A Word From The Commander

By Charlie Waters

Yes, this is the a Special Edition of our camp's newsletter. I'm just proud as punch that my PC works after I retrieved it from the front yard.

It is my opinion that we take note of what the camp was involved in during June. So here is a short round up.

This news letter is the camp's newsletter so, please send in subjects, issues, stories, suggestions, pictures , and most anything own your mind.... And the master editor "OZZY" will look it over & try to get it into print before you die. OZZY does some spell check, but he has a limited vocabulary.

It's Dues time again. And this is a time that some members say " What for?". Well somehow, we need to change that to "Alright!".
