Memories - a word which is usually included in everyone's vocabulary. Through the hard struggling years at T.H.S. everyone has some kind of memory, some good and some bad. In the future it will be fun to look on these days and laugh and reminisce.

We the yearbook staff at T.H.S. hope that this yearbook will be something valuable to you and something you will always cherish.

We hope that you had as much fun making the memories as we did catching them being made. So we present you the "1974 TROJAN."

ADMINISTRATION

MR. WELDON CORBELL

Mr. Weldon Corbell has been superintendent of Trinidad Schools since 1968. He has also gained much publicity for Trinidad by being active in the Texas Small Schools Association, serving as president-elect this year, which will make him president next year.

He has worked actively to improve professionalism and effectiveness in small schools not only in our local area but also statewide.

His duties as superintendent are to administer the school system in conformity with Board policies, to serve as the deputy budget officer of the Board, and to review personnel, curriculum, textbooks, and board policies, as well as any other duties the Board may delegate to him.

MRS. MARILYN BRADLEY

SCHOOL TRUSTEES

The Trinidad School Board is a group of concerned men, dedicated to providing the best education possible for the students of this school. SEATED, left to right: are Mr. B. W. Tatum; Mr. Clint Floyd, president; Mr. Bobby Rounsavall. STANDING, left to right: are Mr. Allen Lundy, Mr. Eugene Berry, and Mr. Joe Rayfield, secretary. NOT PICTURED: Mr. Waymon Chandler.

Mr. Robert Stolusky in his fourth year as principal of T.H.S., not only fulfills his duties of scheduling, discipline, curriculum, faculty, registration, and lunchroom, but also finds time to foster school spirit.

The dedication of this page to these fine young men, and the three men who made their success possible, can only express a portion of our respect and pride which we have for the 1973-74 Trojans & Co.

Winning the Regional title alone is not as important as the team work and cooperation they showed among themselves, the school and the public. Congratulations, Trojans & Co., for a job well done and a title well deserved, "MIGHTY TROJANS."

Coaches Ruble and Stubblefield watch the Abbott game intently.

It wasn't the balls or the uniforms,
 Nor the funds that they got paid
 But the close cooperation,
 That helped them make the grade.
 It wasn't the individual,
 Nor the team as a whole,
 But the everlasting teamwork
 Of every bloomin' soul.

HAPPENINGS AT T.H.S.

From the beginning of school, hustle and bustle was the name of the game. Our great football record contributed to the squeeze of time everyone experienced between holidays and other

school activities. These pages represent the happy times, sad times, fun times and solemn times that we, the students and teachers had in the year 1973-74 at T.H.S.

THE TROJAN BAND

The 1974 Trojan Band has had a very busy year. They have participated in parades, half-time activities and a spring concert. In the spring they took a day off and toured many schools in which they gave a concert. The band has added a lot to the school activities and always has the spirit to "go." The senior band is composed of forty-five students from grades seven through twelve.

Each year the band has many members that participate in the 18-A All-District Band as well as the Henderson County Select Band. "Keep up the good work band, you're looking great!"

*Playoff Games

The 1973 Trojan Football Team opened their season with an awesome victory over Venus. The Trojans anxiously took their home field and humiliated the Bulldogs by defeating them 50 to 8. Mike Hart and Billy Hornbuckle led the scoring with 2 TD's apiece, while Bill Tart and Leslie Brown nabbed 1 each.

On their first road trip of the season the Trojans won a convincing 46 to 0 victory over the Oglesby Bulldogs. The scoring for the Trojans was led by Billy Hornbuckle and Dirk Steele with 2 TD's apiece, and Mike Hart and Hugh Thornburgh sacked 1 each. The Trojan defense played good and Roderick Parker had an outstanding night.

During their third game of the year the Trojans suffered their first loss to the Salado Eagles. Overconfidence and a strong Salado Ball Club humbled the Trojans before a large Homecoming crowd to a 29 to 44 loss. Dirk Steele led the scoring with 2 TD's and Mike Hart and Hugh Thornburg added 1 TD each.

The Trojans got back into the winning column by defeating Milano 29 to 0. Still suffering from the Salado loss, the Trojans played a weak game; however, Lawrence Hornbuckle had a good defensive night. Billy Hornbuckle ran for 2 TD's while Dirk Steele and Hugh Thornburg slipped by for 1 TD each.

The district season opened for the Trojans with a win over the Milford Bulldogs. The game was played in ankle deep mud, but the Trojans came out on top 18 to 13. Dirk Steele and Billy Hornbuckle ran for the first two TD's, and Bill Tart and Steele connected for the game winning score and long pass.

The Trojans were victorious in their second district bout, and came home with a 55 to 26 victory over the Covington Owls. Mike Hart led the Trojans in scoring with 3 TD's, Billy Hornbuckle chalked up 2, and Dirk Steele, Mark Moore, George Hightower, and Lawrence Hornbuckle had 1 TD apiece.

The Trojans tucked another victory under their belts as they crushed the Venus Bulldogs 62 to 12. It was an easy win for the Trojans and it gave them an untarnished 3 and 0 standing in district. The leading scorer of the night was Bill Tart with 3 TD's. Mike Hart donated 2 TD's, while Dirk Steele, Hugh Thornburg, Billy Hornbuckle, and Jimmy Lee gave 1 TD each. The Trojan defense, led by Roderick Parker, had an exceptional night.

With high hopes of the zone championship, the Trojans collided with the Aquilla Cougars; the Cougars fell to the mighty Trojans and gave the Trojans good momentum going into the zone play-off game against Abbott. High scorers for the Trojans were Mike Hart and Billy Hornbuckle with two TD's each; Mark Moore, Leslie Brown, and Edward Polk ran for 1 TD apiece.

The Trojans' last regular season game was scheduled with the Abbott Panthers, who the Trojans had been preparing for since the first day of practice. Abbott, the previously number 1 ranked team in the state, was severely trounced by the Trojans by a score of 56 to 27. The game was a brilliant display of excellent defense and strong, well-knit offense. Dirk Steele led the scoring with 3 TD's, and Hugh Thornburg had 2 TD's, while Billy Hornbuckle, Bill Tart, and Mark Moore ran for 1 each.

After winning their zone, the Trojans took the first step in play-off action by defeating the Tolar Rattlers for the District crown. The game was close all the way to the final gun; however, the Trojans won by a slim margin with a 36 to 30 victory. The Trojan defense played a fine game and made a spectacular goal-line stand in the final seconds of the game. Billy Hornbuckle led Trojan scoring with 3 TD's, while Mike Hart and Dirk Steele gave 1 TD each.

The eager Trojans went into the Regional game with their hearts set on the state championship, and with little difficulty the Trojans ran the Buckholts Badgers off the field with a sound 54 to 6 victory. The Trojan offense had an excellent night, while the defense had very little problem in stopping the Badger's offense. George Hightower and Mark Moore were the leading scorers with 3 TD's each; however, Bill Tart and Mike Hart each ran for 1 TD.

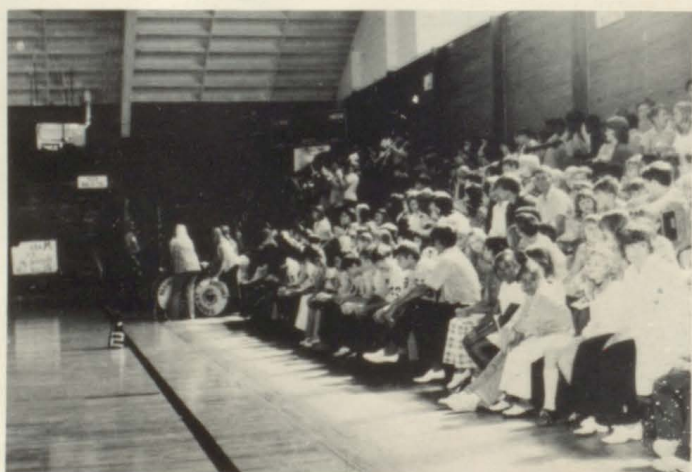

The Trojans' dream of a state championship was shattered by the mighty Cherokee Indians; however the Trojans did make it to the Semi-finals where they were defeated by Cherokee. Although the Trojans played a good game they could not keep up with the future state champions. The Trojan defense did a good job by holding the Indians to 247 yards when they had previously been held to only 400 yards a game. The Trojan offense fought hard; however, the offense was no match for the powerful Cherokee defense as the Trojans suffered a 34 to 8 loss. Bill Tart was the Trojans' sole scorer in the game with 1 TD; however, Billy Hornbuckle did an excellent job of blocking the whole night.

TROJANETTES HAVE A WINNING SEASON!

The Trinidad High School Girls Basketball team won 2nd in District this year, having their 1st winning season in several years. The girls will lose two seniors this year but there will be some outstanding players returning next year to build a strong team.

Glenda Hart, one of the seniors, is one of the most outstanding outside shooters in the school's history. She averaged 20.1 points a game. Audrey Dickey, another senior, is one of the best jumpers and one of the quickest ball players the team has had in several years.

The girls averaged 40.1 points a game while their opponents have scored 39.6 points a game. The girls will have four good seniors next year to lead them through another victorious season.

BI-DISTRICT CHAMPS

The 1973-74 Trinidad boys' basketball team went undefeated in district with a record of 6 wins and no losses. The Trojans with a tremendous winning record won the right to go play in the Bi-District game held at the NJC gym. They met face to face with the Avalon Eagles for the first time. The score was close for only a few seconds and then the Trojans pulled away. They won the Bi-District game with an overwhelming score of 61-48. Billy Hornbuckle, a 5 foot 10 inch senior, was high point with 23 points, Mike Tillis, 6 foot 2 inch junior with 14 points, Bill Tart, a 6 footer with 8 points. Following these scorers were Jeff Dunacusky, a 5 foot 11 inch junior, Dirk Steele, 5 foot 11 inch senior, and Hugh Thornburg, a 6 foot sophomore, and Mike Hart, a 5 foot 10 inch senior, all with 4 points each for the evening. By winning this game the Trojans were able to go to Regional playoffs for the first time in the school's history.

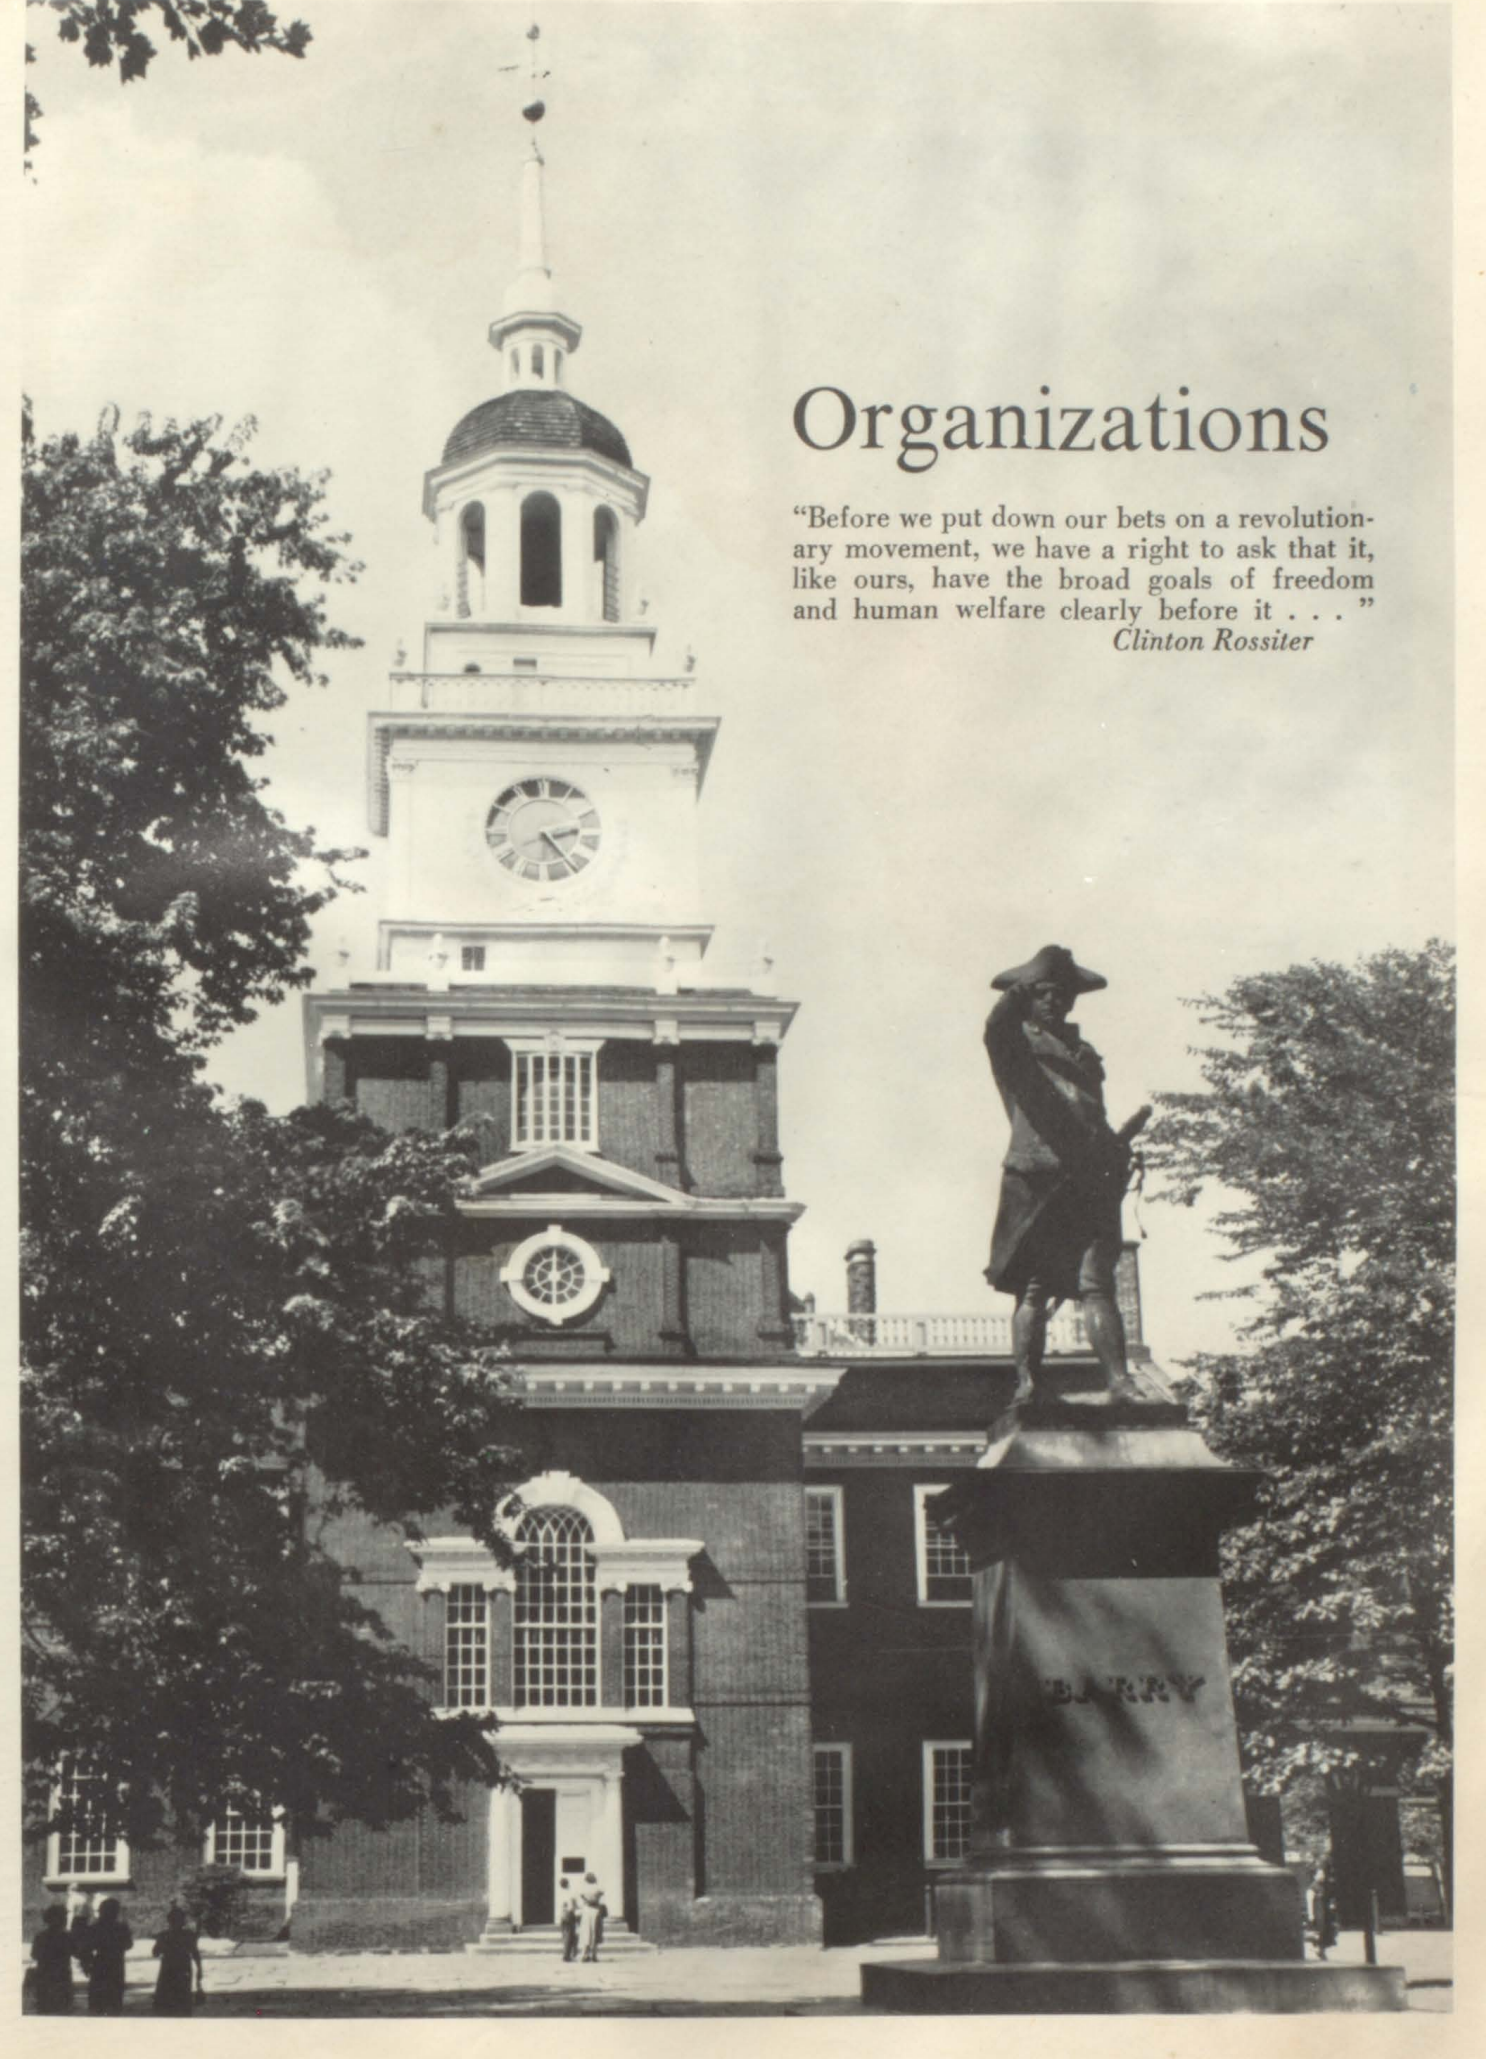

The Trojans didn't do so well at Regional when they met Big Sandy. Big Sandy won the game, 97-43, but the Trojans won an important thing, and that is the experience of playing for Regional. The Trojans next year will be trying to keep a good basketball season.

In Award Winning Year

This year at THS has been a very rewarding and eventful year for students and faculty. A winning football season started the year off wonderfully, followed by advancements in Regional basketball playoffs. Continuing on through the year various other achievements have been made by groups and individuals:

Pat Colvin as graduating senior receives the Lion's Club Scholarship.

Jessie Matthews, Teena Owens, Steve Stolusky, and Ernest Hughes were all 1st place winners in Science Fair.

Glenda Hart and Ray Hornbuckle display trophies awarded them as Outstanding Athletes by Houston Moore in behalf of the Booster Club.

ON THE MOVE

During the past three years, certain liberties have been given to the student body. As in every kind of system, there must be laws and rules to protect the liberties of the group. The Student Senate is a governing body which represents the students' attitudes and opinions but also the administration's point of view. Representatives from each class and organization were elected at the beginning of the school year. The Senate has enforced the hair and dress codes and also held the high school favorites elections.

They also sponsored such activities as a Chicken Supper on Homecoming night, Track and Field Day for elementary students, sandwiches and snacks for the teachers, and movies for student entertainment.

This honor club thrives on the determination of its members for its existence. A student must have a 90 grade average in order to be eligible for membership and then maintain an 87 grade average to stay in with no two consecutive B's in conduct.

THE ANNUAL STAFF IS

Many things go into being a member of the annual staff. Besides publishing the yearbook, these students developed and printed their own pictures, put out a school newspaper, attended conventions and workshops, and raised money to buy additional darkroom equipment. In the yearbook, each student in the journalism class was assigned to work on a particular section:

Editors were Pat Colvin and Sandy Meredith, who did all pages and sections not specifically assigned to others. Major section assignments were:

Ad section: Juanice Loven, High School: Ronda Tucker, Jr. High: Kay Chandler, Elementary: Karen Henderson, Sports: Bill Tart and Jeff Dunacusky, Organizations: Janna Kennedy.

An unidentified student shows the proper way to crop pictures for the yearbook.

Darkroom work was done by Brian Gardenhire and Juanice Loven, with help from other members of the class when needed.

Mrs. Gardenhire, sponsor, of the yearbook, helped a little bit in all yearbook sections, the newspaper, the darkroom, and the nervous breakdown department.

Action Packed

The staff shows another of their many talents by climbing a nearly impossible tree! PERCHED ABOVE: Juanice Loven and Brian Gardenhire. LOWER LIMBS, l. to r.: Janna Kennedy, Bill Tart, Ronda Tucker, Kay Chandler, Sandy Meredith, Sue Condreay, Pat Colvin, Jeff Dunacusky. STILL TRYING: Janie Owens and Judy Wiggins.

Some students are unable to take journalism because of scheduling problems, but are school-spirited enough to want to help. The girls above, Laurie Corbell, Robin Smalling, Kathy Bryan, and Sharmon Warren, sold ads for the yearbook. Sharmon alone sold \$90 worth of ads, proving once again her willingness to help in anything the school tries to do. Roderick Parker, also not a member of the class, helped with the sports section and ad-selling.

Jeff and Bill at work on the football section.

TEACHER'S AIDES

Throughout the year there has been a number of students helping the teachers, working in the office, and in the library. By doing the office work required, they not only helped the faculty, but they prepared themselves for the future.

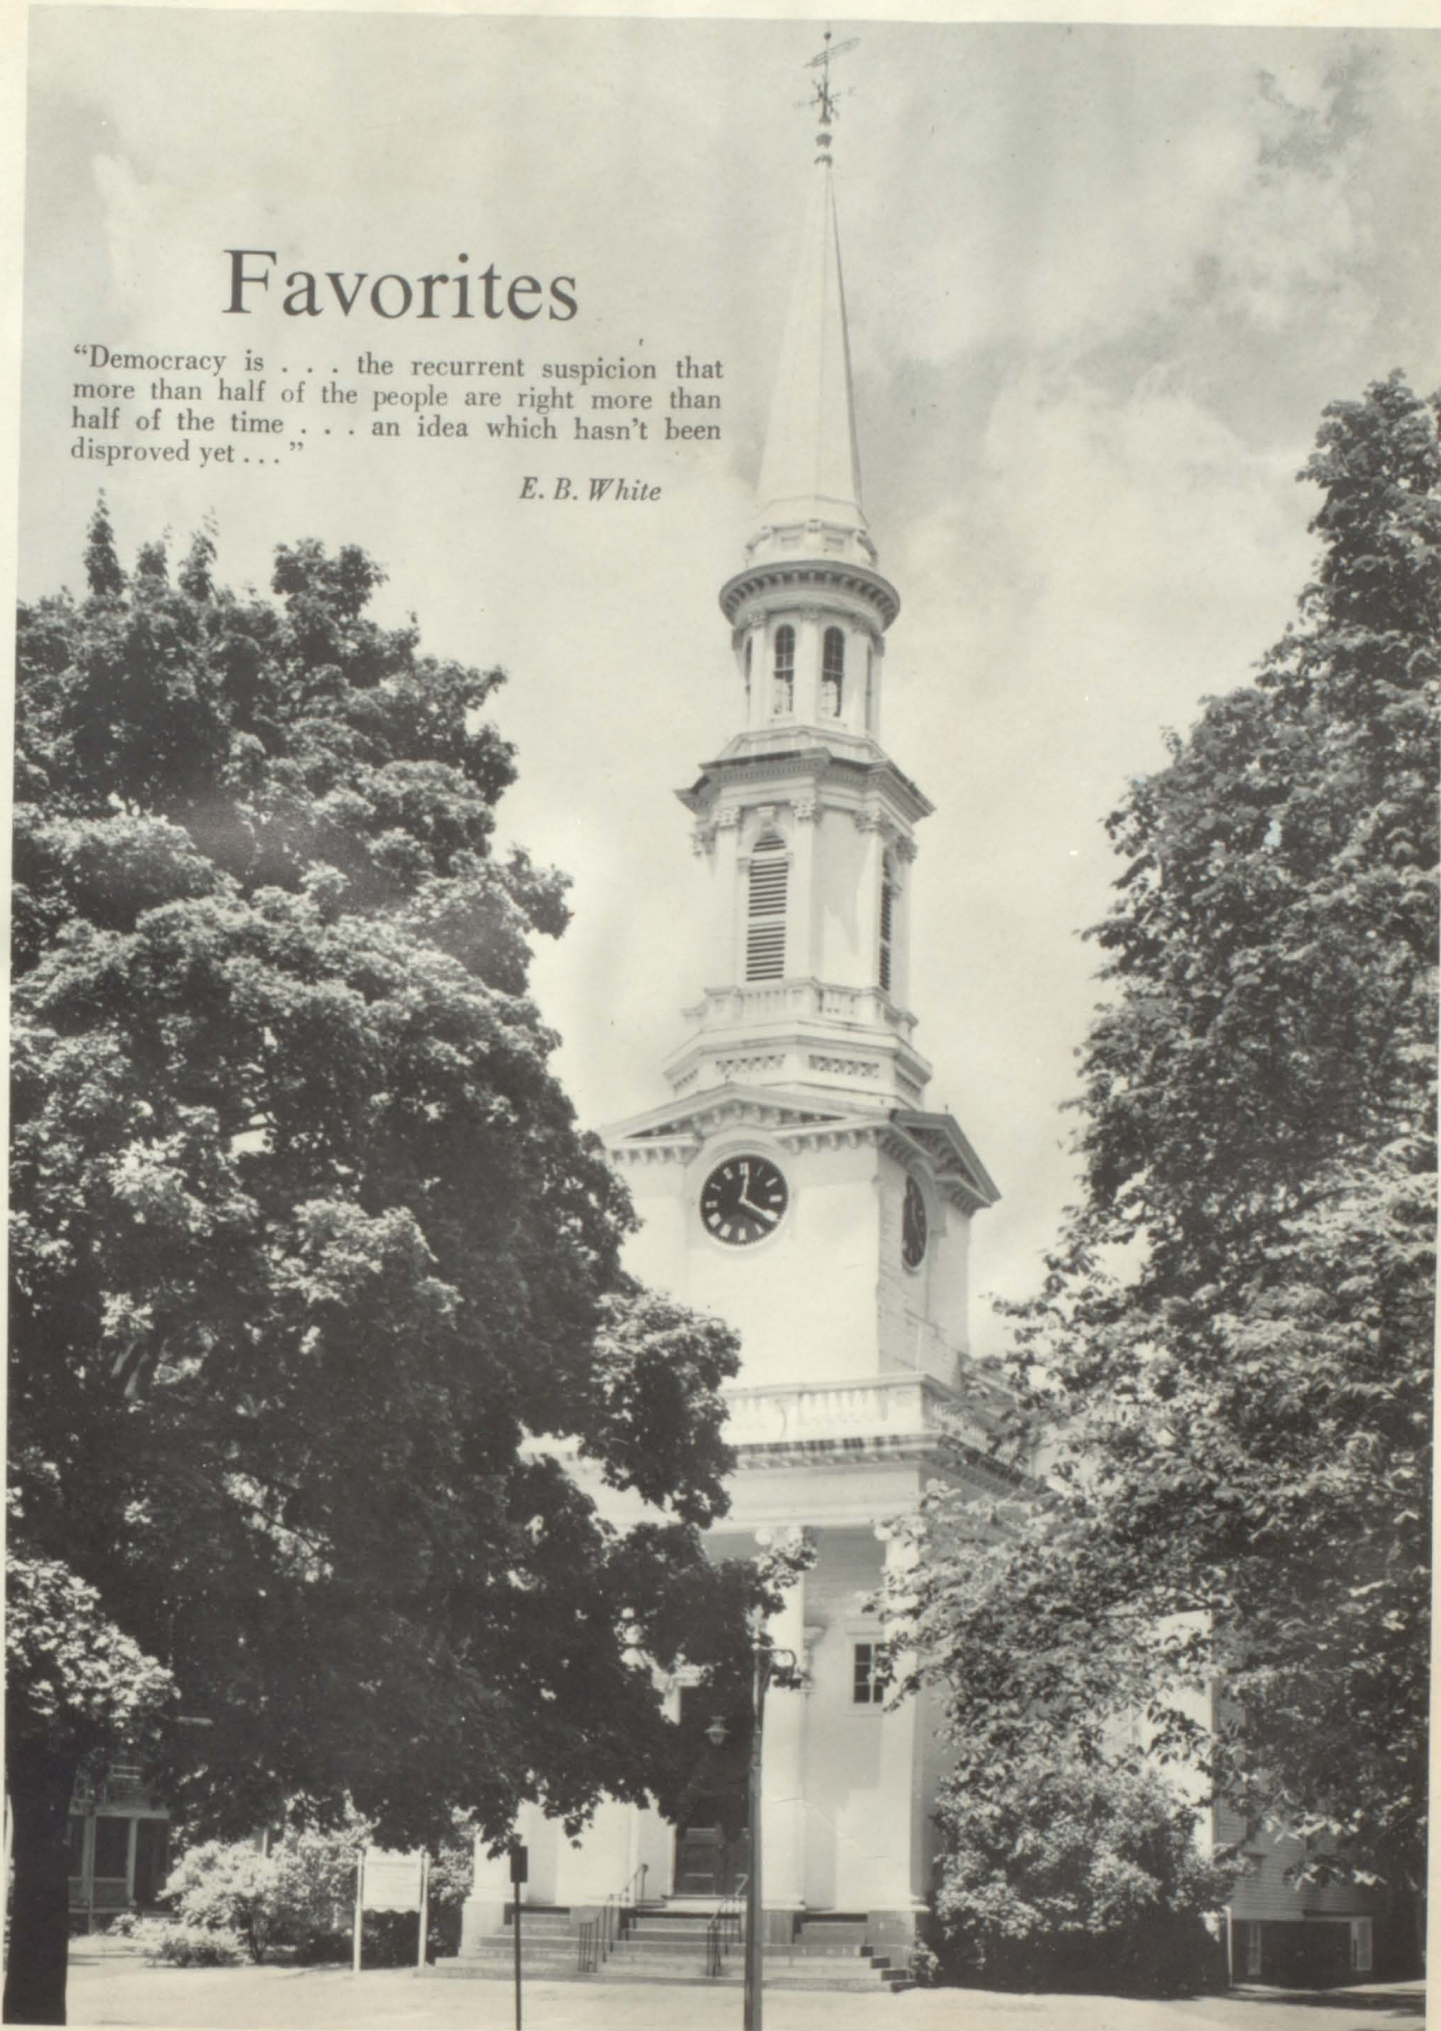

SEATED IN FRONT are the Office Workers: Janna Kennedy, Sue Condrey, and Juanice Loven, with Mr. Stokusky. ON THE SECOND ROW ARE: Audrey Dickey, aide to Mrs. Powers; Kay Chandler with Mrs. Farmer; Sandy Meredith and Pat Colvin on either side of Mrs. Gardenhire, for whom they worked. THIRD AND FOURTH ROWS: Coach Stubblefield with his aide Dirk Steele behind him; Margaret Lewis, aide to Mrs. Powers; Billy Hornbuckle, who was Coach Ruble's aide; George Hightower, SEATED BEHIND and aide to Mrs. Hughes; Mrs. Welborn and Glenda Hart; Coach Ruble, whose aide Brian Gardenhire, is behind him. THE SENIORS OF 1974

The Senior Class of 1974 was once the largest class in high school with twenty-five students; it is now the smallest with ten students. The class has been a very active one with all of the students involved in class activities. Their graduation was May 24 with Kay Chandler as valedictorian, and Pat Colvin as salutatorian. Dr. Von Rhea Beane, Executive Director of the Region VII Education Service Center, was the guest speaker for the commencement exercises. Ronda Tucker and Mrs. Kay Carter both sang, accompanied by Mrs. Doris Gardenshire, the class sponsor. The class colors were pastel and white, the flower was the carnation, and the motto "You will never develop eyestrain by looking on the bright side of things." The Class songs were "We've Only Just Begun," and "You'll Never Walk Alone."

Jr. High's "V" for Victory

TROJANS! Ready for anything

Jr. High Cheerleaders help build Spirit.

It takes "five" to pull a TROJAN down!

This was Jr. High's first year to play 11-man football. The team consisted of seventh, eighth, and ninth grade boys. They played eight games and won five. We're all very proud of our boys and our Jr. High Cheerleaders were always there and ready to cheer them on to VICTORY!

Randy feels the pressure of being blocked out.

JR. HIGH TRIES THEIR HAND AT BASKETBALL

Jr. High had rather a difficult basketball season. The girls had a 3-11 record and the boys had a 4-10 record. But even in a losing cause they still showed lots of spunk by hanging in there all season. We're all very proud of all of them and we're looking forward to them being on our high school team next year.
