

Lynn Bitner brought this photo of the Georgia Camp School across from Georgia Camp Baptist Church located off Hwy. 1280 to Houston County Historical Commission; Sam Wilcox gave to her. If anyone has names of students, year this might have been made and any stories you can provide on this school email [hchc@co.houston.tx.us](mailto:hchc@co.houston.tx.us) or call 544-3255 ex. 238. The Historical Commission has old school registration books that could be used to check a particular date. HCHC is also looking for groups to locate, take pictures and clean up Historical Markers. There are approximately 255 markers in the county. Eliza Bishop is responsible for getting many of them and having them installed. Call Marty Cash for more information at 636-2486.
