Miss Sallie Arrington

The entire community was shocked on Tuesday when it was learned that Miss Sallie Arrington was not expected to live. Her life ended fatally on Wednesday morning at 5 o'clock. It can hardly be realized that one who only a few days seemed to be in the flower of good health and lovely womanhood should so soon pass away.

Miss Sallie Arrington was a young lady of whom any family or community should be proud. She chose teaching as her life calling, and but a short while since had been re-elected for the fifth time as teacher of the advanced classes in the city graded school. She leaves a host of friends to mourn.
