want thank all the other coaches, teachers, and Mr. B., all my friends and everybody else here.

I enjoyed my stay and I will never forget ya'll!

The German, SR 98!

*Melissa,
 You finally made it and
 we're really proud of you.
 We wish you the very best of luck
 in all your endeavors.
 I hope you make the most
 of your Army years
 and remember that life
 is what you make of it.
 May God bless you
 and watch over you always.*

*Love you always,
 Mama and all your family*

She's been a source of hope
And pride,
Of tender feelings deep inside
And countless joys
Right from the start—
She taught you many special things,
Like how much fun
A daughter brings,
And how much love
Can fill a parent's heart.
She grew up all at once, it seemed,
As beautifully as you had dreamed,
So full of life
And bright dreams of her own—
And through it all,
Her gifts of sharing,
Touching lives, and truly caring
Have meant much more
Than she has ever known.
Love,
Mom, Dad, and Kandy

Where do we start, while not wanting to end? The memories are many and great, starting with the innocence of your youth and going through your teenage years. You have always been a great source of pride and joy for us, whether through your sports, school, or livestock. We've watched you change from playing ball to going to fashion shows and rodeoing, from learning to dance in the kitchen to going to proms. We are amazed at the way life has changed you, yet you still seem to be the same children to us. You have gone from slumber parties and campouts to wanting to go away to college. Remember though, as before, we are always here for you, and even though we have not wanted you to grow up, we realize that you have and it's nearly time to let you go. As you travel down the path called life, remember that it may widen and branch off, but if you will stay on the main track and walk with the Lord beside you, you will never get lost. Have a great time in college and plan well for your future. We will love you always, dad (Ken) and mom (Joyce)

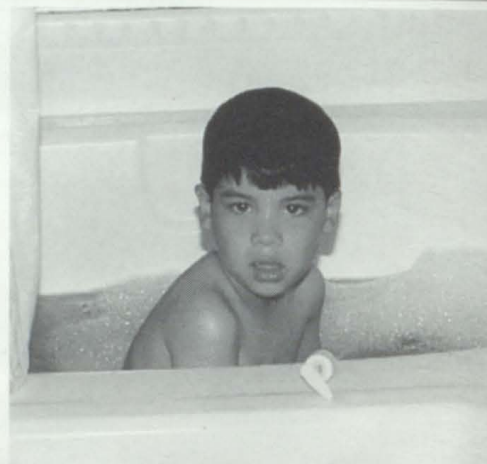

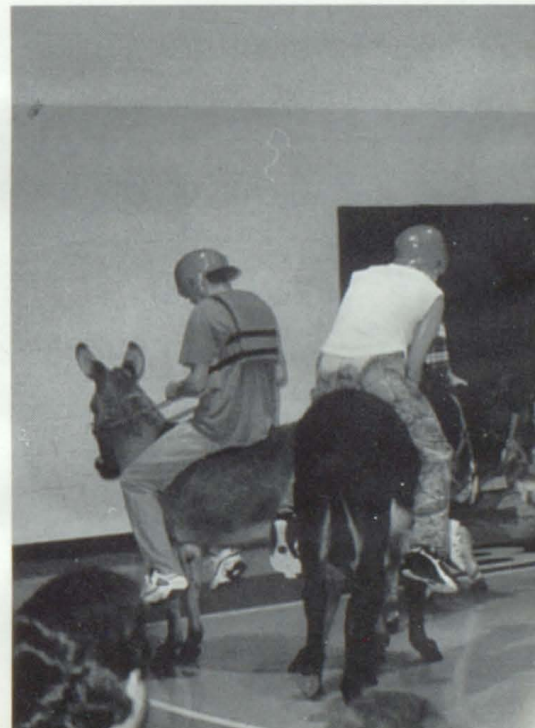

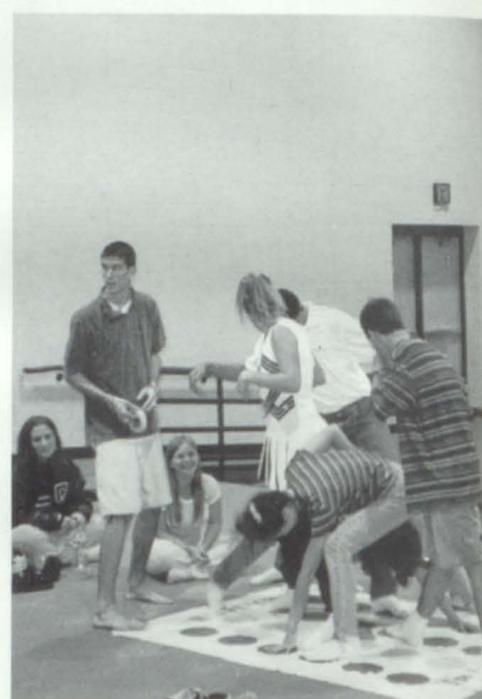

To our sons John and Jody-

We are ver proud of you and
 We love you very, very much.
 May God bless you and may
 you follow His will in all you do.

Love,
 Mom and Pops
