Mrs. Willie Edens

The friends of Mrs. Willie Edens were painfully surprised to learn of her death at Waxahachie on the 12th. She had been in precarious health for a long time. Mrs. Edens was a daughter of the late Dr. Meriwether who lived up to the time of his death on the Elkhart. She was born and reared in this county, and was educated at Crockett Academy. Her remains, accompanied by her sister, Mrs. Dr. Frank Rainey of Austin, her daughter, Miss Edna, and Miss Craig were brought from Waxahachie and interred at the family burying grounds in this county on the 12th.
