

Dedication

"Thou had'st one aim; one business, one desire...Matthew Arnold

Since your unity of purpose, your precepts, your examples, your teachings, and your guidance have made you an excellent administrator, an educational leader, and a great teacher in whom we have the utmost confidence, we wish to express our appreciation by dedicating this volume to you, Superintendent A. G. Luce, "The Builder", who has bridged the chasm for us in order that our educational paths may be easier.

And to our highly esteemed coach, sponsor, and teacher, Miss Lillian Knox:

We feel that we should extend the dedication of "The Tiger" to include you, since we appreciate your sincere efforts in teaching and guiding us. Truthfully we can apply Wordsworth's lines to you in making this dedication:

"She has a world of ready wealth,
Our minds and hearts to bless...
Spontaneous wisdom breathed by
health,
Truth breathed by cheerfulness."
