DEDICATION

Behind the scenes of our school there is a "special someone" who . . .

cooks Christmas turkey, makes the morning cup of coffee, dodges majorettes twirling in the hall, locates cheerleader paints, opens impossible doors, mends the superintendent's house, keeps the teacher's lounge clean and supplied with snacks, etc. etc. . . .

Frank does all of these things (plus much more) not with a frown but a cheerful smile. Therefore, the annual staff dedicates this 1977 Trojan to Frank Antley - our "special someone."

TIME

Oh the precious moments -
Those of undue time,
Seem to bring an understanding -
A gentle peace of mind.

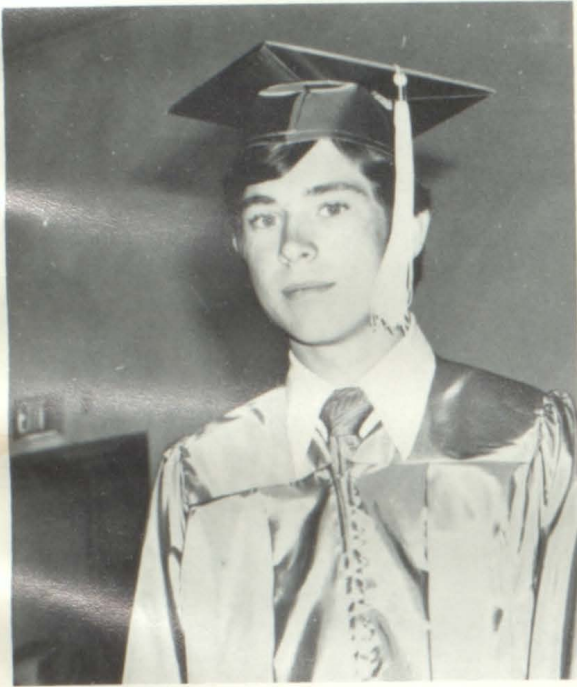

The thought, that can be thought upon,
The problem one can solve,
The memory cherished most of all,
An expression of being involved.

Solemn moments that are spent within,
Remembering all the glory, pain, even sin.

But now they have all been left,
Behind on the waves of the past.
Relaxing through great spans of time,
That seem to pass so fast.

As the sweet moments,
Begin drawing to a close.
They leave a gentle memory,
As the essence of a rose.

1977 Commencement

Mike Parker is the Valedictorian of the class.

Jeanie Airheart gives her salutatory speech.

Class Colors — Blue and Gold

***Class Flower — Baby's Breath
and Daisies***

***Class Motto — "I cannot predict
what I will be, I can
only live what I am."***

Seniors pay close attention???

Vivian is one of the honor students in the class.

Leslie and Melvin are ushers for the seniors.

Randy receives his hard earned (?) diploma.

The senior class of 1977 would like to express our appreciation to our teachers and parents for guiding us through the biggest steps in our lives. But mostly we thank God for letting our minds, hearts and souls receive all this wonderful knowledge and the unforgettable memories we now have.

ADMINISTRATION

There is a fundamental requirement that each individual carry his own weight by contributing to this world a payment equal to the benefit he receives. We must be willing to pay the price to reach the goals that we have set for ourselves.

My hope is that each of you will set worthy goals, be willing to pay the price and ultimately achieve the happiness that comes from success achieved through your own efforts.

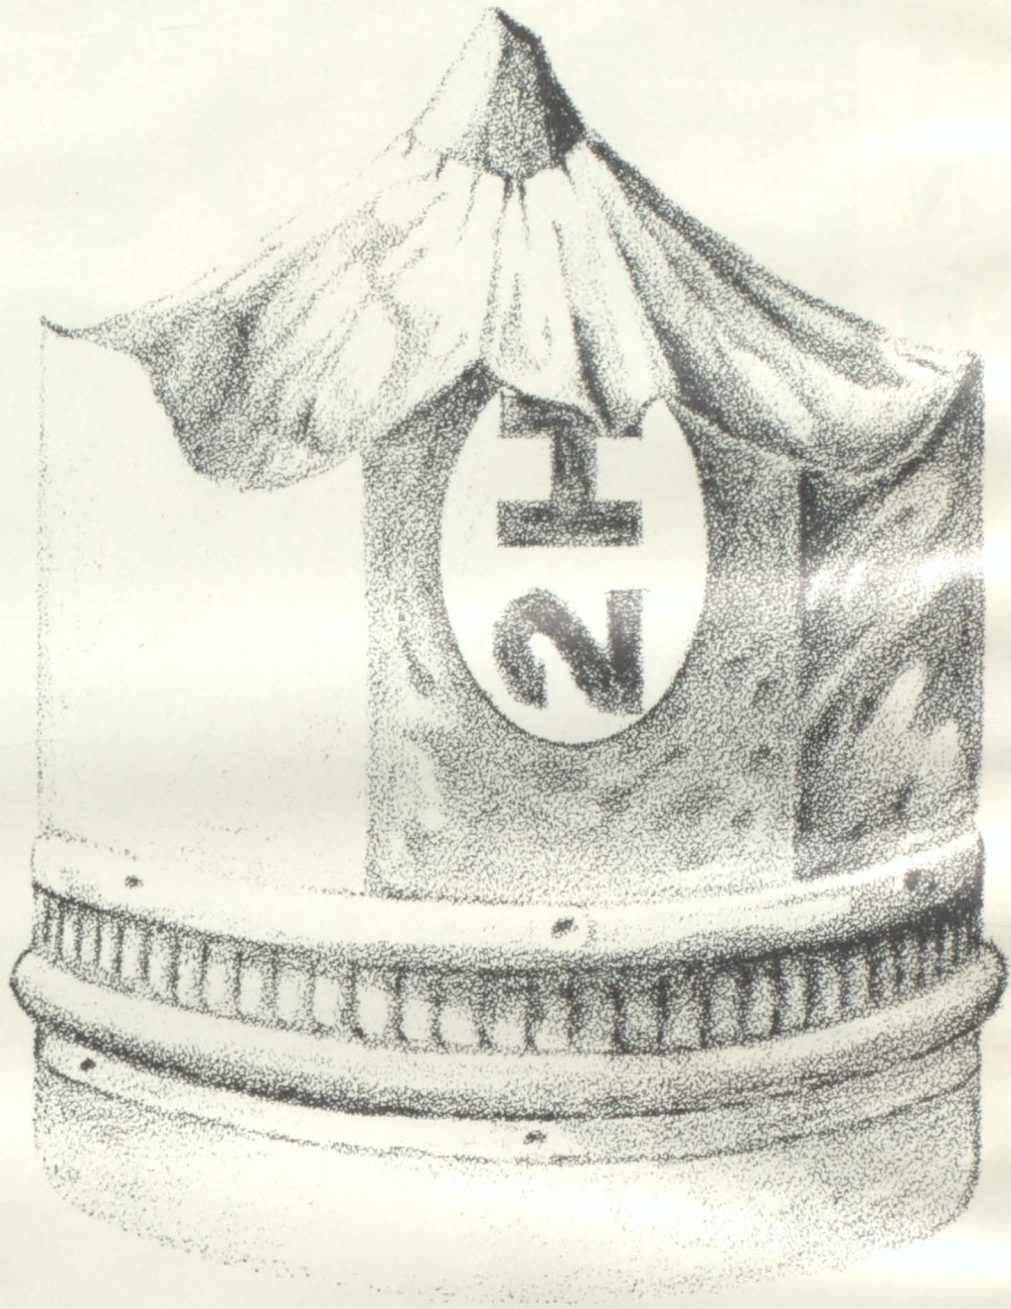

Bob Elsom
Superintendent

Education is a very important factor in life, "so get out of the halls and get to class!"

Res. 778-2298

As Christians, we would like to take this opportunity to share the Good News of Jesus which is our testimony, with our friends and all who look upon this annual.

Through my short Christian life I have learned that Jesus can take care of my every need if I only ask Him to, and He will take care of any one else who wants Him to.

I Peter 1:18-19

God paid a ransom to save you from the impossible road to heaven which your fathers tried to take, and the ransom he paid was not mere gold or silver, as you very well know. But He paid for you with the precious lifeblood of Christ, the sinless, spotless Lamb of God.

Jeanie Airheart

I can't say that I don't sin because all my friends could call me a liar. But I can say that Jesus saves and forgives.

John 3:16

For God so loved the world, that he gave His only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

Greg Colvin

With all the words in the world, I couldn't begin to express the happiness and thankfulness that I have since Jesus has entered my life. He has answered all my prayers and I know that he will always be "there" when I need him.

Psalms 23:1

Yea though I walk through the valley of the shadow of death I will fear no evil: for thou art with me. Thy rod and thy staff they comfort me.

De Anna Davis

It's great to know that even though I'm not always what God wants me to be, he still loves me and is always there where I need Him.

Psalm 56:3

What time I am afraid, I will trust in thee.

Larry King
