H. W. Beeson

We are again called upon to record the death of another old and highly respected citizen, that of H. W. Beeson, which occurred at his residence three miles south of town on Tuesday evening at one o'clock. Mr. Beeson, being 78 years of age, was one of the oldest citizens of the county, and had lived here upwards of fifty years. He was buried at White Rock burying grounds on Wednesday evening. Thus has passed away another old landmark, Peace to his ashes.
